ALMA MATER

*State College, we greet thee with love and devotion;
Our hearts and our treasures we bring to thy shrine.
With arms that are strong from all harm, we defend thee;
Thy name shall we cherish, dear mother of mine.
We walk through this wide world in peace and with courage.
We gained while we sat at thy sanctified seat.
We come when thou call'st us to battle, dear mother.
And cast all we have at they gloried feet.*

Chorus

*Alma Mater, we love thee, we love thee, dear mother;
And all that we have we cast down at thy feet.*

*In days of our childhood we romped in the wildwood.
We waded the brooks, sipped the sweet morning dew.
We heard of great treasurers of wisdom and knowledge,
Of wealth not for purchase of goodness and you.
We entered the portals with some trepidation.
We knew not what fates awaited us there.
Thou girded our loins with the strength of Gibraltar:
We drank from thy fountain and breathed thy pure air.*

*We breathed thy great spirit and learned more of wisdom,
More truth through the vistas of life can we see.
The work of thy hand as it guided our footsteps
With faith thou did'st teach as we sat by thy knee.
Nor more shall we wonder who gave thee thy powers.
No one but our God can bestow such as gift.
We step with thy heart-strokes today, and forever
Thy flag to the breezes of heaven we lift.*

1.0 GENERAL UNIVERSITY POLICIES AND INFORMATION

1.1 UNIVERSITY HISTORY AND DEVELOPMENT

1.1.1 Historical Sketch

The University of Arkansas at Pine Bluff is a land grant, residential institution founded in 1873 as Branch Normal College, a branch of the University of Arkansas. The University opened to students on September 27, 1875. UAPB is the second oldest institution in Arkansas and the oldest public institution with a black heritage. Since 1873, the Institution has grown and changed its official name on two occasions: 1927-Arkansas Agricultural, Mechanical and Normal College (Arkansas AM&N, also known as Arkansas State College); and 1972-University of Arkansas at Pine Bluff.

1.1.2 Mission

1.1.2.1 Mission Statement

The University of Arkansas at Pine Bluff is a public comprehensive HBCU 1890 Land-Grant institution. The University embraces its land-grant mission of providing cutting edge research, teaching, outreach, and service programs that respond to social and economic needs of the state and region. Its mission is to promote and sustain excellent academic programs that integrate quality instruction, research, and student learning experiences responsive to the needs of a racially, culturally, and economically diverse student population. Ultimately, the University is dedicated to providing access and opportunity to academically deserving students and producing graduates who are equipped to excel through their contributions and leadership in a 21st century national and global community.

1.1.2.2 Vision

The University of Arkansas at Pine Bluff will be widely recognized as the University of choice for students, faculty, staff, and future employers of our students. UAPB will be renowned nationally and internationally for excellence in teaching, research, service, and outreach with exceptional academic programs and globally competitive students. As a pre-eminent land-grant institution, UAPB will enrich the lives of people in the Arkansas Delta and beyond.

1.1.3 1890 Institution

UAPB is the fourth oldest institution in the nation designed in 1890 under the Second Morrill Act. Land Grant Colleges have evolved into technical and scientific institutions, and in keeping with the provisions of the Morrill Acts, provide education in “classical studies” – arts, humanities, social sciences, business, education and training in military science. UAPB is one of two land grant institutions and the only 1890 institution in Arkansas.

1.1.4 Accreditation

UAPB is accredited by North Central Association of Colleges and Secondary Schools, National Council for Accreditation of Teacher Education, National Association for schools of Music, American Home Economics Association, and National Council on Social Work Education.

1.1.5 Chief Administrators

The University’s first chief administrator was J.C. Corbin, Principal, 1875-1902. Chief administrators during modern times are: Lawrence A. Davis, Sr., President/Chancellor, 1943-1973; Earl Evans, Acting President, 1959-1960; Johnny B. Johnson, Interim Chancellor, 1973-1975; Herman B. Smith, Jr., Chancellor, 1974-1981; Lloyd V. Hackley, Chancellor, 1981-1985; Johnny B. Johnson, Interim Chancellor, 1985-1986; Charles A. Walker, Chancellor, 1986-1991; Carolyn F. Blakely, Interim Chancellor, 1991; Lawrence A. Davis, Jr., Chancellor, 1991-2012; Calvin Johnson, Interim Chancellor, 2012-2013 and Laurence Alexander, Chancellor, 2013-present.

1.1.6 Philosophy

“The end of education is to know God and the laws and purposes of His universe, and to reconcile one’s life to these laws. The first aim of a good college is not to teach books, but the learning of books is only a means to this end. We develop power and courage and determination and we go out to achieve Truth, Wisdom, and Justice. If we do not come to this, the cost of schooling is wasted.”

John B. Watson
First President, AM&N College
1928-1942

1.1.7 University Seal

The University Seal depicts the institution’s founding date of 1873 and the two official name changes; 1927-Arkansas Agricultural, Mechanical and Normal College (Arkansas AM&N); and 1972-University of Arkansas at Pine Bluff.

1.3 NON DISCRIMINATION POLICY

POLICY STATEMENT ON DISCRIMINATION

The University of Arkansas at Pine Bluff is committed to providing an environment that emphasizes the dignity and worth of every member of its community and that is free from harassment and discrimination based upon race, color, religion, national origin, service in the uniformed services (as defined in state and federal law), veteran status, sex, age, pregnancy, gender identity, sexual orientation, physical or mental disability or genetic information. Such an environment is necessary to a healthy learning, working and living atmosphere. Accordingly, all acts of discrimination, harassment, retaliation and sexual misconduct as defined by this Policy are prohibited.

1.3.1 DISCRIMINATION, HARASSMENT, RETALIATION AND SEXUAL MISCONDUCT COMPLAINTS

JURISDICTION – SEXUAL MISCONDUCT POLICY

Title IX protects the University community from sexual discrimination, harassment and misconduct in a school’s education programs and activities. Title IX protects the University community in connection with all academic, educational, extracurricular, athletic and other University programs, whether those programs take place on University property, in University transportation, at a class or training program sponsored by the University at another location or elsewhere.

FILING REPORT WITH LOCAL LAW ENFORCEMENT

In some instances, sexual misconduct may constitute both a violation of University Policy and criminal activity. The University grievance process is not a substitute for instituting legal action. The University encourages individuals to report alleged sexual misconduct promptly to campus officials AND to law enforcement authorities, where appropriate. Individuals may file a report directly with local law enforcement agencies by dialing 911. Individuals may also contact any of the following for assistance in filing a report with local law enforcement:

UNIVERSITY POLICE DEPT.
1900 REEKER STREET
PINE BLUFF, AR 71601

PRESERVING EVIDENCE

It is important that evidence of sexual assault be preserved, because it may be needed for prosecuting the criminal case. Victims and others should not alter the scene of the attack. The victim should not change clothes, bathe or shower, drink or eat anything, or brush her/his teeth before reporting the assault. Any items worn by the victim during the assault, but are not currently being worn, and any materials encountered during the assault (i.e., bed sheets, blankets, etc.) should be placed in a paper bag and brought along with the victim to a local hospital emergency department that has kits to collect and preserve evidence of rape and sexual assault.

STUDENT AND VISITOR RESPONSIBILITY TO REPORT

Students and visitors to the University are strongly encouraged to report allegations of discrimination, harassment, retaliation and sexual misconduct to the Title IX Coordinator and/or deputy. A report, written or verbal, should be made as soon as possible, preferably within 24 hours, after the incident in order to facilitate an effective response. The longer a report is delayed, the more difficult it will be for the University to investigate. Reports may be made by the person experiencing the misconduct or by a third party, such as a witness or someone who is told of the misconduct.

MANDATORY EMPLOYEE REPORTING

In order to enable the University to respond effectively and to proactively stop instances of discrimination, harassment, retaliation and sexual misconduct at the University, all employees must, as soon as possible and preferably within 24 hours of receiving information regarding a potential violation of this Policy, report information to the Title IX Coordinator (or deputy Coordinator) or Campus Police. Only employees who are statutorily prohibited from reporting such information (e.g., licensed health-care professionals) are exempt from these reporting requirements. This Policy is not intended to restrict curriculum or prohibit or abridge the use of particular textbooks or curricular materials.

OFF-CAMPUS CONDUCT

Conduct that occurs off campus can be the subject of a Complaint or report and will be evaluated to determine whether it violates this Policy. Allegations of off-campus sexual misconduct are of particular concern and should be brought to the University’s attention.

CONFIDENTIALITY

Subject to the other provisions of this Policy and the requirements of law, every possible effort will be made to ensure that all information received as part of the University’s Complaint/Grievance Procedure is treated discreetly. All parties to the Complaint are required to maintain the confidentiality of all information received during this process. However, it is not possible to guarantee that all Complaints will remain confidential because of the University’s obligation to investigate allegations of misconduct. All requests to maintain confidentiality shall be directed to the Title IX Coordinator who has the authority to make such determinations.

Except as compelled by law or in the interest of fairness, just resolution or health and safety considerations, disclosure of information contained in Complaints, their substance, procedures and the results of investigations will be limited to the immediate parties, witnesses and other appropriate officials. Limited disclosure may also be necessary to conduct a full and impartial investigation.

AVAILABILITY OF COUNSELING AND ADVOCACY

Counseling and other mental health services for victims of sexual assault are available on campus and in the community. Students and employees may use the Health Services Center or Student Counseling, Assessment and Development Center. Employees of the University may be able to seek help through the Employee Assistance Program. Community mental health agencies, such as the Southeast Arkansas Behavioral Healthcare Mental Health Facility. Additionally, counselors and psychotherapists in private practice in the area can provide individual and group therapy. Coalition Against Spouse Abuse (CASA), Women’s Shelter or Domestic Violence and Rape Crisis Programs may assist with making referrals for individual counseling and support groups and in identifying non-counseling campus and community resources that may be of additional help and serve as a victim advocate upon request.

EDUCATION AND AWARENESS PROGRAMS

The University’s Title IX Office, Student Counseling, Assessment and Development Center and UAPB Campus Police are responsible for planning and coordinating campus education and awareness programs about all forms of sexual assault, including rape, acquaintance rape, domestic violence, dating violence, and other sex offenses. Programs are presented regularly throughout the academic year in residence halls, fraternities, sororities, and for other student organizations, academic classes, employee training and professional development, and in other settings that are likely to reach people throughout the campus community. Campus-wide education and awareness activities are also conducted during Sexual Assault Prevention and Awareness Week.

POLICY EXPECTATIONS WITH RESPECT TO CONSENSUAL RELATIONSHIPS

There are inherent risks in any romantic or sexual relationship between individuals in unequal positions (such as teacher and student, or supervisor and employee). These relationships may be less consensual than perceived by the individual whose position confers power. The relationship also may be viewed in different ways by each of the parties, particularly in retrospect. Furthermore, circumstances may change, and conduct that was previously welcome may become unwelcome. Even when both parties have consented at the outset to a romantic or sexual involvement, this past consent may not remove grounds for a later charge of a violation of Policy.

The University does not wish to interfere with private choices regarding personal relationships when those relationships do not interfere with the goals and policies of the University. However, for the personal protection of members of this community, relationships in which power differentials are inherent (faculty-student, staff-student, administrator-student or employee) are prohibited except in extraordinary circumstances.

Consensual romantic or sexual relationships in which one party maintains a direct supervisory or evaluative role over the other party are prohibited. Therefore, persons with direct supervisory or evaluative responsibilities who are involved in such relationships must bring those relationships to the timely attention of their supervisors. This will likely result in removing the employee from the supervisory or evaluative responsibilities, or shifting the student or employee out of being supervised or evaluated by someone with whom he or she has established a consensual relationship. Failure to self-report such relationships to a supervisor as required may result in disciplinary action for an employee, up to and including termination.

1.4 COMPLAINT/GRIEVANCE PROCEDURE

These procedures are intended to apply to all grievances involving discrimination, harassment, retaliation, and sexual misconduct as described in this policy, including but not limited to those brought by a student against an employee and/or fellow student, employee against fellow employee and/or student, and third party against employee and/or student. All other grievances by students, employees, or third parties shall be addressed through other grievance procedures. The university benefits from formal and informal procedures that encourage prompt resolution of complaints and concerns raised by members of the university community.

COMPLAINT PROCESS

The University benefits from formal and informal procedures that encourage prompt resolution of Complaints and concerns raised by members of the University community. These procedures are intended to apply to all complaints involving discrimination, harassment, retaliation, and sexual misconduct.

Upon receiving a report of alleged or possible violation of this Policy, the Affirmative Action/Title IX Coordinator and/or deputy will evaluate the information received and determine what further actions should be taken. During the Informal Complaint assessment every reasonable effort should be made to constructively resolve issues with students, faculty, staff and administrators. The Complainant may want to resolve his/her Complaint by discussing it with the offending party in circumstances where it is practical and safe to do so, or elect forgo the Informal Complaint process.

If the conduct of parties involved is impracticable, unsafe, or cannot be effectively addressed through Informal Complaint process the complainant will automatically progress to the Formal Complaint process.

All sexual assault should be handled through the Formal Complaint process and the Affirmative Action/Title IX Coordinator and law enforcement will follow the procedures described in this Policy, including but not limited to those brought by a student against an employee and/or fellow student, employee against fellow employee and/or student, and third party against employee and/or student

The Affirmative Action/Title IX Coordinator and/or deputy will take steps, either directly with the complainant or through a reporting employee, to provide information about the University’s Complaint Procedure, as well as available health and advocacy resources and options for criminal reporting.

INVESTIGATION

The Title IX Coordinator will be responsible for overseeing the prompt, fair, and impartial investigation and resolution of Complaints filed with the University. The Title IX Coordinator or his/her designee will investigate all Complaints of discrimination, harassment, retaliation and sexual misconduct and determine any accommodations or other remedial short-term actions necessary in light of the individual circumstances presented.

The Title IX Coordinator or his/her designee will apprise human resources, manager, and the vice chancellor for the appropriate division or department of the Complaint, or if the Complaint is against a student, the Dean of Students and Vice Chancellor of Student Affairs.

The Title IX Coordinator or his/her designee, who will have been properly trained, will:

- identify the correct policies allegedly violated;
- conduct an immediate initial investigation to determine if reasonable grounds exist for believing that the conduct at issue violates this policy;;
- meet with the Complainant to finalize the Complaint;
- prepare the notice of allegations on the basis of initial investigation;
- develop a strategic investigation plan which may include a witness list, an evidence list, an intended timeframe, and an order of interviews for all witnesses, including the Respondent;
- conduct a thorough, reliable and impartial investigation during which witnesses may or may not be given notice prior to the interview;
- complete the investigation promptly, and without unreasonable deviation from the intended timeline;
- make a written finding on the case, based on a preponderance of the evidence, which indicates that it is more likely than not that a Policy violation has or has not occurred, and identifies appropriate remedies and/or sanctions, if any; and
- prepare a complete report on the investigation and findings. This report shall be maintained by the Title IX Coordinator and made available in the event of an appeal.

As noted above, an investigation of the Complaint will be conducted by the Title IX Coordinator or his/her designee unless it is clear from the face of the Complaint or the Title IX Coordinator’s initial meetings with the parties that no reasonable grounds exist for believing that the conduct at issue violates this Policy. IN the event that the Complaint was made by someone other than the alleged victim, the Title IX Coordinator will consider the following factors in determining whether it is reasonable to investigate the Complaint:

- the source and nature of the information,
- the seriousness of the alleged incident,
- the specificity of the information,
- the objectivity and credibility of the source of the information,
- whether the alleged victims can be identified, and
- whether those individuals wish to pursue the matter.

In the event that the Title IX Coordinator determines that an investigation of the Complaint should not be conducted,

he/she will determine and document (in consultation, as necessary, with the alleged victim, the Respondent and any other University administrators) the appropriate resolution of the Complaint and inform the parties of the same.

With all Complaints, if the Title IX Coordinator determines that an investigation should be conducted, the Title IX Coordinator will promptly investigate the matter. The existence of concurrent criminal investigations or proceedings shall not delay the investigation of any Complaint filed under this Policy.

If another individual is designated to investigate the matter, the Title IX Coordinator will share the investigator’s name and contact information with the alleged victim and the Respondent and will forward the Complaint to the investigator. Within three (3) business days of such appointment, the investigator, the alleged victim or the Respondent may identify to the Title IX Coordinator in writing any real or perceived conflicts of interest posed by assigning such investigator to the matter. The Title IX Coordinator will carefully consider such statements and will assign a different individual as investigator if it is determined that a material conflict of interest exists.

Upon receipt of the Complaint, the Title IX Coordinator will promptly begin the investigation, which shall include but is not limited to the following:

- conducting interviews with the Complainant, the alleged victim (if not the Complainant), the Respondent, and third-party witnesses (including expert witnesses, where applicable) and summarizing such interviews in written form;
- visiting, inspecting, and taking photographs at relevant sites; and
- where applicable, collecting and preserving relevant evidence (in cases of corresponding criminal reports, this step may be coordinated with law enforcement agencies).

Throughout the investigation, the Title IX Coordinator will remain neutral. The Title IX Coordinator should obtain, where applicable and where possible, the written consent of any third-party witnesses to the disclosure, as contemplated by this Policy, of any personally identifiable information contained in the Complaint, the Investigative Report, and for any other documents the disclosure of which is contemplated by this Policy in order to further the resolution of the Complaints.

Initial Meeting with Complainant and/or Alleged Victim. As soon as is practicable, the Title IX Coordinator will contact the Complainant and the alleged victim (if not the Complainant) to schedule an initial meeting to, as applicable:

- provide a copy of this Policy;
- provide a copy of the Discrimination, Harassment and Sexual Misconduct Complaint on which the Complainant may, if he or she agrees to disclose the information, provide details regarding the allegation, including the name of the accused individual and the date, location and general nature of the alleged violation of Policy (the Complaint Form may be completed by Complainant or dictated to the Title IX Coordinator, who will confirm the accuracy of his or her documentation with the Complainant);
- explain avenues for resolution;
- explain the steps involved in an investigation under this Policy;
- discuss confidentiality standards and concerns;
- determine whether the Complainant or the alleged victim (if not the Complainant) wishes to pursue a resolution through the University or no resolution of any kind;
- refer to law enforcement, counseling, medical, academic or other resources, as appropriate; and
- discuss, as appropriate, possible interim measures that can be provided during the pendency of the investigative and resolution processes.

Interim Measures. Unless circumstances dictate otherwise, the Title IX Coordinator will promptly issue a “No Contact” order to all parties upon notice of any sexual assault Complaint. In all cases, the University may implement any necessary interim measures, deemed appropriate and reasonably available, regardless of whether a Complaint has been filed (with either campus administrators or law enforcement agencies) or whether an investigation has commenced

(by either campus administrators or law enforcement agencies). Interim measures may include, but are not limited to:

- issuing no-contact orders;
- providing an escort to ensure that an individual can move safely between classes, work, and/or activities;
- reassigning on-campus housing;
- dissolving a campus housing contract and offering a pro-rated refund;
- changing work arrangements or location;
- rescheduling class work, assignments, and examinations;
- arranging for the Complainant to take an incomplete in a class;
- reassigning class section;
- permitting a temporary withdrawal from the University;
- providing alternative course completion options;
- providing counseling services; and
- providing academic support services.

Following the initial meeting with the Complainant and the alleged victim (if not the Complainant), the Title IX Coordinator will, if applicable, promptly determine the interim measures to be provided to the alleged victim. Such determination will be promptly communicated to the alleged victim, and no later than the point at which it is communicated to the Respondent.

Initial Meeting with Respondent. If the Complainant or alleged victim (if not the Complainant) wishes to pursue resolution through the University or if the University otherwise deems that a further investigation is warranted, as soon as is reasonably practicable after the Title IX Coordinator’s initial meeting with the Complainant (and, if applicable, the alleged victim), the Title IX Coordinator will schedule an initial meeting with the Respondent. During the initial meeting with the Respondent, the Investigator will, as applicable:

- provide sufficient written information, consistent with privacy laws and any request for confidentiality, to allow Respondent to address the allegation (e.g., the name of the Complainant/alleged victim, the date, location, nature of the alleged violation of Policy, etc.);
- provide a copy of this Policy;
- explain the University’s procedures for resolution of the Complaint;
- explain the steps involved in an investigation under this Policy;
- discuss confidentiality standards and concerns;
- discuss non-retaliation requirements;
- inform of any interim measures already determined and being provided to the Complainant and/or the alleged victim that would directly affect the Respondent (e.g., changing his or her class schedule, moving him or her to an alternate residence hall, etc.);
- refer to law enforcement, counseling, medical, academic or other resources, as appropriate; and
- discuss, as appropriate, possible interim measures that can be provided to the Respondent during the pendency of the investigative and resolution processes.

Investigative Report. The Title IX Coordinator shall complete a written investigative report (“Investigative Report”) that shall include the following items:

- The name and sex of the alleged victim and, if different, the name and sex of the person reporting the allegation (It should also include any other relevant protected class characteristics if the Complaint involves a violation of this Policy based on a protected status other than gender);
- a statement of the allegation, a description of the incident(s), and the date(s) and time(s) (if known) of the alleged incident(s);
- the date that the Complaint or other report was made;

- the date the Complainant and alleged victim (if not the Complainant) were interviewed;
- the date the Respondent was interviewed;
- the names and sex of all persons alleged to have committed the alleged violation of this Policy (It should also include any other relevant protected status characteristics if the Complaint involves a violation of this Policy based on a protected status other than gender);
- the names and sex of all known witnesses to the alleged incident(s);
- the dates that any relevant documentary evidence (including cell phone and other records as appropriate) was obtained;
- any written statements of the Complainant (or victim, if different from the Complainant), the Respondent and any witnesses;
- summaries of all interviews conducted, photographs, and descriptions of relevant evidence, summaries of relevant electronic records, and a detailed report of the events in question;
- a written finding on the case, based on a preponderance of the evidence which indicates whether or not it is more likely than not that a Policy violation has occurred;
- the policy or policies violated and, in consultation, as necessary, with the Complainant, alleged victim (if different than the Complainant), Respondent, and other University officials, any remedial and/or disciplinary action deemed appropriate under the circumstances;
- the response of University personnel and, if applicable, University-level officials, including any interim measures and permanent steps taken with respect to the Complainant, alleged victim (if different than the Complainant) and the Respondent; and
- a narrative of all action taken to prevent recurrence of any harassing incident(s), including any written documentation.

If the Title IX Coordinator is unable to obtain the consent of third-party witnesses, he or she will redact the Investigative Report to the extent necessary to avoid inappropriate disclosure of such witness’s personally identifiable information, while ensuring that such redaction does not prevent resolution of the Complaint.

If the Title IX Coordinator determines and documents, based on the investigation, that reasonable grounds exist to believe that the conduct at issue constitutes a violation of this Policy, the Title IX Coordinator/Deputy Coordinator will determine the appropriate remedy and/or sanction to be imposed and will include the appropriate remedy and/or sanction in the Investigative Report. Imposition of the appropriate remedy and/or sanction will be imposed only after all appeals have been exhausted.

In determining the appropriate remedy and/or sanction, the University will act to end the discrimination, harassment, retaliation or sexual misconduct, prevent its recurrence and remedy its effects on the victim and/or University community. Sanctions will depend upon the nature and gravity of the misconduct, any record of prior discipline for a violation of this Policy, or both. Sanctions may include, without limitation, withholding a promotion or pay increase, reassigning employment, terminating employment, temporary suspension without pay, compensation adjustments, expulsion or suspension from the University, disciplinary probation, expulsion from campus housing, mandated counseling and/or educational sanctions as deemed appropriate.

The Title IX Coordinator shall complete and distribute the Investigative Report, concurrently, to the alleged victim and Respondent within thirty (30) calendar days following receipt of a Complaint. All parties to whom the Investigative Report is distributed pursuant to this Policy should maintain it in confidence. The Investigative Report may only be disclosed as contemplated by this Policy.

If the Title IX Coordinator finds no reasonable grounds to believe that the conduct at issue constitutes a violation of this Policy, then the Title IX Coordinator will determine and document the appropriate resolution of the Complaint in the Investigative Report and will promptly notify the parties of that determination.

APPEAL INVOLVING FACULTY/STAFF

All appeals where the Respondent is a University faculty or staff member shall be made to the Chancellor or his/her designee. Both the alleged victim and the Respondent may appeal any or all of the Title IX Coordinator’s decision in writing to the Chancellor or his/her designee within ten (10) business days of receipt of the Investigative Report. The appealing party must also provide a copy of the appeal to the Title IX Coordinator within the same time period. The appeal should include a brief statement describing any or all parts of the Investigative Report that is being appealed and the reason for appeal. Acceptable means of notification include email, facsimile, hand delivered notification or postal delivery. The Title IX Coordinator will promptly inform the other party of the appeal.

Within thirty (30) days of receipt of the appeal, the Chancellor or his/her designee will make a final determination as to whether the Complaint should be closed, whether a violation of Policy has occurred, and/or whether any additional or different remedial action or sanctions are warranted. The Chancellor or his/her designee will concurrently notify the alleged victim and the Respondent of his/her decision.

All non-tenured faculty and staff members of the University are at-will employees who may be terminated at any time, with or without cause. With regard to such faculty and staff, nothing in this Policy shall create an expectation of continued employment with the University or be construed to prevent or delay the University from taking any disciplinary action deemed appropriate (including suspension and immediate termination of employment) for any violation of state law, federal law or University policy. When the Respondent is a faculty member with tenure and the sanction imposed or upheld by the Chancellor or his/her designee is dismissal of the Respondent’s employment, the matter shall proceed pursuant to Board Policy 405.1.

APPEAL INVOLVING A STUDENT

In those instances where the Respondent is a University student, the alleged victim and/or the Respondent may appeal any or all of the Title IX Coordinator’s decision to a Hearing Panel by providing a written appeal to the Chancellor or his/her designee with a copy also being provided to the Title IX Coordinator. The appeal must be submitted within ten (10) business days of receipt of the Investigative Report and must include a brief statement describing any or all parts of the Investigative Report being appealed and the reason for appeal. Acceptable means of notification include email, facsimile, hand delivered notification or postal delivery.

Within three (3) business days of receiving the appeal, the Chancellor or his/her designee will appoint the members of the Hearing Panel, to include at least three faculty and/or staff members. The Chancellor or his/her designee will select one member of the Hearing Panel to act as the Chair. The Title IX Coordinator will provide a copy of the Complaint and the Investigative Report to each member of the Hearing Panel and, if only a portion of the Title IX Coordinator’s findings and determinations are appealed, the Title IX Coordinator will specify which part(s) of the alleged misconduct will be the subject of the hearing.

Promptly after the appointment of the members of the Hearing Panel, the Title IX Coordinator will provide concurrent written notice to the alleged victim and the Respondent, setting forth the names of the individuals selected to serve on and chair the Hearing Panel. If only a portion of the findings and determination are appealed, the Title IX Coordinator will also specify in the notice which part(s) of the alleged misconduct will be the subject of the hearing.

The parties may challenge the participation of any member of the Hearing Panel by submitting a written objection to the Chancellor or his/her designee within three (3) business days of receipt of the notice of the composition of the Hearing Panel. Any objection must state the specific reason(s) for the objection.

The Chancellor or his/her designee will evaluate the objection and determine whether to alter the composition of the Hearing Panel. Failure to submit a timely and proper objection will constitute a waiver of any right of objection to the composition of the Hearing Panel. Any changes in the composition of the Hearing Panel will be provided in writing to both parties prior to the date of the hearing.

Submission of Written Materials. Within five (5) business days of receipt of the notice of the initial composition of the Hearing Panel, the alleged victim and the Respondent may provide the Chair of the Hearing Panel with a list of witnesses, if any, that they propose that the Hearing Panel call and a brief description of each proposed witness’s connection to and/or knowledge of the issues in dispute, and a written statement of position.

Notice of the Hearings. Not less than five (5) business days but not more than ten (10) business days after delivery of notice of the initial composition of the Hearing Panel to the parties, the Hearing Panel will provide a separate notice to the alleged victim, Respondent and any witnesses or other third parties whose testimony the Hearing Panel deems relevant, requesting such individuals to appear before the Hearing Panel. The notice should set forth the date, time, and location for the individual’s requested presence. The Hearing Panel shall provide the names of the witnesses or other third parties that the Hearing Panel plans to call in its notices to the alleged victim and the Respondent. The hearing shall be conducted within twenty (20) business days but no sooner than ten (10) business days of the receipt of the appeal.

Failure to Appear. If any party fails to appear before the Hearing Panel if requested to do so, and such party was provided proper notice of the hearing as set forth above, then absent extenuating circumstances, the Hearing Panel will proceed to determine the resolution of the Complaint.

Support Persons. Both the alleged victim and the Respondent may be accompanied by one support person to assist them during the hearing process. This support person can be anyone, including an attorney. *Unless the student has received a suspension of ten (10) or more days or expulsion*, the support person may not address the Hearing Panel, present evidence, make objections or statements, ask questions of any party or witness or otherwise participate in the hearing, beyond privately communicating with the party that he/she is supporting. *If the student has received a suspension of ten (10) or more days or expulsion, the support person may fully participate during the disciplinary appeal proceeding.*

The Chair must be notified five (5) business days in advance of the hearing if a party will be accompanied by a support person. The Chair may disallow the attendance of any support person if he/she is also a witness or if, in the discretion of the Chair, such person’s presence would be disruptive or obstructive to the hearing or otherwise warrant removal. All support persons must agree to keep any and all information presented in the hearing confidential in order to attend. Absent accommodation for disability, the parties may not be accompanied by any other individual during the hearing process except as set forth in this Policy. College officials may seek advice from the University Of Arkansas System Office Of General Counsel on questions of law and procedure at any time during the process.

Evidentiary Matters. The alleged victim and the Respondent will have an equal opportunity to present evidence during their hearing. Formal rules of evidence will not be observed during the hearings.

Prior Sexual Conduct. Evidence of the prior sexual conduct of the alleged victim and the Respondent with others will not be permitted at the hearings, with the following exceptions: evidence is permitted to show that the alleged victim has in the past been formally disciplined by the University for falsely filing Complaints alleging a violation of this Policy; evidence is permitted to show that the Respondent has in the past been either convicted in a criminal proceeding or formally disciplined by the University for conduct which would violate this Policy, if deemed relevant; and evidence regarding the past sexual activity of the Respondent (regardless of whether the Respondent was formally charged with a violation of the Policy with respect to such conduct) may be permitted to show that the Respondent has engaged in a pattern of behavior similar to the alleged violations of policy at issue before the Hearing Panel, provided that (1) the Respondent has not been found “not responsible” by the University in a proceeding related to such conduct and (2) the Chair has made written findings both that the evidence is reliable and trustworthy and that the conduct is sufficiently and substantially similar to the conduct at issue before the Hearing Panel to suggest a pattern of behavior.

Hearing Procedure. The Hearing Panel will conduct a hearing during which it will interview and question the Complainant, the alleged victim, the Respondent, and any witnesses or other third parties whose testimony the Hearing

Panel deems relevant. The parties will not be allowed to personally question or cross-examine each other during the hearing, but will be allowed to question witnesses. The Chair will resolve all questions concerning procedure or the admission of evidence or testimony, including the relevancy and reliability of the evidence and testimony. All participants at the hearing are expected to provide truthful testimony. The Complainant and/or alleged victim have the option not to be in the same room with the Respondent during the hearing. Any party may choose not to testify or appear before the Hearing Panel; however, his/her exercise of that option will not preclude the Hearing Panel from making a determination regarding the Complaint filed against the Respondent.

Decision of the Hearing Panel. Following the conclusion of the hearing, the Hearing Panel will confer and by majority vote determine whether the evidence (including the information provided in and by the Investigative Report, the parties’ written statements, if any, the evidence presented at the hearings, and the testimony of the parties and witnesses) establishes that it is more likely than not that the Respondent committed a violation of this Policy. In other words, the standard of proof will be the preponderance of the evidence. If the Hearing Panel determines that more likely than not the Respondent committed a violation of this Policy, the Hearing Panel will recommend sanctions and give consideration to whether a given sanction will (a) bring an end to the violation in question, (b) reasonably prevent a recurrence of a similar violation, and (c) remedy the effects of the violation. The Hearing Panel will forward its recommendations regarding sanctions to the Chancellor or his designee, who will make the final determination regarding all sanctions.

Sanctions for a finding of responsibility will depend upon the nature and gravity of the misconduct, any record of prior discipline for a violation of this Policy, or both. Sanctions may include, without limitation, expulsion or suspension from the University, disciplinary probation, expulsion from campus housing, mandated counseling, and/or educational sanctions deemed appropriate by the Hearing Panel.

Ordinarily, sanctions will not be imposed until the resolution of any timely appeal under this Policy. However, if it is deemed necessary to protect the welfare of the victim or the University community, the Hearing Panel may recommend and the Chancellor or his/her designee may determine that any sanctions be imposed immediately and continue in effect until such time as the appeal process is exhausted.

At such time that the appeal process is exhausted, the Title IX Coordinator will determine the final accommodations to be provided to the victim, if any, and the Title IX Coordinator will communicate such decision to the victim and the Respondent to the extent that it affects him/her.

The Title IX Coordinator will also take steps to prevent any harassment of or retaliation against the Complainant, the victim (if not the Complainant), or third parties, such as informing them about how to report subsequent problems, following up with them to ensure that there are no subsequent problems, providing training for the campus community, and providing counseling for the Respondent. The Title IX Coordinator will also take steps to prevent the harassment of or retaliation against the Respondent.

Furthermore, the Title IX Coordinator will take prompt corrective action if the Complainant or the victim (if not the Complainant) experiences retaliation or is subjected to further violation of this Policy or if the original sanctions imposed on the Respondent are ineffective to protect the safety and well-being of the Complainant, the victim (if not the Complainant), or other members of the University community. The Title IX Coordinator will also take reasonable steps to eliminate any hostile environment that has been created, such as conducting trainings and disseminating informational materials. In taking the above-outlined steps, the Title IX Coordinator will make every reasonable effort to minimize the burden on the Complainant and/or alleged victim.

Final Outcome Letter. Within ten (10) business days following the conclusion of the hearings, the Hearing Panel will issue a written decision letter (the “Final Outcome Letter”) concurrently to the Respondent, and the alleged victim (if not the Complainant). The Final Outcome Letter will set forth (1) the name of the Respondent, (2) the violation(s) of this Policy for which the Respondent was found responsible, if any, (3) the recommended sanctions imposed on the

Respondent, if any, and it may set forth names of other individuals, such as a victim or witness, provided that such other individuals provide their written consent to such inclusion.

In order to comply with FERPA, the letter will not include information considered part of a party’s “education record” (as that term is defined by FERPA) that is not otherwise exempt from disclosure under the Act, or other information about sanctions that do not relate to the victim.

Confidentiality and Disclosure. In order to comply with FERPA and Title IX and to provide an orderly process for the presentation and consideration of relevant information without undue intimidation or pressure, the hearing process is not open to the general public. Accordingly, documents prepared in anticipation of the hearings (including the Complaint, the Investigative Report, the notices of hearing, and the pre-hearing submissions referenced above) and documents, testimony, or other information introduced at the hearings may not be disclosed outside of the hearing proceedings, except as may be required or authorized by law.

TIME PERIODS

The University will make every reasonable effort to ensure that the investigation and resolution of a Complaint occurs in as timely and efficient a manner as possible. The University’s investigation and resolution of a Complaint (including an appeal, if applicable) will generally be completed within 60 calendar days of the receipt of the Complaint, absent extenuating circumstances. Hearings, if at all, will take place after the conclusion of the investigation. If hearings have taken place, both the Complainant and the Respondent generally will receive a Final Outcome Letter within ten (10) business days of the conclusion of the hearing.

Any party may request an extension of any deadline by providing the Title IX Coordinator or his or her respective deputies with a written request for an extension that includes reference to the duration of the proposed extension and the basis for the request.

For purposes of calculating all time periods set forth in this Complaint and Grievance Policy, a business day is defined to mean normal operating hours, Monday through Friday, excluding recognized national and state holidays and University closings.

Timelines may be modified in cases where information is not clear, judged to be incomplete, relevant parties are not available for interview, and/or other related circumstances as may arise. The Title IX Coordinator may also modify any deadlines contained in this Policy as necessary and for good cause.

ACKNOWLEDGEMENT OF RESPONSIBILITY

At any time prior to the issuance of the Investigative Report or the date of his/her designated hearing, the Respondent may elect to acknowledge his/her actions and take responsibility for the alleged policy violation. In such situation, the Title IX Coordinator will propose sanction(s). If either party objects to the proposed sanction(s), they may appeal the sanction pursuant to this Policy.

NO RETALIATION

Retaliation against any person who files a Complaint, participates in an investigation, or opposes a discriminatory employment or educational practice or policy is prohibited. A person who believes retaliation has occurred should notify the Title IX Coordinator as soon as possible.

FALSE REPORTS

Willfully making a false report of sexual harassment is a violation of University policy and is a serious offense. Any person who willfully makes or participates in making a false or frivolous report of discrimination, harassment, retaliation or sexual misconduct will be subject to disciplinary action. False reporting may also violate state criminal statutes and civil defamation laws.

OFFICE OF CIVIL RIGHTS COMPLAINT

Although Complainants are encouraged to resolve their grievances related to discrimination by utilizing this Complaint/Grievance Procedure, they have the right to file a complaint directly with the U.S. Department of Education, Office for Civil Rights (OCR). Information regarding applicable timelines and procedures is available from OCR. You may call 1-800-421-3481 to obtain further information about filing a complaint with OCR.

EFFECTIVE DATE

The University reserves the right to make changes and amendments to this Policy as needed, with appropriate notice to the community. However, the Policy in force at the time that a Complaint is filed will be the Policy used throughout the investigation, hearing and any appeals that are heard.

DOCUMENTATION

The University will retain documentation (including but not limited to the written Complaint, notifications, the Investigative Report, any written findings of fact, petitions for appeal, any documents or evidence submitted by the parties, hearing transcripts or recording (if any) and any written communication between the parties), for at least three (3) years. Documentation pertaining to terminations, expulsions or educational sanctions may be retained indefinitely.

DEFINITION OF TERMS RELATED TO THIS POLICY

Complainant: Any party who makes a Complaint against a student, employee, staff member or campus visitor.

Consent: Consent is clear, knowing and voluntary. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable clear permission regarding willingness to engage in (and the conditions of) sexual activity.

If coercion, intimidation, threats, or physical force are used there is no consent. If a person is mentally or physically incapacitated or impaired so that such person cannot understand the fact, nature or extent of the sexual situation, there is no consent; this includes impairment or incapacitation due to alcohol or drug consumption, or being asleep or unconscious. Incapacitation is a state where someone cannot make rational, reasonable decisions because he or she lacks the capacity to give knowing consent. There is no consent when there is force, expressed or implied, or use of duress or deception upon the victim. Silence does not necessarily constitute consent. Past consent to sexual activities does not imply ongoing future consent. Whether an individual has taken advantage of a position of influence over an alleged victim may be a factor in determining consent.

Coercion is unreasonable pressure for sexual activity. Coercive behavior differs from seductive behavior based on the type of pressure someone uses to get consent from another. When someone makes clear to you that they do not want sex, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

Force is the use of physical violence and/or imposing on someone physically to gain sexual access. Force also includes overt threats, implied threats, intimidation and coercion that overcome resistance or produce consent.

Under Arkansas law, the age of consent varies with the degrees of assault, the age of the actor, and the relationship of the actor to the other party. For specific information, please refer to Arkansas statutes (e.g., Arkansas Code Annotated § 5-14-125, Sexual Assault in the Second Degree).

Sexual activity with someone known to be mentally or physically incapacitated, or based on the circumstances, or someone who could reasonably be known to be mentally or physically incapacitated, constitutes a violation of this Policy.

This Policy also covers a person whose incapacity results from mental disability, sleep, involuntary physical restraint,

or from the taking of rape drugs. Possession, use and/or distribution of any of these substances, including Rohypnol, Ketamine, GHB, Burundanga, etc. is prohibited, and administering one of these drugs to another person is a violation of this Policy. More information on these drugs can be found at <http://www.911rape.org/>

Use of alcohol or other drugs will never function as a defense to a violation of this Policy. Consent to any one form of sexual activity cannot automatically imply consent to any other forms of sexual activity. Previous relationships or prior consent cannot imply consent to future sexual acts.

Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the alleged victim. It includes any unwelcome physical violence such as hitting, pulling, shoving, kicking, biting or throwing things; and sexual assault, sexual exploitation and sexual harassment.

Discrimination (general definition): Conduct that is based upon an individual’s race, color, religion, national origin, service in the uniformed services (as defined in state and federal law), veteran status, sex, age, pregnancy, gender identity, sexual orientation, physical or mental disability or genetic information that excludes an individual from participation, denies the individual the benefits of, treats the individual differently or otherwise adversely affects a term or condition of an individual’s employment, education, living environment or participation in a University program or activity. This includes failing to provide reasonable accommodation, consistent with state and federal law, to persons with disabilities.

Discriminatory Harassment: Detrimental action based on an individual’s race, color, religion, national origin, service in the uniformed services (as defined in state and federal law), veteran status, sex, age, pregnancy, gender identity, sexual orientation, physical or mental disability or genetic information. Harassing conduct may take various forms, including, name-calling, graphic or written statements (including the use of cell phones or the Internet), or other conduct that may be physically threatening, harmful, or humiliating. Harassment does not have to include intent to harm, be directed at a specific target or involve repeated incidents. Gender-based harassment includes sexual harassment.

Domestic Violence: Physical harm, bodily injury, assault, or the infliction of fear of imminent physical harm, bodily injury, or assault between family or household members; or any sexual conduct between family or household members, whether minors or adults, that constitutes a crime under the laws of this state. Family or household members means spouses, former spouses, parents and children, persons related by blood within the fourth degree of consanguinity, any children residing in the household, persons who presently or in the past have resided or cohabited together, persons who have or have had a child in common, and persons who are presently or in the past have been in a dating relationship together. See also, Arkansas Code Annotated § 9-15-103—“Domestic Abuse”).

Hostile Environment: A hostile environment exists when there is harassing conduct based on race, color, religion, national origin, service in the uniformed services (as defined in state and federal law), veteran status, sex, age, pregnancy, gender identity, sexual orientation, physical or mental disability or genetic information that is sufficiently serious (i.e., severe, pervasive, or persistent) and objectively offensive to deny or limit a person’s ability to participate in or benefit from the University’s programs, services, opportunities or activities; or when such conduct has the purpose or effect of unreasonably interfering with an individual’s employment. Harassment that creates a hostile environment (“hostile environment harassment”) violates this Policy.

Non-Consensual Sexual Contact: Non-consensual sexual contact is any intentional sexual touching, however slight, with any object by a male or female upon a male or a female that is without consent and/or by force. Sexual Contact includes intentional contact with the breasts, buttock, groin, or genitals, or touching another with any of these body parts, or making another touch you or themselves with or on any of these body parts; any intentional bodily contact in a sexual manner, though not involving contact with/of/by breasts, buttocks, groin, genitals, mouth or other orifice.

Non-Consensual Sexual Intercourse: Non-consensual sexual intercourse is any sexual intercourse however slight, by

a male or female upon a male or a female that is without consent and/or by force. Intercourse includes vaginal penetration by a penis, object, tongue or finger; anal penetration by a penis, object, tongue, or finger; and oral copulation (mouth to genital contact or genital to mouth contact), no matter how slight the penetration or contact.

Respondent: The person(s) against whom a Complaint has been made.

Retaliation: Action taken by an accused individual or by a third party against any person because that person has opposed any practices forbidden under this Policy or because that person has filed a Complaint, testified, assisted or participated in any manner in an investigation or proceeding under this Policy. This includes action taken against a bystander who intervened to stop or attempt to stop discrimination, harassment or sexual misconduct. Retaliation includes intimidating, threatening, coercing or in any way discriminating against an individual because of the individual’s Complaint or participation. Action is generally deemed retaliatory if it would deter a reasonable person in the same circumstances from opposing practices prohibited by this Policy.

Sexual Assault: An actual or attempted sexual contact with another person without that person’s consent. Sexual assault includes, but is not limited to involvement in any sexual contact when the victim is unable to consent; intentional and unwelcome touching of, or coercing, forcing, or attempting to coerce or force another to touch a person’s intimate parts (defined as genital area, groin, inner thigh, buttocks, or breast); and sexual intercourse without consent, including acts commonly referred to as “rape.”

Sexual Exploitation: Occurs when a person takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or take advantage of anyone other than the one being exploited, and that behavior does not otherwise constitute one of the other sexual misconduct offenses. Examples of behavior that could rise to the level of sexual exploitation include, but are not limited to:

- invading sexual privacy;
- prostituting another person;
- non-consensual video or audio-taping of sexual activity;
- going beyond the boundaries of consent (e.g., allowing others to watch consensual sex without that party’s knowledge or consent);
- engaging in voyeurism;
- non-consensual distribution of photos, other images, or information of an individual’s sexual activity, intimate body parts, or nakedness, with the intent to or having the effect of embarrassing an individual who is the subject of such images or information;
- knowingly transmitting an STI, such as HIV, to another without disclosing your STI status;
- exposing one’s genitals in non-consensual circumstances or inducing another to expose his or her genitals;
- or
- possessing, distributing, viewing or forcing others to view illegal pornography, sexually-based stalking and/or bullying may also be forms of sexual exploitation

Sexual Harassment: Sexual Harassment is unwelcome, gender-based spoken, written or symbolic action or physical conduct that is sufficiently severe, persistent or pervasive that it has the effect of unreasonably interfering with, limiting or denying someone the ability to participate in or benefit from the University’s educational programs. The unwelcome behavior may be based on power differentials, the creation of a hostile environment or retaliation.

For the purpose of this Policy, sexual harassment includes stalking or repeatedly following, harassing, threatening, or intimidating another by telephone, mail, electronic communication, social media, or any other action, device or method that purposely or knowingly causes substantial emotional distress or reasonable fear of bodily injury or death. Sexual harassment also includes *quid pro quo* sexual harassment which exists when there are unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature and submission to or rejection of such

conduct results in adverse educational or employment action. Not all workplace or educational conduct that may be described as “harassment” affects the terms, conditions or privileges of employment or education. For example, a mere utterance of an ethnic, gender-based or racial epithet which creates offensive feelings in an employee or student would not normally affect the terms and conditions of their employment or limits a student’s ability to participate in or benefit from the University’s educational programs or activities.

Sexual Misconduct: includes sexual assault, inducing incapacitation for sexual purposes, sexual exploitation and dating and domestic violence.

Status: A full-time employee of the University will be considered an “employee” for the purposes of this Policy, regardless of whether he/she is also enrolled as a student. Any student who is a part-time employee will be considered a “student” for the purposes of this Policy unless the incident under consideration occurred in connection with his/her employment.

Stalking is repeated or obsessive unwanted attention directed toward an individual or group that is likely to cause alarm, fear, or substantial emotional distress. Stalking may take many forms, including following, lying in wait, monitoring, and pursuing contact. Stalking may occur in person or through a medium of communication, such as letters, e-mail, text messages, or telephone calls. In some circumstances, two instances of such behavior may be sufficient to constitute stalking.

1.5 DRUG-FREE WORKPLACE POLICY STATEMENT

It is the policy of the University of Arkansas at Pine Bluff that the unlawful manufacture, distribution, possession or use of drugs, or any controlled substance while performing work for, or matriculating at, or on the properties of the University of Arkansas at Pine Bluff is prohibited. Any student, employee (including administrators, faculty and staff) or campus visitors, determined to have violated this policy, will be subject to appropriate disciplinary action up to and including expulsion, termination and/or referral for criminal prosecution. The use of alcohol while on the properties of the University of Arkansas at Pine Bluff is prohibited unless authorized by applicable policies of the University.

1.6 SMOKING POLICY

The University is designated a smoke-free campus. The smoking policy at UAPB is as follows: Smoking is NOT ALLOWED on University property at any time.

1.6.1.A HOVERBOARDS/ELECTRONIC SKATEBOARDS POLICY

It is the policy of the University of Arkansas at Pine Bluff to prohibit the use, possession or storage of Hoverboards/electronic skateboards including self-balancing boards/scooters, and other similar equipment on the property or grounds at UAPB.

This policy shall apply to all persons present on property controlled by the University. University property shall include classrooms, residence halls, common areas, offices, administrative buildings, all open space on the campus, all dining rooms and snack bars, all hallways, stairwells, lounges, bathrooms, parking areas, sidewalks, controlled or administered by the University, and all sports areas on and off campus in which events take place and all other property leased, rented, or licensed to the University.

Definition: Hoverboards/electronic skateboards including self-balancing boards/scooters, and other similar equipment are defined as a type of portable, rechargeable battery-powered scooter. They typically consist of two wheels arranged side-by-side, with two small platforms between the wheels, on which the rider stands. The device is controlled by the rider’s feet.

1.6.1.B BOARD POLICY 405.2 AUTHORIZATION TO OFFSET AMOUNTS DUE UNIVERSITY BY AN EMPLOYEE AGAINST AMOUNTS OWED BY UNIVERSITY TO THAT EMPLOYEE

The University shall have the right to set off against amounts due and payable to an employee, including a student-employee, by the University those liquidated amounts due and payable by the employee to the University for any reason, with the University then paying the net amount remaining to the employee in full satisfaction of his or her wages or other amount due, as follows:

1. If the amount owed by the employee to the University were the result of moneys advanced to the employee or misappropriation by the employee of money or personal property belonging to the University, the University may set off amounts owed to the University against all wages or other moneys owed to the employee.
2. In all other cases of setoffs against an employee's wages, the University may only set off amounts owed the University against those wages which are above the statutory minimum hourly wages.
3. If the amounts owed to student-employees constitute payments for work-study or are student loans under a program guaranteed or established by the U.S. Government, any set off shall be subject to laws and regulations governing those programs.
4. The University may set off amounts owed to the University against all sums owed to an employee other than wages, or student work-study or loan payments.

Subject to the above laminations, each Chancellor, through the business officers of that campus, may develop with an affected employee a repayment plan for successive offsets so that the entire amount owed to the University is not offset on a single occasion; provided, however, that no such plan shall be developed in the instance of any final settlement of accounts, such as where a final check for wages for a terminating employee may be involved.

This Board Policy shall be reflected in faculty, staff, and student handbooks. *January 20, 21995 (Revised)*

1.7 STUDENT RIGHTS UNDER THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Procedure For Disseminating Student

Information

"Family Educational Rights and Privacy Act of 1974 (FERPA) - A federal law designed to protect the privacy of educational records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate and misleading data through informal and formal hearings."

In accordance with the Family Educational Rights and Privacy Act of 1974, certain information pertaining to students may not be released to a third party without the written consent of the student. Therefore, the University of Arkansas at Pine Bluff hereby designates the following categories of student information as public or "Directory Information". Such information may be disclosed by the institution for any purpose, at its discretion:

CATEGORY I

Name, address, telephone number, dates of attendance, and classification.

CATEGORY II

Previous institution(s) attended, major field of study, awards, and honors (includes Dean's list), degree(s) conferred (including dates).

CATEGORY III

Past and present participation in officially recognized sports and activities, physical factors (height/weight of athletes), date and place of birth.

NOTE: Information pertaining to the students' academic status is CONFIDENTIAL, and should not be released without the written consent of the student (Example: transcripts, grade reports, grade point average, ACT scores, class rank and academic status.)

Currently enrolled students may withhold disclosure of any category of information under the Family Educational rights and Privacy Act of 1974, as amended. To withhold disclosure, written notification must be received in the Office of Academic Records/Registrar's Office prior to the last day to complete registration. Forms requesting the withholding of "Directory Information" are available in the Office of Academic Records/Registrar's Office located in the Administration Building. The University of Arkansas at Pine Bluff assumes that failure on the part of any student to specifically request the withholding of categories of "Directory Information" indicates individual approval for disclosure.

The University of Arkansas at Pine Bluff may disclose educational records without written consent of students to the following groups who have a "legitimate educational interest":

- Employees within the University of Arkansas at Pine Bluff who maintain educational records and those with a legitimate educational interest, including faculty or staff who deal with the student and carry out education studies, and employees designated by them to assist in these tasks.
- Any university employee, or person acting on behalf of the university, may have access to student records without the student's written consent if that person needs the access to carry out his/her employment responsibilities.;
- Officials of other colleges or universities in which the student seeks to enroll, with a notice of the disclosure being sent to the student's last known address;
- Organizations conducting studies approved by the University having educational value or concerning financial aid.
- Accrediting organizations approved by the University carrying out their accrediting functions;
- Parents who submit to the Registrar a copy of the first page of their most recent federal income tax form, indicating that their child/student is a dependent as defined by the internal revenue service.;
- Persons in compliance with a judicial order or a lawfully issued subpoena, with a notice of the disclosure being sent to the last known address of the student;
- Persons in an emergency if, in the judgment of an official in charge of the records, knowledge of the information is necessary to protect the health or safety of the student or other person.
- In addition, the University would release education records if ordered by a subpoena.
- The disclosure is to state or local educational authorities auditing or enforcing Federal or State supported educational programs or enforcing Federal laws which relate to those programs;
- The disclosure is in connection with determining eligibility, amounts, and terms for financial aid or enforcing the terms and conditions of financial aid;
- The information disclosed has been appropriately designated as directory information by the school.

Disciplinary Records

Provisions of the Family Educational Rights and Privacy Act of 1974, as amended by the Higher Education Amendments of 1998, govern access to a student's disciplinary file. The student and/or those College officials who

demonstrate a legitimate educational need for disciplinary information may have access to the student's disciplinary file. Parent, who provides proof that a student is a dependent as defined in Section 152 of the Internal Revenue Code of 1954, can have access to the student's disciplinary file without written consent of the student. An example of such proof would be a copy of the last federal income tax return listing the student as a dependent. In this case, parents may also have access to a disciplinary file, even if the student has requested otherwise. In addition, parent(s) may be notified if a student under 21 years of age is found responsible for a violation involving use or possession of alcohol and drugs.

The Campus Security Act permits higher education institutions to disclose to alleged victims of any crime of violence (murder, robbery, aggravated assault, burglary, motor vehicle theft) the results of the conduct proceedings conducted by the institution against an alleged perpetrator with respect to such crime. The Campus Security Act also requires that both accused and the accuser must be informed of campus conduct proceedings involving a sexual assault.

Additionally, the Higher Education Amendments of 1998 permit disclosure of the final results of disciplinary cases in which a student has been found responsible for a violation involving violence or for a sex offense.

Parental Access to Children's Education Records

At the post-secondary level, parents have a right to inspect their dependent child's education records. However, the University cannot assume the dependency status of all of our students and thus requires one of the following to release records to a student's parents:

- Written consent of the student; and/or
- Submission of evidence that the parents declare the student as a dependent on their most recent Federal Income Tax form (IRS Code of 1954, Section 152).

The Office of Academic Records/Registrar's Office has been designated as the official office to verify enrollment, release transcripts and grade reports, and to certify any information pertaining to the student's academic record.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

**Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, S.W.
Washington, DC 20202-4605**

University-wide Administrative Memorandum 515.1 is available on request in the main library on campus.

1.8 TECHNICAL SERVICES APPROPRIATE/ACCEPTABLE USE POLICY

Information technology (IT) has the ability to distribute and examine a vast array of material with unprecedented speed. One requirement however, remains constant: all information technology use must fully respect the rights of the University IT community members. This policy is designed to guide faculty, staff and students in the acceptable use of network and information systems provided by the University of Arkansas at Pine Bluff (UAPB). More importantly, it is meant as an application of principles of respect using UAPB computer resources, other computer users, and for the medium itself.

The UAPB community is encouraged to make innovative and creative use of information technologies in support of education and research. Consistent with other University policies, this policy is intended to respect the rights and obligations of academic freedom as well as to protect the resources of the University.

The University campus network is an open network and therefore cannot protect individuals against the existence or receipt of material that may be offensive to them. Those who make use of electronic communications are warned that they may come across or be recipients of material they find offensive. Those who use email and/or make information about themselves available on the Internet should be forewarned that the University cannot protect them from invasions of privacy and other possible dangers that could result from the distribution of personal information.

IT and network facilities of the University are finite and limited. These facilities should be used wisely and carefully with consideration for the needs of others. When used inappropriately or unlawfully, these tools can infringe on the rights of others.

Current use of IT parallels familiar activities in other media and formats and existing University policies already provide guidance. Using electronic media in the place of standard written correspondence, for example, does not fundamentally alter the nature of the communication, nor will it alter the nature of the communication, nor will it alter the guiding policies. University policies, which already apply to freedom of expression, privacy and related matter, apply to electronic expression as well. This IT Appropriate Use Policy addresses circumstances, which are new or at least unfamiliar in the IT arena and augments rather than replace other applicable University policies.

1.8.1 Definitions

UAPB IT Systems include the computers, terminals, printers, networks, and related equipment, as well as data files or documents residing on disk, **cloud solutions**, tape, or other media, which are owned, managed or maintained by Technical Services and/or faculty/staff of UAPB. For example, IT Systems include institutional and departmental systems, IT systems managed UAPB Technical Services, faculty research systems connected to the campus network, the campus telephone system, and the University’s campus network (which is designed and managed by Technical Services). Privately owned equipment, such as laptops, **iPads**, PDA’s and home computers are considered IT System if attached directly or remotely to the campus network and/or is used to access UAPB campus network.

A User is any person, whether authorized or not, who makes any use of any **UAPB IT System** from any location. For example, this definition includes persons who access IT facilities via an off campus electronic network, as well as those who use UAPB’s VPN access to connect a personal machine to any other networked system or service. An IT User is a user with authorization to access a UAPB IT System(s). IT Users include UAPB students, faculty members, staff members, and alumni or alumnae with accounts on **UAPB IT systems**.

A System Administrator is an individual with the authority to determine who is permitted access to a UAPB department system or server. For example, UAPB Director of Technical Services is the UAPB campus network system administrator.

Network Security Officer (NSO) is an individual charged with maintaining the security of the UAPB campus network and as such, has the authority to investigate security violations to ensure that security policy is compiled with.

1.8.2 Purpose

The purpose of IT is to further the research, education, and administrative function of UAPB. To achieve this purpose, these policies intend:

1. To ensure the integrity, reliability and performance of UAPB IT systems and network.
2. To ensure that the UAPB community of IT users utilize the campus IT facilities in a fair and equitable manner with respect for the rights of the community at large.
3. To ensure that IT systems and network are used for their intended purposes.
4. To establish sanctions and processes for addressing violations.

1.8.3 Scope

The IT Policy applies to all UAPB IT Systems owned, managed or administered by UAPB faculty, staff and students and any use of those systems. Many particular IT systems (UAPBs News and World Wide Web sites, campus email

services, etc.) have service-specific policies, which apply in addition to this policy. The policies described herein are those that the University uses in the normal operation of IT facilities and network. This document does not waive any claim that UAPB may have to ownership or control of any hardware, software, or data created on, stored on, or transmitted through UAPB IT systems and network.

1.8.4 Use of Information Technology Systems

1.8.4.1 Proper Authorization

Use of UAPB IT systems is restricted to authorized UAPB faculty, staff, alumni and students. The administrator of a campus system, server, and/or campus network component is the responsible **authority**, which grants authorization for system and access.

1.8.4.2 Appropriate/Acceptable Use

UAPB IT Systems and network may be used only for their intended authorized purposes. For example, privately owned computers may not host sites for non-UAPB organizations across the IT manage UAPB network without specific authorization.

1.8.4.3 Commercial Use

Without specific UAPB administration authorization, activities using IT Systems and network for non-UAPB commercial purposes are prohibited. This is not meant to restrict normal communications and exchange of electronic data, consistence with the University’ education, clinical, and research roles, that may have an incidental financial or other benefit for an external organization. For example, it is appropriate to discuss products or services with companies doing business with UAPB or to contribute to fact focused discussion relating to commercial products.

1.8.4.4 Vendor Contracts

All use of UAPB IT Systems and network must be consistent with all contractual obligations of the University, including limitations defined in software and other licensing agreements.

1.8.5 Privileges for IT Users

1.8.5.1 Free Inquiry and Expression

UAPB IT Users are afforded free inquiry and expression consistent with the purposes of the University.

1.8.5.2 Reasonable Confidentiality

UAPB IT Users can expect reasonable confidentiality for particular data. Systems Administrators will identify categories of data, which will be managed as confidential on a particular IT system and they will make all reasonable efforts to maintain the confidentiality. However, limited risks do apply to confidentiality of that data, for example to technical limitations, software bugs, and system failures. System Administrators will take reasonable steps to inform IT Users of the limit to confidentiality for their respective IT Systems. IT Users are expected to become familiar with those limits and risks of confidentiality and to manage their confidential data accordingly. Confidentiality of data must comply with the State of Arkansas Freedom of Information Act. **UAPB IT USERS SHOULD HAVE NO EXPECTATION OF PRIVACY.**

1.8.6 Responsibilities for All Users

1.8.6.1 Unauthorized Use

Users must not permit or assist any unauthorized person to access IT Systems. For example, any non-UAPB organization or individual without appropriate authorization may not use UAPB IT Systems. Each campus user must have and use a unique logon/password to a campus IT system. Multiple user logons or passwords are in violation of this policy.

1.8.6.2 Security Users must not defeat or attempt to defeat any UAPB IT System’s security, for example, by “cracking” or guessing user identifications or passwords, utilize software that will probe a network user system, or a sniffer gathering logon/password data.

1.8.6.3 Unauthorized Data Access

Users must not access or attempt to access data on an UAPB IT System they are not authorized to access. User must not make any deliberate, unauthorized changes to data on an IT System. Users must not intercept or attempt to intercept data communications not intended for that user’s access, for example network sniffing or wiretapping.

1.8.6.4 Concealed Identity

Users must not conceal their identity when using UAPB IT Systems. Users must use their own login ID and password.

1.8.6.5 Denial of Service

Users must not deny or interfere with or attempt to deny or interfere with service to other users, on campus or off campus, by means of “resource hogging,” deliberate distribution of computer worms or viruses, or modification of any IT system. Knowing or reckless distribution of unwanted mail or other messages is prohibited.

1.8.6.6 Copyright

Users must observe intellectual property rights including, in particular, copyright laws as they apply to software, licensing, and electronic forms of information.

1.8.6.7 Modification of Data or Equipment

Without specific authorization, users of UAPB IT Systems must not cause, permit, or attempt any destruction or modification of data or computing or communications equipment, including but not limited to alteration of data, reconfiguration of control switches or parameters, or changes in firmware. “Specific authorization” refers to permission by the owner or Systems Administrator of the equipment.

1.8.6.8 Personal Account Responsibility

Users are responsible for the security of their IT System accounts and passwords. Any user change of passwords must follow published guidelines. Accounts and passwords are assigned to single users and are not to be shared with any other person without authorization by the Systems Administrator. Changing another person’s password is considered a form of harassment and unethical behavior. Users are presumed to be responsible for any activity carried out under their IT System accounts.

1.8.6.9 Responsibility for Content

Representatives of IT publish “official” information in a variety of electronic forms. A statement of the Certifying Authority publishing the information will normally identify such official information. A Certifying Authority is that IT department or individual who certifies the accuracy of an electronic document and IT appropriateness for the conduct of IT business.

Users also publish information in electronic forms on IT equipment and/or over UAPBs networks. UAPB does not have any intention or opportunity to screen such private material and thus cannot assure IT accuracy or assume any responsibility for this material. Any electronic publication provided on or over UAPB equipment and/or networks, which is not legitimately identified by a Certifying Authority, is the private speech of an individual. Offensive content is to be reported to Technical Services for investigation.

1.8.6.10 Email Use

The University’s electronic mail facilities should not be used:

1. To send unauthorized mass mailings of any type.
2. To send rude, obscene, harassing, or illegal material, or material that in any way conflicts with the regulations of the University.

3. To send any material that in any way conflicts with state or federal laws.
4. To perform an operation or activity that degrades the performance of the UAPBs IT system and/or network.

1.8.6.11 Threat and Harassment

Users may not use a UAPB IT System to threaten or harass any person. A user must cease sending messages or interfering in any way with another user’s use of IT Systems if the aggrieved user makes a reasonable request for such cessation.

1.8.6.12 Removal of Equipment or Documents

Without specific authorization by the System Administrator, users must not remove any University-owned or administered equipment or documents from **an** IT System.

1.8.6.13 Foreign Devices

Without specific authorization by the System Administrator, users must not physically or electrically attach any foreign device (such as an external disk, printer, network sniffer, sniffer software, network monitoring software, modem, wireless access points, routers or video system) to an IT System. **Examples of Routers: Belkin, NetGear, Linksys, etc.**

1.8.6.14 Violations

Users must not conceal or help to conceal or “cover up” violations by any party. Users are expected to report any evidence of actual or suspected violation of this policy to the Systems Administrator of the facility most directly involved. In case of doubt, the report should be made to Technical Services.

1.8.7 Information Technology Rights

1.8.7.1 Personal Identification

Users of IT Systems must show identification, including University affiliation, upon request by a System Administrator, Technical Services or other University authority.

1.8.7.2 Access to Data

Users must allow systems administration personnel access to data files on IT Systems for the purpose of making backups, diagnosing systems problems and investigating policy and/or campus network security violations.

1.8.7.3 Oversight Authority

Technical Services is authorized to investigate alleged or apparent violations of UAPB IT policy or applicable law involving IT Systems and/or network using whatever means appropriate. Technical Services will maintain a log and incident reporting of all such incidents. Any emergency action will be logged and security incident appropriateness reviewed after the fact.

1.8.7.4 Enforcement Procedures

The University may restrict the use of IT and network systems when faced with evidence of violation of University policies, federal or local laws. The University reserves the right to limit access to its networks and IT systems. The University may limit access to material posted on University owned IT systems that is deemed inappropriate or not in keeping with the educational, research and community service missions of this University.

Systems Administrators are authorized to apply certain penalties to enforce applicable policies. Such penalties include temporary or elimination of access privileges, which may apply to networks and other IT services or facilities.

When a Systems Administrator believes it necessary to preserve the integrity of facilities, user services, or data, he or she may suspend any account, whether or not the account owner (the user) is suspected of any violation. The System Administrator will attempt to notify the user of any such action. If, in the opinion of the Systems Administrator, the

violation warrants action beyond a System Administrator’s authority, he or she may refer the case to other authorities, such as the University disciplinary body appropriate to the violator’s status, or to an employee’s supervisor.

SOCIAL MEDIA POLICY

1.8.7.5 Purpose

This Policy is intended to provide the University of Arkansas at Pine Bluff students with guidelines for appropriate online activity. Although this Policy cannot address every instance of inappropriate social media use, it is intended to offer guidelines to UAPB IT community members, thereby helping to avoid potentially costly mistakes online. The nature of the Internet is such that what you “say” online will be captured forever and can be transmitted endlessly without your consent or knowledge. Students should remember that any information that is shared online instantly becomes permanent and public.

1.8.7.6 Scope

This Policy applies to all UAPB IT users for the use of the Internet, including participation in and use of social media, regardless of whether such use occurs in the workplace, classroom, labs, library, resident hall, or off campus and regardless of whether such use involves the University of Arkansas at Pine Bluff’s electronic equipment or other property.

1.8.7.7 “Social Media” Defined

Social Media are online platforms and tools used for interaction between groups of people to share content, profiles, opinions, insights, experiences, perspectives, and media itself. The rapid speed at which technology continuously evolves makes it difficult, if not impossible, to identify all types of social media. By way of example, social media includes: (1) social-networking sites (i.e. Facebook, LinkedIn); (2) blogs and micro-blogs (i.e. Twitter, Blogger); (3) content-sharing sites (i.e. Google+, SlideShare); and (4) images sharing sites (i.e. PhotoBucket, YouTube). This list is for illustrative purposes only, however, and all online activity is governed by this Policy.

1.8.8.8 Application of Other Policies

All of the University of Arkansas at Pine Bluff’s students policies apply to conduct that occurs online in the same way that they apply to conduct that occurs in the workplace, classroom, labs, library, resident halls or off campus use.

1.8.8.9 Association with the University of Arkansas at Pine Bluff

Users who identify themselves online as being associated with the University of Arkansas at Pine Bluff must comply with the rules set forth in this section. Federal law requires that, when endorsing or promoting the university, the user must disclose his or her affiliation with (i.e., a student at), the University of Arkansas at Pine Bluff. Thus, although the University of Arkansas at Pine Bluff appreciates the loyalty and enthusiasm of its users, individuals must disclose their affiliation if they endorse the University of Arkansas at Pine Bluff online. If you disclose your affiliation or relationship with the University of Arkansas at Pine Bluff, for example in your online profile, you must use an appropriate disclaimer to make clear that you are speaking only on behalf of yourself and not on behalf of or as an agent of the University of Arkansas at Pine Bluff. An example of an appropriate disclaimer follows:

The opinions and viewpoints expressed are those of the author and do not necessarily represent the position or opinion of the University of Arkansas at Pine Bluff.

To ensure continuity of the University of Arkansas at Pine Bluff’s message, users may not represent themselves to be speaking on behalf of the University of Arkansas at Pine Bluff unless expressly authorized to do so.

Respect university time and property. University computers and resources are reserved for university-related education and research.

1.8.8.10 Prohibited Conduct

Students are prohibited from engaging in any of the following in their online activities and posts using UAPB IT Systems resources:

- Making any false or misleading statements;
- Promoting or endorsing violence;
- Promoting illegal activity, including the use of illegal drugs;
- Directing any negative comment towards or about any individual or group based on race, religion, gender, disability, sexual orientation, national origin, citizenship, or other characteristic protected by law;
- Disclosing any confidential or proprietary information belonging to the University of Arkansas at Pine Bluff.
- Posting, uploading, or sharing any recording or images (including audio, pictures, and videos), taken in the workplace or at any University of Arkansas at Pine Bluff-sponsored event without express advance authorization.
- Do not use the University of Arkansas at Pine Bluff’s name to promote a product, cause, political party or candidate.

Nothing in this Policy is intended to or will be applied in a manner that limits students’ rights to engage in academic freedom in accordance to Technical Services Appropriate Acceptable Use Policy.

1.8.8.11 Duty to Report

Users have an ongoing duty to report any violations of this policy by any other users. The University of Arkansas at Pine Bluff considers the duty to report to be a critical component of its efforts to ensure the safety of its users and to preserve the University of Arkansas at Pine Bluff’s reputation and goodwill in the community. Therefore, any user who fails to report any conduct that reasonably appears to be in violation of this policy may be subject to discipline for such failure.

University of Arkansas at Pine Bluff prohibits taking negative action against any user for reporting a possible deviation from this policy or for cooperating in an investigation. Any user who retaliates against another user for reporting a possible deviation from this policy or for cooperating in an investigation will be subject to disciplinary action, up to and including expulsion.

1.8.8.12 Questions About This Policy

Social media changes rapidly and there will likely be events or issues that are not addressed in this policy. If, at any time, you are uncertain about the application of this policy or if a question relating to the appropriate use of social media arises that is not fully addressed by this policy, you should seek the guidance of the appropriate person *before* posting or otherwise engaging online. When in doubt, users always should ask for guidance first because, once the information is online, it can never be deleted.

An assembly area will be established at the HPER Complex, located in the NW portion of the campus at 1500 North Spruce Street (#26 on campus parking map included at the end of the manual). Students/staff/faculty without transportation should go there if evacuation is recommended. The evacuation map shows the location of zone G that contains UAPB. The primary evacuation route is the quickest way to Hwy 79N to Stuttgart, and destination reception center is Grand Prairie War Memorial Auditorium, 600 W. 20th Stuttgart, AR. The alternate evacuation route is the

quickest way to Hwy 79S to Rison, and destination reception center is Rison Public School, 700 Main (Hwy 35S), Rison, Arkansas.

The Chancellor, in coordination with Jefferson County officials, has overall responsibility and authority for decisions relative to sheltering, evacuation, and school closing during an incident at UAPB. In the event an evacuation is necessary, UAPB will offer to assist in matching students/staff/faculty without transportation with those who are willing to car pool in an emergency. The Traffic Control Coordinator will identify control points to be implemented and assign security staff to perform this function. The Transportation Coordinator will determine the need for additional resources and secure them, through the Chief of University Police, from the county. Also, coordination of resources, staff, and activities at the assembly area is a part of the Transportation Coordinator’s function.

1.10 Campus Safety and Security

1.10.1 Closed Circuit TV Security System

For safety and security enhancements, the University is current installing surveillance cameras throughout the campus. These cameras will provide Campus Police, and other designated offices on-site surveillance areas on campus, such as parking lots, building entrances and streets. Upon completion, over 150 cameras will be installed giving Campus Police surveillance of the entire campus. The digital images can be retrieved and reviewed for investigative and other official purposes.

1.10.2 Wall Mounted Emergency Blue Light Phone System

The University is also installing emergency phones in various locations across campus. These emergency phones dial directly to Campus Police, giving them instant notification of the caller’s location in the event of an emergency. The individual activating the system will be able to communicate with Campus Police through a speakerphone located in the unit. Currently, these emergency phones are located in nine (9) different areas, including the Student Union, Administration Building, Harold Complex, Hunt Hall, Stadium, Academic Center I, JBJ Housing Complex and the Library. Please note, these Blue Light Emergency Phones are for emergencies only. Individuals tampering or playing with these phones will be subject to disciplinary action.

1.10.3 RAVE Alert – The RAVE Alert

System is utilized to broadcast EMERGENCY NOTIFICATIONS to students and employees in the event of emergency. Users can register to receive EMERGENCY NOTIFICATION by selecting sign up for Rave alerts on the UAPB Home page or by going to www.getrave.com/login/uapb.

1.11 CHILD CARE SERVICES

The UAPB Child Development Center is a state licensed early childhood program providing services for children 12 months to 5 years of age. The Center has been designated a Better Beginning Level Three program, which is reserved for programs that voluntarily exceed minimum standards and operate at the highest level of quality recognized in the State. The center serves as a laboratory for experiential learning for students majoring in Human Development and Family Studies and other disciplines on the UAPB campus as well as Southeast Arkansas College Early Childhood Education students. The program conducts evaluation in health and human development to continue to build the evidence base for best practice. The early childhood services are available for students, faculty, staff as well as the general public on a first come first serve basis. The fee for infant care is \$85.00 per week and the fee for toddlers is \$95.00 per week. The preschool program is \$85.00 per week. We do accept voucher funding.

The Child Development Center offers federal and state scholarships for infants and toddlers and for children who are three and four years old prior to the State Education Department’s cutoff date for kindergarten. These slots are provided by the Administration for Children and Families (Office of Head Start), Arkansas Better Chance (ABC) and state voucher funding. Families qualify for these slots based on the household income. Applications may be picked up in the Child Development Center located directly behind Adair-Greenhouse Human Sciences building or the main Human

Sciences office. The hours of operation are 7:30 a.m. to 5:30 p.m., Monday-Thursday and 7:30 a.m. to 4:00 p.m. on Fridays. 2.0 ACADEMIC REGULATIONS AND GUIDELINES

2.1 CHANGES IN UNIVERSITY ACADEMIC POLICIES

The University reserves the right to change the regulations for admission to, instruction in, and graduation from the University and to change other regulations affecting the student body at any time. New regulations go into force whenever proper authorities determine they are needed and apply both to prospective students and to those matriculating at the time.

Curriculum changes, however, will not affect full-time students who have declared and are pursuing a major. Providing enrollment continues without interruption, these students shall continue to pursue the curriculum as identified in the catalog existent at the time they declared their majors. Changes in state certification requirements and state laws, however, may alter curriculum offerings and requirements for graduation, regardless of when a student entered a given curriculum.

2.2 CLASS ATTENDANCE

Class attendance and participation are essential to successful completion of any course. Students are encouraged to pursue the full academic experience which can best be achieved by attending classes on a regular basis. Failure to become fully engaged in the instructional experience via regular class attendance diminishes the learning outcomes and the student’s chances for success. Students are expected to be diligent in the pursuit of their education and are responsible for all materials covered or homework assignments given during any absence.

2.2.1 CENSUS VERIFICATION PERIOD

The Arkansas Department of Higher Education defines an enrollment verification census period. This period begins on the first day of class and extends for five class periods during the summer sessions and eleven class periods during the fall and spring semesters. Students who are cited for non-attendance during the enrollment verification period may be administratively dropped from the course and not allowed re-enrollment.

2.3 INCOMPLETE GRADE (“I”)

1. Incomplete grades indicate that the student has not met specific requirements in a course and not that the student needs to repeat the entire course.
2. The instructor will report an “I” only for a student who is passing, who can complete the assignments without additional instruction, and who can present a valid reason for not completing the work during the semester.
3. The student must petition the instructor, in writing, for an incomplete grade, “I”, on or before the day of the final examination. **The student must fulfill necessary requirements of the course by the end of the semester immediately following the semester in which the “I” was incurred.**
4. The instructor must complete AA Form 11B (Report of “I” grade) and file a copy in the department chairperson’s office along with a copy of the student’s petition. This form must include the signature of the instructor, the specific requirements to be completed, and a pre-calculated grade in the **event that** student does not fulfill the necessary assignments for the completion of the course.
5. The instructor, or the departmental chairperson, in the absence of the instructor, is responsible for reporting the final grade change to the Office of Academic Records. The instructor should secure an “Incomplete” grade report form from the departmental chairperson or the **Office of Academic Records** and submit the form personally to Academic Records. Students are not permitted to have access to Change of Grade forms. If the grade is not changed by the instructor **by the end of the following term in which the “I” was incurred**, the departmental chairperson will submit the “Change of

Grade” form with the pre-calculated grade as indicated **on the accompanying** AA form 11B to Academic Records.

NOTE: A student should not re-register for a course in which a grade of “I” was awarded.

2.4 Academic Jeopardy, Probation, Suspension, and Readmission Policy

To remain in good academic standing, students must maintain a 2.00 cumulative grade point average. Students are in **academic jeopardy** when their cumulative grade point average falls below 2.00, **but above** the average commensurate with the ‘hours attempted range’ as specified in **Table 1**.

The University places students on **academic probation** when their cumulative grade point average falls **below** the average commensurate with the ‘hours attempted range’ as specified in **Table 2**. The course load for students on academic probation may not exceed 13 credit hours.

The University places students on **academic suspension** when their cumulative grade point average falls below the average commensurate with the ‘hours attempted range’ as specified in **Table 2 for two consecutive semesters**. The period of academic suspension is one semester. Students are not eligible to transfer credits taken during a Fall or Spring term at another institution back to UAPB while on academic suspension.

Table 1.

| Hours Attempted | Cumulative GPA |
|------------------------|-----------------------|
| 0 – 16 | 1.50 |
| 17 – 32 | 1.65 |
| 33 – 48 | 1.75 |
| 49 – 64 | 1.83 |
| 65 – 80 | 1.90 |
| 81 – 96 | 1.96 |
| 97 and above | 2.00 |

Table 2.

| Hours Attempted Hours | Cumulative GPA | Maximum |
|----------------------------------|-----------------------|----------------|
| 0 – 16 | 1.50 - 2.00 | 13.00 |
| 17 – 32 | 1.60 - 2.00 | 13.00 |
| 33 – 48 | 1.70 - 2.00 | 13.00 |
| 49 – 64 | 1.80 - 2.00 | 13.00 |
| 65 – 80 | 1.90 - 2.00 | 13.00 |
| 81 – 96 | 1.90 - 2.00 | 13.00 |
| 97 and above | 2.00 | 13.00 |

Students, placed on academic probation for the prior term (regardless of the **recalculated GPA** illustrated on the transcript due to **repeated courses not passed**), that earned less than a **term GPA of 1.50** in the subsequent term will be placed on academic suspension.

Students appealing academic suspension must meet with the Student Academic Appeals Committee for review and reconsideration of enrollment. Students placed on academic suspension are informed of appeal dates and location

prior to registration. If allowed to re-enroll by appeal, students must earn a **2.00 term GPA**. If denied by the committee, students may petition to the Vice Chancellor for Academic Affairs for final disposition.

Students, who have finished their first period of academic suspension, will be required to report to the Student Success Center **prior to registering**. These students will be on academic probation and limited to a maximum academic load of 13 credit hours.

2.5 GRADING SCALE

| Grade | Grade Points | per hour |
|---------------------------------------|--------------|---------------------------------|
| A (90-100). (Excellent) | | 4 |
| B (80-89)... (Good) | | 3 |
| C (70-79)... (Fair)..... | | 2 |
| D (60-69)... (Poor but Passing) | | 1 |
| I..... | | (Incomplete) |
| W..... | | (Withdrawal) |
| F..... | | (Failure) |
| X..... | | (Audit, carries no credit) |
| R..... | | (Repeated, carries no credit) |
| UF..... | | (Unofficial Withdrawal/Failure) |

Grade Point Averages

1. Term: To compute term grade point average, divide the total term points by the total credits **attempted** for the term. Do not include “W” (withdrawn) grades.
2. Cumulative: To compute the cumulative grade point average; divide the total overall points by the total credits **attempted overall**. Do not include “W” (withdrawn) grades.
3. For the purposes of ranking, and to determine the student’s cumulative grade point average, the University computes all transfer credits (pass or fail).

2.6 UNDERGRADUATE ACADEMIC TERM HONORS

| | |
|------------------------|-----------|
| Chancellor’s List..... | 4.00 |
| Dean’s List..... | 3.50-3.99 |
| Honor Roll..... | 3.25-3.49 |

Honor Roll 3.25-3.49 For term honors, the minimum grade point average earned for the term is 3.25, a **minimum of 12 credit hours earned** exclusive of remedial courses. **Any student making a grade of “D”, “F”, or “I” is not included on the Chancellor’s List, Dean’s List, or Honor Roll.**

Annual honors citations are based upon **cumulative grade point averages and academic load**. **Honors are not recognized for non-degree seeking or special students.**

2.7 UNDERGRADUATE HONORS RECOGNIZED DURING COMMENCEMENT

Students receiving baccalaureate degrees with high scholastic averages receive the following citations:

| | |
|-----------------------|-----------|
| Summa Cum Laude | 3.75-4.00 |
| Magna Cum Laude | 3.50-3.74 |
| Cum Laude..... | 3.25-3.49 |

The University uses the student’s total academic life, including transfer credits if applicable, in computing the grade point average for honors. The Chancellor’s Medallion is awarded to the most outstanding honor graduate in each school.

2.8 STUDENT ADVISEMENT

Each student is urged to seek guidance on course selections and to review policies and degree requirements each registration period with an academic advisor. Academic advisors are available to assist students in a timely and accurate manner.

However, meeting requirements for graduation is the responsibility of the student.

2.9 REPEATING COURSES

When a student repeats a course, the highest grade earned in the course will be used when computing the student’s average. A student may repeat for credit to improve his grade point average any course in which the final grade is “D” or less.

2.10 SCHEDULE CHANGE (DROPPING AND ADDING)

1. A student wishing to make a schedule change must get approval from the academic advisor and the departmental chairperson. A student dropping a course must secure approval from the instructor, the academic advisor, and the departmental chairperson.
2. Closed course petition cards must be approved for admittance to courses that are closed for capacity. Students must obtain permission from the Instructor and the Chairperson of the department in which the course is offered. Their departmental chairperson or advisor is also required to sign the petition.
3. Students are required to pay a fee as indicated on the schedule of tuition and fees for each course change. Instructors are not permitted to report grades for a student who attends a class in which that student is not officially enrolled. Students who stop attending class and do not officially withdraw from or drop the course will receive a final grade of “UF”.
4. A student may drop one or more courses in accordance with established term dates as published in the academic calendar and receive a final grade of “W”.
5. Schedule changes for students enrolled in on-line courses only:
 - a. Schedule changes may be made via **Web-Advisor** anytime during the registration period.
 - b. **After the close of registration, only drops are permissible and cannot be done via Web-Advisor. Please fax a statement to the Registrar’s Office/Academic Records (870-575-4608).**
 - c. The following information must be submitted for each class to be dropped.
 - Course Title
 - Course Number and Section
 - Instructor
 - Your UAPB ID Number
 - Your UAPB E-mail Address
 - Your Signature and Current Date (Specifically required)
 -

Note: If you are dropping all of your classes, you must request to be withdrawn for the specific term in which you are enrolled (i.e., Fall 2014, Summer I, etc.). See Section 2.12, Withdrawal From the University.

2.11 WITHDRAWAL FROM THE UNIVERSITY

2.11.1 General Withdrawal

Students who complete the registration process and decide to withdraw later must complete the following steps prior to exiting the University:

1. Secure official withdrawal forms from the Office of **Student Success Center**.
2. Obtain signature from their academic advisor or chairperson.
3. Obtain signature from the Office of Student Financial Services.
4. Obtain signature from Vice Chancellor for Academic Affairs.
5. Return official withdrawal forms to the Office of Academic Records.

Note: International students must also secure clearance from the UAPB Designated School Official after signature from Student Financial Services.

Students **enrolled in online courses only or those** away from campus must submit a letter requesting withdrawal from the University. The withdrawal notification must be submitted to the Office of Academic Records by letter or by fax. Students who fail to withdraw officially will receive failing grades in all courses, which may jeopardize their future eligibility to receive financial aid. They also will be charged fees and tuition in accordance with the fee schedule in effect.

2.11.2 Withdrawal For Medical Reasons

Students with certain physical, psychological, or emotional health conditions may be subject to involuntary withdrawal from the university with an order to leave the campus. This may be imposed when there is clear and convincing evidence that:

1. The student’s current state of physical health poses a substantial danger to the health or well-being of other members of the university community; or
2. The student is suffering from a mental disorder and, as a result of that disorder, engages or threatens to engage in behavior which:
 - a. poses a substantial danger or risk of causing harm to the student or others;
 - b. poses a substantial danger or risk to university property, or to the property of another member of the university community; or
 - c. engages in conduct which substantially impedes or disrupts the authorized activities of other members of the university community.

Students involuntarily withdrawn from the university must be cleared through the Division of Student Affairs before being re-admitted.

2.12 TRANSCRIPT REQUEST

Students may request their transcript in one of three ways:

Electronically:

For convenience, students may request your transcript on-line (www.uapb.edu) and pay with a credit card or debit card. Look for the ‘transcript request’ link on the homepage and follow the instructions. The fee is \$6.25 per copy.

Written Request:

Students must submit a written request containing their social security number OR UAPB ID#; date of birth; year of graduation OR last term of attendance; any former names used; and the address of the recipient. The fee is \$4.00 per copy. Requests should be mailed to Academic Records, Mail Slot 4983, 1200 North University Drive, Pine Bluff, AR 71601.

In Person:

Students may request a transcript in person between 8:30 a.m. and 4:00 p.m. by visiting Academic Records, Administration Building – Room 220. The fee is \$4.00 per copy. The processing fee for emergency (same day) transcripts is \$8.00 per copy. Students requesting transcripts must present photo identification.

Please allow up to 2 or 3 business days for processing. During peak periods in the office, the processing time may be longer. If you have any questions regarding the information above please call the transcript processors for assistance. 870-575-7169 or 870-575-7220. The University conforms to Act 351 of the State of Arkansas (1991), which “prohibits the making, forging, or counterfeiting of a transcript, diploma, or grade report.”

2.13 STUDENT ACADEMIC GRIEVANCE PROCEDURES

It is the policy of the University that a student may have prompt and informal resolution of his or her grievance and that resolution is accomplished under orderly procedures.

2.13.1 Disputed Grades

A student’s grade should represent the instructor’s good faith judgment of the student’s performance in the course based on the informed use of appropriate measurement and evaluation instruments. If a student disagrees with a grade he/she has received, the following procedure should be followed until the problem is resolved. These steps must be followed in order and appropriate documentation of each step (including notation of the date, time, location, length, content and final outcome of the discussion) must be provided in order to proceed to the next step.

1. The student should discuss the disputed grade with the instructor of the course. This should normally take place during the instructor’s posted office hours.
2. If the dispute is not resolved in step one, the student should request a meeting with the chairperson of the department offering the course. The instructor of the course will also attend the meeting.
3. If the dispute is not resolved in step two, the student should request a meeting with the dean of the school offering the course. The instructor of the course and the instructor’s chairperson will also be present.
4. If the dispute is not resolved in step three, the student should request a meeting with the Vice Chancellor for Academic Affairs. The instructor of the course, the instructor’s chairperson, and the dean of the school offering the course will also be present. The decision of the Vice Chancellor for Academic Affairs is final and no further appeal is possible.

2.13.2 Other Academic Grievances

A student may have a grievance against an instructor which goes beyond a dispute over the grades received in a course. Such grievances might involve allegations that the instructor is harassing the student, practicing extortion; not meeting his/her classes or is generally incompetent. For such non-grade oriented grievances, the following procedure should be followed until the problem is solved. These steps must be followed in order and appropriate documentation of each step (including notation of the date, time, location, length, content and final outcome of the discussion) must be provided in order to proceed to the next step.

1. The student should make the grievance known to his/her instructor

2. If the grievance is not resolved in step one, the student should request a meeting with the chairperson of the department offering the course. The instructor will not be present at this meeting, but a follow-up meeting will be scheduled with the instructor and the chairperson.
3. If the grievance is not resolved in step two, the student should request a meeting with the dean of the school offering the course. The chairperson and the instructor of the course will also be present at this meeting.
4. If the grievance is not resolved in step three, the student should request a meeting the Vice Chancellor for Academic Affairs. The dean of the school offering the course will schedule a follow-up meeting with the instructor, the instructor’s chairperson, and the **dean** of the school in which the student is enrolled.
5. If the grievance is not resolved in step four, the student should request a meeting with the Chancellor. The Vice Chancellor for Academic Affairs will also attend this meeting. The Chancellor will schedule a follow-up meeting with the instructor, the instructor’s chairperson, the instructor’s dean and the Vice Chancellor for Academic Affairs. The Chancellor also has the option of empowering a panel of professors to review the allegations made by the student, render a judgment, and recommend an action for the Chancellor to implement. The decision of the Chancellor will be final.

2.14 ACADEMIC RIGHTS IN THE CLASSROOM

1. Without fear of penalty, the student shall be free to take reasonable exception to data and view offered in the classroom.

6. The student has the right to be governed by educationally justifiable regulations.
7. The student has the right to a classroom environment free from distractions and annoyances.

2.15 CLASSROOM FREEDOM AND RESPONSIBILITY

Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students, and the general well-being of society. As members of the academic community, students should develop the capacity for critical judgment and engage in a sustained and independent search for truth. Free inquiry and free expression are indispensable to the attainment of these goals. Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus, and in the larger community. Students should exercise these freedoms with responsibility. Students are free to take reasonable exception to the data or view offered in any course of study and to reserve judgment about matters of opinion. Students are, however, responsible for learning the course content required for successfully completing the course.

2.16 UNIVERSITY POLICY ON DISRUPTIVE BEHAVIOR

Academic excellence demands that students maintain appropriate behavior and decorum in the classroom at all times. The University of Arkansas at Pine Bluff will not tolerate disruptive behavior by students. When the student is judged to have engaged in disruptive behavior, the instructor shall initiate the following procedures:

1. Instructor will request the student to discontinue the disruptive action.
2. If the behavior continues, the instructor will instruct the student to leave the classroom. University Police will be called to remove the student if he or she does not leave.
3. An incident report will then be completed by the instructor and filed with the Dean of Students and a copy sent to the Vice Chancellor for Academic Affairs and the Vice Chancellor for Student Affairs.
4. Upon receipt of the incident report, and including the student’s comments, the Dean of Students shall investigate the matter and take appropriate disciplinary action.
5. The accused student must secure written permission of the Dean of Students in order to return to class. The instructor will be informed of the disciplinary action.
6. Disciplinary action can include being administratively dropped from the class.

2.16.1 ACADEMIC INTEGRITY POLICY

As an institution of higher education, the University of Arkansas at Pine Bluff upholds academic integrity as the guiding principle in an individual, or in a collective body of work to represent one’s own intellect and creativity. Academic integrity and intellectual honesty are reflected in publishing and disseminating any body of work as it relates to the individualized efforts of students, faculty, and/or staff as demonstrated in scholarly works, creative activities, research, professional and community service in keeping with the mission of the University.

This document includes the guiding principle that governs any work occurring online, face-to-face in the classroom, in publications, or through any other media for academic progress. Moreover, this document contains the syllabus statement and guidelines for reporting infractions and compliance as an ongoing commitment to the University’s stance on academic integrity.

Definitions:

1. Academic Dishonesty, relating to students, is the act of engaging in misconduct during completion of any assignments, showing inadequate acknowledgement of source materials for term papers and publishing or disseminating other materials that show evidence of plagiarism.
2. Academic Integrity is the moral code or ethical policy of academia. It is being responsible for producing an original work, maintaining academic values void of cheating, or plagiarizing. Use of the work of others is acceptable only if it is properly documented.
3. Plagiarism is the act of representing or replicating another person’s work as your own or replicating your own previously published work (self-plagiarism).
4. Sanctions are imposed penalties for violations of academic integrity.

Academic Syllabus Statement: All members of the University community must promote academic integrity and share in the responsibility of maintaining such in all activities. Each student must follow his or her academic goals honestly and be personally accountable for all work submitted. To ensure that students are aware of the academic standards of the University the following statement shall be included in all course syllabi:

Academic integrity is the foundation of higher education and is a central component of a student’s education. Thus, all members of the university community must promote academic integrity and share in the responsibility of maintaining integrity in all activities. Each student must follow his or her academic goals honestly and be personally accountable for all submitted work. Cheating or representing another person’s work as one’s own is always unethical. For more comprehensive information on academic integrity, including categories of academic integrity and penalties, please refer to *The ROAR*.

Academic Integrity

Academic integrity is the foundation of a successful academic career and it is a prerequisite for any student who wants to receive a quality education that will serve as a basis for professional and personal success after graduation. In order for the University to succeed in its educational mission students, faculty, and staff must adhere to the highest standards of honesty, trust, fairness, respect, and responsibility in all of their dealings with each other. This concept demands that any student work presented truly represents the student's own honest effort and is the product of his/her own intellect and abilities. Students and faculty, alike, are required to avoid any acts which may subvert or compromise the integrity of the educational process, including the awarding of grades. These acts include, but are not limited to:

This includes the copying of homework assignments, taking examinations for someone else or allowing someone else to take examinations for you, and the purchase of another person's work to submit as your own.

Penalties for actions which violate Academic Integrity

Students who violate University rules on academic integrity will be subject to disciplinary sanctions (see below). 3.0 FINANCE AND ADMINISTRATION

Official communication to students from the Division of Finance and Administration will be through the student’s UAPB email account. Students are encouraged to check email on a regular basis to receive important information such as policy and procedure updates, award letter and other notifications, and requests for information. WebAdvisor is also a tool that should be used regularly to obtain information related to financial aid and student account activity. Additionally students may log on to [Financial Aid Checklist](#) and obtain up to date information on their financial aid status including requests for documents that may be needed in order to complete the financial aid process.

3.1 FINANCIAL OBLIGATIONS

Students must make satisfactory financial arrangements and be in good standing in order to complete registration. Payment for charges or satisfactory financial arrangements must be made each semester by the close of business on the 5th class day (2nd class day for summer sessions). Satisfactory financial arrangements include payment in full via cash, check, credit card (can be made online), financial aid, or enrollment in an installment payment plan administered by a third-party or a combination of the above. The installment plan is only available fall and spring semesters. Failure to satisfy payment arrangements by the deadline each enrollment period may be cause for course schedules to be voided. Email notifications are sent when such action is taken.

Before a student can view grades, receive transcripts, or re-enroll, the student account balance must be satisfied in full. It is a student’s responsibility to officially drop classes for which they no longer wish to attend and to also officially withdraw from the university if they decide they no longer wish to be enrolled at the university. If applicable, any adjustment to institutional charges will be reflected on the student’s account in accordance with the University’s Refund Policy.

3.2 CHECK CASHING

No certified checks, personal checks, money orders or cashier’s checks are cashed for students. Personal checks written to the school for payment must be made payable to the University of Arkansas at Pine Bluff or UAPB. All personal checks must be permanent and not temporary. The checks must have the check writer’s name, address and phone number printed along with the Driver’s License Number and/or State ID Number. Upon clearance and approval of the TeleCheck Data System the check/checks are then approved for payment.

3.3 REFUND POLICY

3.4 FINANCIAL AID

3.4.1 Application Process and Important Dates

UAPB encourages all students to apply for financial assistance to help fund the cost of their education. Students may apply for merit based assistance such as scholarships, for need based assistance such as grants, loans or work programs and for non-need based loans. All students applying for federal student aid must complete the Free Application for Federal Student Aid (FAFSA). Applicants must reapply for financial aid each year. April 15th is the priority filing date for our office. Following are the steps students should take when applying for financial aid:

1. Obtain a FSA ID at <https://fsaid.ed.gov/> for the student and the student’s parent if parent information is required on the FAFSA. The FSA ID is an electronic access code needed to submit the FAFSA, make corrections or request duplicate copies on the web without signatures; the FSA ID will also allow you to sign the FAFSA electronically.
2. Complete the FAFSA at www.fafsa.gov. Students can submit the FAFSA from any computer with Internet access. Filing online is the fastest way to file. Students who apply early and provide all required financial aid and admissions documents each year may be considered for maximum campus-based federal aid such as federal work study. Early completion may also ensure financial aid is awarded prior to the beginning of the semester when payment is due. A FAFSA cannot be completed later than June 30th each academic year of the student’s enrollment.

****New** - New federal regulations allow a FAFSA to be completed as early as October 1st each year preceding the academic year the aid will be needed. Ex. October 1, 2016 was the earliest date a student attending in 2017-18 could apply for federal financial aid. The income information and tax information from the previous two years (2015) is to be used for 2017-18. Beginning October 1, 2017 students may begin applying for federal financial aid for the 2018-19 academic year. The income information and tax information provided for 2018-19 will be from 2016. The new early application date does not however assure availability of financial aid awards this early.**

3. Once the University receives the results of the FAFSA, additional documents may be needed and will be requested at that time. Students are encouraged to respond to requests for information and documents from UAPB as soon as possible; receipt of documents within two weeks of the request will help minimize substantial delays in processing. Financial aid not finalized by the 5th class day

(2nd class day during summer sessions) will affect the student’s ability to make satisfactory payment arrangements with financial aid and will jeopardize their enrollment.

4. Once eligibility for financial aid has been determined, awards will be offered on an award letter listing the type and amount of any aid the student is eligible to receive. In order to accept or reject the awards offered, fully admitted students must access the award letter online under the Financial Aid heading on WebAdvisor for students. Award letters will not be mailed by the Office of Student Financial Services.

It is the responsibility of the student to ensure the degree plan in his/her major course of study is followed in order to meet the requirements for receipt of federal student aid. In addition, federal student aid regulations limit the number of times a student may repeat a course and receive federal financial aid for that course. As such, a student may only repeat a course for which a passing grade has already been received, one time and have it count as federal student aid enrollment. Once eligibility for the repeat has been exhausted, if the course is taken again, the credit hours will not count toward enrollment for federal student aid.

3.4.2 Available Financial Aid

The following federal Financial Aid is available for eligible students:

Federal Work Study Program (FWS)

Federal Supplemental Educational Opportunity Grant (FSEOG)

Federal Pell Grant

William D. Ford Federal Direct Loans (Subsidized, Unsubsidized, and Plus)

For more information, contact the Office of Student Financial Services, or visit the federal student aid website at www.FederalStudentAid.ed.gov.

3.4.3 Satisfactory Academic Progress (SAP) Policy

Academic success is important and necessary for students to receive federal Title IV financial aid. At the end of each semester (fall, spring and summer), a student’s academic record will be reviewed to verify satisfactory academic progress has been made toward earning a degree. Satisfactory academic progress requires a student to meet a grade point average requirement, course completion (pace) requirement, and maximum time frame requirement for degree completion. The policy applies to all students—continuing, transfer, and re-entry. All three requirements of the policy must be met to achieve satisfactory academic progress as indicated below:

***Minimum Grade Point Average**

Students must maintain at least the following minimum cumulative grade point (GPA) averages:

Undergraduate Students: The minimum GPA requirement is based on the number of attempted hours.

| | | | |
|-------------------------------|----------------------|-----------------------|----------------------------|
| Hours Attempted | <u>1 – 29</u> | <u>30 – 59</u> | <u>60 and above</u> |
| Minimum Cumulative GPA | 1.50 | 1.75 | 2.00 |

Graduate Students: All Graduate students must maintain a minimum cumulative GPA of 3.00

***Pace or Successful Completion of Course Work Attempted**

To be considered as progressing successfully, students must complete at least 67% of all attempted credit hours. Successful completion of a course is defined as a passing grade. Grades of W (withdrawn), F (failed), UF (unofficial withdrawal) or I (incomplete) are not considered successful completion. Pace is calculated using the following formula:

$$\frac{\text{Cumulative number of hours student successfully completed}}{\text{Cumulative number of hours student attempted}}$$

***Maximum Time Frame**

The following is the maximum number of hours a student may attempt in completion of his/her degree and remain eligible for federal Title IV financial aid:

Undergraduate Students -- 180 hours

Graduate Students -- 45 hours

All coursework attempted including periods when students do not receive federal Title IV aid will be considered in determining the maximum time frame students have to complete a degree and in the calculations of the cumulative grade point average and pace.

- **Transfer Hours:** All transfer work transcript by the UAPB Academic Records office will be counted in the determination of the cumulative grade point average, in the ratio to determine the successful completion of course work (pace), and in the determination of the maximum time frame.
- **Repeated Coursework:** If a student repeats a course, the highest grade earned will be used to calculate his/her grade point average. All hours attempted including repeated course hours will be used to determine the student's pace and maximum time frame. Only one repeat per course with a passing grade will be eligible for financial aid.
- **Academic Clemency:** The Office of Student Financial Services must count all prior work attempted in determining eligibility for federal financial aid including hours forfeited through the Academic Clemency Policy.
- **Grade Changes:** Once a grade change occurs, it is the responsibility of the student to contact the Office of Student Financial Services if they wish to have their eligibility for financial aid recalculated based on the grade change.

Financial Aid Warning

If a student fails to meet satisfactory academic progress standards, the student will be placed on financial aid warning status and be permitted to receive federal financial aid for one additional semester. Students are strongly encouraged to take advantage of all academic services available to improve their academic progress during this semester. If satisfactory progress standards are not met at the end of the warning semester, the student will NOT be eligible to receive federal financial aid for the next semester.

Financial Aid Termination

If a student fails to meet satisfactory academic progress standards after the warning semester, federal financial aid eligibility will be terminated. Federal financial aid eligibility will also be terminated when a

student fails to complete within the maximum time frame. Students will be responsible for all charges during semesters for which he/she registers for classes and does not receive federal financial aid.

Financial Aid Appeal

Students who have extenuating circumstances may appeal the termination of federal financial aid. Examples of extenuating or mitigating circumstances include illness under a doctor’s care, illness or accidents requiring hospitalization or the prolonged illness of a dependent, death of an immediate family member, or other life altering events. The appeal may not be based on the need for assistance or lack of knowledge of the academic requirements. The appeal must be submitted in writing and include why the student failed to meet the standards with an explanation of what has changed that will now allow the standards to be met. Supporting documentation of the extenuating circumstance is required.

The deadline for submitting an appeal is no later than the fifth (5th) day of class of the semester for which the appeal is requested. The decision of the Financial Aid Appeals Committee is final; there is no further avenue of appeal. An appeal can be:

- Denied: Students who are denied will not be eligible to receive federal financial aid.
- Approved on Probation: Students on probation are eligible to receive federal financial aid for one additional semester. The student must meet the satisfactory academic progress standards at the end of the semester or financial aid eligibility will be terminated.
- Approved on an Academic Plan: Students on an academic plan are eligible to receive federal financial and are required to adhere to prescribed performance standards in order to continue eligibility while on the plan for a specified period of time. Students who do not successfully complete the academic plan will have federal financial aid terminated. Eligibility may be regained upon meeting requirements of the SAP policy.

Reinstatement of Financial Aid

After federal financial aid termination, students may be eligible for reinstatement of financial aid after the student enrolls in courses at his/her own expense and meets the terms of the satisfactory academic progress policy.

Notifications

Students who fail to meet minimum satisfactory academic progress standards will be notified of their status through an email sent to their UAPB e-mail address.

Students who do not regain eligibility for financial aid through the appeal process will be notified of the decision and reason(s) for the decision in a letter sent to their UAPB e-mail address.

3.5 SCHOLARSHIPS

There are several types of scholarships available for students to consider. Visit the web page for the Office of Recruitment under the Admissions tab at www.uapb.edu for specific scholarship information. Various scholarship listings may be found in the University Catalog also. Most institutional scholarships require full time enrollment and pay for specified charges such as tuition. These scholarships are not refundable to the student if the full award is not used.

Awards received from public funds, such as UAPB scholarships and other Arkansas state financial aid programs, are subject to the Arkansas State Stacking Policy. The policy disallows total financial aid awarded, including awards and resources from outside organizations, to exceed the budget amount referenced in the award letter. Pell grants are excluded from this policy.

3.6 RETURN OF TITLE IV FUNDS

The law specifies how the University of Arkansas at Pine Bluff (UAPB) must determine the amount of Title IV program assistance that a student earns if the student withdraws from school. The Title IV programs that are covered by this law and offered at UAPB are: Federal Pell Grants, Federal Supplemental Educational Opportunity Grants, William D. Ford Federal Direct Subsidized, Unsubsidized and PLUS Loans.

The institution has 45 days from the date the institution determines that the student withdrew to return all unearned funds for which it is responsible. The school is required to notify the student if they owe a repayment via written notice. The school must advise the student or parent that they have 14 calendar days from the date the school sent the notification to accept a post-withdrawal disbursement. If a response is not received from the student or parent within the permitted time frame or the student declines the funds, the school will return any earned funds that the school is holding to the Title IV programs. Post-withdrawal disbursement must occur within 120 days of the date the student withdrew.

When a student withdraws, the amount of Title IV program assistance a student has earned up to that point is determined by a specific formula. If the student received (or UAPB or the student’s parent received on the student’s behalf) less assistance than the amount that the student earned, the student may be able to receive additional funds in a post-withdrawal disbursement. A post withdrawal disbursement from grant funds is applied to a student’s account to pay any outstanding balance from tuition, fees, room and board and other charges authorized by the student. If a post-withdrawal disbursement is a result of loans made to the student or parent, authorization must be given to apply the disbursement to the student’s account. Any funds from either a grant or loan that result in a credit balance after charges are paid may be given to whom the credit is owed (student or parent), if authorized. If the student received more assistance than the student earned, the excess funds must be returned by the university and/or the student.

The amount of assistance the student earned is determined on a prorata basis. For example, if the student completed 30% of the semester, the student earned 30% of the assistance the student was scheduled to receive for that semester. Once the student has completed more than 60% of the semester, the student has earned all the assistance that he/she was scheduled to receive for that period; however, there are some Title IV funds that the student may have been scheduled to receive that cannot be disbursed to the student once the student withdraws because of eligibility requirements. For example, if the student is a first-time, first-year undergraduate student and has not completed the first 30 days of the semester before he/she withdraws, the student will not receive any Federal Direct loan funds that would have been received had the student remained enrolled past the 30th day.

The official withdrawal date is the date the Office of the Registrar receives written notification of the student’s intent to withdraw. In the case of an unofficial withdrawal (student stopped attending classes), the University will assume the last date of enrollment was the mid-point of the semester (50%) unless documentation of a different date is provided.

If a student receives (or UAPB or the student’s parent receives on the student’s behalf) excess Title IV program funds that must be returned, UAPB must return a portion of the excess equal to the lesser of:

- Student’s institutional charges multiplied by the unearned percentage of the student’s funds, or
- The entire amount of excess funds.

UAPB must return this amount even if it did not keep this amount of the student’s Title IV program funds. The funds will be returned in the following order, up to the amount disbursed from each source:

1. Unsubsidized William D. Ford Federal Direct Loans
2. Subsidized William D. Ford Federal Direct Loans
3. William D. Ford Federal PLUS Loans
4. Federal Pell Grants
5. Federal Supplemental Educational Opportunity Grants

The amount of aid that is unearned is considered an overpayment of Title IV funds. It is the student’s responsibility to repay the total amount of the overpayment. During this time the student will remain eligible for Title IV aid for a maximum of 45 days if the student either:

- Repays the overpayment to UAPB in full
- Makes satisfactory arrangements to repay with UAPB
- Makes satisfactory arrangements to repay with the U.S. Department of Education

UAPB must notify the student within 30 days that repayment of federal funds is owed, the student then must respond with 45 days. After the 45 days, the student’s portion of the repayment will be referred to the U.S Department of Education as an overpayment. The student will then become ineligible for federal aid.

3.7 CREDIT BALANCE REFUND

Credit(s) applied to a student’s account may result in a refund due to the student if the credit(s) exceeds the charges applied to the account. Refunds are processed by the Office of Student Financial Services and are disbursed by the Cashier’s Office within 14 days of the credit to the student’s account by crediting the student’s MyUAPB card if consent is given, via Direct Deposit to a bank account designated by the student, or if no electronic option is selected, by payment in the form of a check that is mailed to an address the student has on file at the university. 4.9.1 What You Should Know for the 2017–2018 Influenza Season

Seasonal flu is a contagious respiratory illness caused by flu viruses. It spreads between people and can cause mild to severe illness. In some cases the flu can lead to death. Each year in the United States, on average, more than 200,000 people are hospitalized and 36,000 people die from seasonal flu complications. Most experts believe that you get the flu when a person with the flu coughs, sneezes, or talks and droplets containing their germs land in your mouth or nose. You can also get the flu by touching a surface or object that has the flu virus on it and then touching your eyes, nose and mouth. Most people who get the flu feel much better within one or two weeks. Most healthy adults can infect others one day before symptoms develop and five to seven days after symptoms appear. Some people, especially young children and people with weakened immune systems, might be contagious for a longer period.

What sort of flu season is expected this year? Flu seasons are unpredictable in a number of ways. Although epidemics of flu happen every year, the timing, severity, and length of season varies from one year to another.

When will flu activity begin and when will it peak? The timing of flu is very unpredictable and can vary from season to season. Flu activity most commonly peaks in the U.S. in January or February. However,

seasonal flu activity can begin as early as October and continue to occur as late as May.

Flu like Symptoms Include:

- Fever (usually high)
- Headache
- Extreme tiredness
- Dry cough
- Runny or Stuffy nose
- Muscle Aches
- Sore throat
- Vomiting
- Sometimes diarrhea

What should I do to prepare for this flu season?

#1 Take Time to get vaccinated.

- CDC recommends a yearly seasonal flu vaccine as the first and most important step in protecting against seasonal flu.
- The seasonal flu Vaccine protects against the three seasonal viruses that research suggests will be most common.
- Vaccination is especially important for people at high risk of serious flu
- Complications, including young children, pregnant women, people with chronic health conditions like asthma, diabetes or heart and lung disease and people 65 years and older.
- Seasonal flu vaccine also is important for health care workers, and other people who live with or care for high risk people to prevent giving the flu to those at high risk.

#2 Take Everyday Preventive Actions.

- Cover your nose and mouth with a tissue when you cough or sneeze. Throw the tissue in the trash after you use it.
- Wash your hands often with soap and water, especially after you cough or sneeze. Alcohol – based hand cleaners are also effective.
- Avoid touching your eyes, nose or mouth. Germs spread this way
- Try to avoid close contact with sick people.
- If you are sick with flu – like illness, CDC recommends that you stay home for at least 24 hours after your fever is gone except to get medical care or for other necessities. (Your fever should be gone without the use of a fever – reducing medicine.) Keep away others as much as possible. This is to keep from making others sick.
- While sick, limit contact with others to keep from making others sick.

#3 Take Flu Antiviral Drugs if recommended.

- If you get seasonal or novel H1N1 flu, antiviral drugs can treat the flu.
- Antiviral drugs are prescription medicines (pills, liquid or an inhaled powder) that fight against the flu by keeping flu viruses from reproducing in your body.
- Antiviral drugs can make your illness milder and make you feel better faster. They may also prevent serious flu complications.
- Antiviral drugs are not sold over the counter and are different from antibiotics.
- Antiviral drugs may be especially important for people who are very sick (hospitalized) or people who are sick with the flu and who are at increased risk of serious flu complications, such as pregnant women, young children and those with chronic health conditions.
- For treatment, antiviral drugs work best if started within the first 2 days of symptoms.

4.9.2 Immunizations

Measles, mumps, rubella (MMR)

Arkansas state law, Act 141, 1987 requires all students to provide proof of the MMR. A second dose is mandatory in Arkansas by the Arkansas Board of Education unless contraindicated. The MMR can be received at Jefferson County Health Department.

Meningococcal Disease

The Arkansas State Law requires the University to inform students and their families about the Meningococcal disease (a form of meningitis) often mistaken for the common viral illnesses, such as the flu and there is a vaccine available. Jefferson.

County Health Department administers Meningococcal Tetravalent Conjugate Vaccine (MCV4) as recommended by the State of Arkansas and the Centers for Disease Control to college freshmen living in dormitories not previously immunized. (College freshmen are students who have not earned 30 hours of college credit.) Both MMR and MCV4 are available at your local health department. A five dollar record maintenance fee is required. In certain circumstances where the illness or injury is prolonged, requires hospitalization or the student is instructed not to attend classes, work or practices due to the severity or communicability of the illness, **students will need to contact the Office of Dean of Students.**

Students are advised to contact the appropriate professor, instructor, coach or supervisor in the event they need to miss classes, exams, assignments, work or practices due to an illness, injury or an emergency. While absence should be a rare occurrence, Student Health Services encourages student to make mature decision when they are too ill to attend class or activities. Attendance in class is similar to showing up for a paid job. Attending class and engaging in the educational process is a high priority as well as a reflection of the value of the education in the classroom. 4.11 DISABILITY SERVICES AND VETERANS AFFAIRS

4.11.1. A. Disability Services

The University of Arkansas at Pine Bluff is in full accord with the spirit set forth in Section 504 of the Rehabilitation Act of 1973 which prohibits discrimination on the basis of a physical or mental disability. All programs and activities are open to students with disabilities whose participation may be limited. Although UAPB does not offer a specialized curriculum for persons with disabilities or assume the role of a rehabilitation center, UAPB offers a variety of support services so that students with disabilities are admitted and integrated completely as possible into the university.

The student has an obligation to self-identity that he/she has a disability and needs accommodations.

UAPB will require that the student provide appropriate documentation, at the student’s expense, in order to establish the existence of the disability and the need for accommodations. The student should have his/her documentation from a Clinical Psychologist, Physical/Vocational Evaluator, etc... for our records. The report should be no more than three years old. Individualized Educational Plan (**IEP**) is not an acceptable documentation, but can be used as a reference.

Services are based on the need presented by each individual student’s disability or disabilities, and generally come in the form of reasonable accommodations. The term reasonable accommodations refers to a modification or adjustment made to a course, program, service, activity, or facility that enables a qualified student with a disability to have an equal opportunity to attain the same level of performance, or enjoy equal benefits and privileges, as are available to similarly situated student without disabilities. Services can include, but are not necessarily limited to, classroom modifications such as preferential seating, the use of a tape recorder, testing adjustments such as extended time on exams or enlarged text and provided physical access to programs and services.

Since services vary from class to class and from term to term, students are required to make service requests each semester that they are in school and require services. Services do not automatically carry over from semester to semester.

4.14 STUDENT CODE OF CONDUCT

4.15.1 General Guidelines

Students who experience the privilege of attending the University of Arkansas at Pine Bluff become members of the academic community while retaining status as citizens. Students are entitled to the same fundamental rights, privileges and immunities that are guaranteed to every citizen of the United States. In addition to their inherent rights and privileges on becoming members of the academic community, students voluntarily assume the obligation to fulfill the responsibilities of all citizens, as well as the obligation of performance and behavior imposed by the University in relation to its lawful missions and functions.

The University has the responsibility to develop policies, procedures and standards which will ensure protection of the rights of each member of the academic community. The following are included among the responsibilities of students:

1. The responsibility for being fully acquainted with the University Catalog, Student Handbook, **THE ROAR** and other published regulations relating to students, and for complying with them in the interest of an orderly and productive community.
2. The responsibility for assisting the University administration in protecting the rights of others through orderly disciplinary procedures.
3. The responsibility for securing and respecting general conditions conducive to the freedom to learn.
4. The responsibility for respecting and complying with all the laws and rights of good citizenship.

In accordance with these responsibilities, the University has the obligation to set standards of conduct which it considers essential to its educational mission and its community life. Adjudication through the University does not preclude prosecution of offenses by local, state and federal agencies.

4.14.2 Association, Inquiry, and Expression

Students should have the privilege of joining the campus organization of their choice without respect to race, color, sex, gender, age, national origin, religion, learning or physical disability, veteran’s status or gender identity sexual orientation. Each student is responsible for his/her own action involving any and all activities by a group or organization.

In the best interest of open inquiry and debate, organizations should identify their sponsorship of speakers, causes, and activities by following prescribed University procedures. It is the aim of the University to provide an atmosphere where free exchange of ideas may exist.

The student newspaper is a valuable aid in establishing and maintaining an atmosphere of free and responsible discussion. It is a means of bringing student concerns to the attention of the campus community. Published articles should, in no way, violate the publications’ integrity or purpose.

4.15 STUDENT JUDICIAL SYSTEM

The University of Arkansas at Pine Bluff’s Student System is designed to promote order and discipline inherent in and essential to the educational process of its students. This system is applicable to all students enrolled in the

University of Arkansas at Pine Bluff “*THE ROAR*”

University who violate the Code of Conduct on-campus and off-campus when the violation is committed by a student which reflects upon the name of the University or its programs.

Students will be held accountable and subject to punishment for violations committed off-campus during University sanctioned/sponsored activities. It is incumbent upon all students to comply with the Code of Conduct, respect the rights of others, and honor University policies and procedures.

4.15.1 Judicial Authority

Under the authority of the Board of Trustees through the President of the University of Arkansas System, the Chancellor of the University of Arkansas at Pine Bluff (UAPB) is delegated the authority and responsibility for establishing and enforcing regulations governing student life. The Chancellor has further delegated this authority and responsibility to the Vice Chancellor for Student Affairs. The Chancellor, through his/her designee(s), may alter or modify the rules and regulations concerning student conduct and discipline at any time.

All complaints and/or alleged violations of University disciplinary rules and regulations should be referred initially to the Dean of Student Life. The Dean of Student Life will determine the case or refer it to another judicial body.

4.15.2 Parental Notification

Under a rule change by Congress in the Family Education Rights and Privacy act, colleges are permitted to notify the parents if a student under the age of 21 violates a drug or alcohol statute. The Office of Dean of Student Life may notify the parents of any student under the age of 21 who is accused of drinking and/or possession of alcohol; using and/or possession of illegal drugs; or where there is a health and/or safety emergency.

4.15.3 To Know And Campus Security Act

Student Right-to-Know and Campus Security Act” requires for institutions to provide information freely to the public especially for current and prospective students regarding (1) “completion or graduation rates of certificate- or degree-seeking, full-time students entering that institution”, (2) “graduation/completion rates of all students as well as students receiving athletically-related student aid by race/ethnicity and gender and by sport, and the average completion or graduation rate for the four most recent years”, and (3) institution’s crime statistics. Amendments enacted in 1998 renamed Title II of the Act dealing with crime statistics, and it is now known as the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.” The amendments require the disclosure of crimes that are reported to police and campus officials, along with a breakdown of locations of criminal activity to be specified as on-campus, non-campus, residence hall, or public property.

Information relating to completion and graduation rates can be found at http://www.uapb.edu/administration/office_of_the_chancellor/planning_institutional_research_and_public_information.aspx. Crime statistics can be found at [_http://www.uapb.edu/sites/www/Uploads/University%20Police/CrimeData%202013.pdf](http://www.uapb.edu/sites/www/Uploads/University%20Police/CrimeData%202013.pdf).

4.15.4 Disciplinary Procedures

The aim of disciplinary procedures is to educate students about responsible behavior; to maintain social order; and to protect the rights of others by providing a system of consequences for those who violate University rules and regulations. The disciplinary process supports the practice of responsible behavior in community living. It requires understanding and self-discipline on the part of the student, as well as a respect for the rights and privileges of others. The focus of the judicial system is corrective and educative rather than punitive. Essential to the aid of disciplinary procedures is the principle of “fundamental fairness,” which provides the framework for the adjudication of student misconduct and breach of institutional policies and regulations. The spirit of the judicial process is based on good faith – a mutual trust between the University and the student. The Vice Chancellor for Student Affairs reserves the right to assign a case to any other university official other than the Dean of Student Life for good cause, who shall act in the Dean’s place.

4.16.15.1 Sexual Harassment

Sexual Harassment: Sexual Harassment is unwelcome, gender-based spoken, written or symbolic action or physical conduct that is sufficiently severe, persistent or pervasive that it has the effect of unreasonably interfering with, limiting or denying someone the ability to participate in or benefit from the University’s educational programs. The unwelcome behavior may be based on power differentials, the creation of a hostile environment or retaliation.

For the purpose of this Policy, sexual harassment includes stalking or repeatedly following, harassing, threatening, or intimidating another by telephone, mail, electronic communication, social media, or any other action, device or method that purposely or knowingly causes substantial emotional distress or reasonable fear of bodily injury or death. Sexual harassment also includes quid pro quo sexual harassment which exists when there are unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature and submission to or rejection of such conduct results in adverse educational or employment action.

Not all workplace or educational conduct that may be described as “harassment” affects the terms, conditions or privileges of employment or education. For example, a mere utterance of an ethnic, gender-based or racial epithet which creates offensive feelings in an employee or student would not normally affect the terms and conditions of their employment or limits a student’s ability to participate in or benefit from the University’s educational programs or activities.

Sexual Misconduct: includes sexual assault, inducing incapacitation for sexual purposes, sexual exploitation and dating and domestic violence.

Status: A full-time employee of the University will be considered an “employee” for the purposes of this Policy, regardless of whether he/she is also enrolled as a student. Examples of behavior that could rise to the level of sexual exploitation include, but are not limited to:

- invading sexual privacy;

- prostituting another person;
- non-consensual video or audio-taping of sexual activity;

- knowingly transmitting an STI, such as HIV, to another without disclosing your STI status;
- exposing one’s genitals in non-consensual circumstances or inducing another to expose his or her genitals; or

The various Administrative Actions include:

1. Interim Action

In certain circumstances certain authorized individuals may impose restrictions, change of living arrangements, and change in class schedule or other action in the form of an Interim Action Letter. Interim Action Letters will be delivered to the student’s official University-provided e-mail account, and may be delivered to the student in person. These actions are in response to any alleged behavior that violates the Student Code of Conduct and/or has jeopardized the safety and welfare of members of the University community, and/or has caused a significant disruption to the University of Arkansas at Pine Bluff community. Any restrictions outlined in the interim action will be clearly presented to the student in the Interim Action Letter. If the student would like to contest the conditions as outlined in the Interim Action, it is the student’s responsibility to request a review meeting with the Dean of Students. If the student chooses to contest the Interim Suspension, it is the student’s responsibility to request a review meeting with the Dean of Students. Students must comply with the terms of the Interim Suspension until a requested meeting occurs. Following review of the terms of the Interim Suspension, if modified, the student must comply with the modified terms of the Interim Suspension until such time as the student’s related disciplinary matter is resolved. The VCSA or designee may require a psychological evaluation prior to a judicial hearing as outlined below.

The student will be notified of the Interim Suspension in the form of a letter which will be delivered to the student’s official University-provided e-mail account, and may be delivered to the student in person. The letter will explain the reasons for the Interim Suspension, the duration and any conditions that apply, and a copy of this interim suspension policy. A student notified of such interim suspension must, within (10) business days, schedule a pre-hearing conference with Dean of Students to resolve his/her related disciplinary matter. The student’s related disciplinary matter shall be resolved separately from the Interim Suspension.

Any student who is suspended on an interim basis and returns to the campus and University property or otherwise violates the terms of the interim suspension shall be subject to further disciplinary action and may be treated as a trespasser. 2. Mandatory evaluation and withdrawal will be considered only in cases where there is threat of imminent danger to self, others or property, or disruption of the educational process and mission of the institution.

3. All cases involving violation of the Student Code of Conduct will be referred through the University’s conduct system except where, due to the student’s psychological condition, the student is either:

- A. unaware of his/her actions;

- B. unaware of the wrongful nature of his/her actions; or a disciplinary hearing is deemed inappropriate (e.g., student voluntarily withdraws or is unable to participate in a hearing). In such situations, the case will be processed utilizing the psychological evaluation withdrawal procedures. If it is determined that a student must also undergo a hearing for violations of the Student Code of Conduct, the University will proceed consistent with the provisions outlined in Section 4.15 (Student Judicial System).

4. When an authorized professional staff member has reasonable cause to believe that a student has severe emotional problems, and when there is reasonable cause to believe that a student’s continued presence on campus would present a threat of imminent danger to self, others or property, or disruption of the educational process and mission of the institution, the staff member may direct the student to consult with Counseling, Assessment and Development or the Behavioral Intervention Team. In the event of a student’s refusal, interim action from the University may be invoked, including, but not limited to, automatic withdrawal.

5. A student being required to undergo a mandatory evaluation by a licensed psychologist or psychiatrist will be notified in writing by the dean of students or his or her designee. This evaluation may be conducted by the

University's consulting psychologist if the student is in the area. If the student has returned home, he or she may obtain an evaluation by a licensed psychologist or psychiatrist in their home area and must agree that the University can release pertinent information regarding precipitating events and areas of concern to this person. All evaluation reports are to be sent to the dean of students or his or her designee. The report will be available for the student to review with a member of the Office of Counseling, Assessment and Development staff.

6. Following an evaluation, Office of Counseling, Assessment and Development or designee may recommend that the student be withdrawn from the University to seek psychological/medical treatment if the student;
- A. Presents a continued direct threat, and that such threat cannot be mitigated;
 - B. Is suffering from a serious mental disorder that is being exacerbated in the campus environment;
 - C. Is engaged in behavior which places him or her in serious medical jeopardy producing conditions that cannot be treated effectively without leaving the University
 - D. Has violated, threatened to violate, appears likely to violate, has shown or manifested an intention to violate the law or institutional policies and appears to lack the capacity to respond to the discipline, process, or does not appear to know the nature and wrongfulness of the alleged action.

4. No Contact Orders

No Contact Orders are temporary directives issued by the Office of Dean of Student Life prohibiting communication between or among designated students. No Contact Orders (NCOs) are issued when, in the judgment of the Dean of Student Life, there is reason to believe that an order would be in the best interest of all parties and the community for promoting health, safety, or wellbeing of the community. NCO's do not become part of a student's conduct record until the matter is formally reviewed through the student conduct system, and only if charges of the Student Code of Conduct are applied and a responsible finding is rendered. NCO's prohibit all forms of communication between designated students, direct or indirect, written, electronic or through a third party. Any violation of this directive may result in disciplinary charges of failure to comply with the directives of an agent of the university acting within the performance of his or her duty. Additionally, violations of this directive may also result in an INTERIM SUSPENSION from the University of Arkansas at Pine Bluff campus and/or University of Arkansas at Pine Bluff Police Department (UAPB) involvement.

The duration of a NCO is determined by the Office of Dean of Student Life, and students may request to have a NCO lifted after an appropriate sustained period of compliance.

No Contact Orders are not similar to court imposed restraining orders and/ or order of protection and do not guarantee that designated parties will avoid sightings or involuntary interactions on the campus or local community, including but not limited to in the academic environment. In some circumstances, a No Contact Order may be applied in conjunction with an Administrative Action and/or as a disciplinary sanction, as part of the resolution of a student's conduct matter. Students who are concerned about personal safety should contact the University of Arkansas at Pine Bluff Police Department at 870-575-8102.

4.18 LOSS OF PRIVILEGES

A student who receives this sanction shall be notified in writing as to the privilege which he or she has lost. This written notification shall indicate the time period for which the student has lost certain privileges or must abstain from certain activities. If a student loses privileges as a result of violation of the Standards of Conduct, a letter may be sent to his or her parents notifying them of the loss of privileges.

4.19 WITHDRAWAL PRIOR TO DISCIPLINARY ACTION

Any student who withdraws from the University prior to judicial sanctions that are in violation of University Policy may be subject to judicial proceedings/ sanctions upon their return or re-entry to the University of Arkansas at Pine Bluff.

4.20 BEHAVIORAL INTERVENTION TEAM (BIT)

The University of Arkansas at Pine Bluff is committed to the health and safety of its faculty/staff and students, and maintaining a safe and efficient workplace. Safety and security concerns will be managed with both employee/student safety and student success as primary goals. Accordingly, UAPB has developed the BIT procedures outlining a proactive student behavioral intervention process. While interacting with students, the faculty and staff may be confronted with situations in which a student is displaying concerning behavior. BIT is designed to assist both faculty/staff and student.

Report emergency or extreme situations immediately to Campus Police at 870-575-8102.

Faculty, students or staff who are concerned about a student displaying mild to moderate levels of distress should fill out a Behavior Intervention Report Form and submit it to the Office of Dean of Student Life. The Behavioral Intervention Incident Report Form is located at www.uapb.edu under Student Life and Public Safety and Security.

NOTE: *The BIT process does not replace faculty classroom management, disciplinary processes, or public safety action.*

4.21 ON OR OFF-CAMPUS VIOLATIONS

Student and student organization actions on or off-campus that violate University Student Conduct code or federal, state, and local laws may subject the student to concurrent jurisdiction of, and the imposition of a sanction, by, both the University and civil authorities. The University may enforce its own regulations and student violations of the Code regardless of any proceedings instituted by authorities or may proceed with campus disciplinary hearings without waiting for results of off-campus criminal proceedings for acts that occurred on campus.

Violations may be dealt with in one of the following ways:

1. The student may, in the case of minor violations and infractions, maybe subjected only to censures imposed by the University authority.
2. The student may be turned over to a civil authority and subjected only to the censures imposed by that authority.
3. The student may be subjected to censures imposed by the civil authority and by University authority.

4.22 CHANNELS FOR CHARGES AGAINST A STUDENT

Filing Complaint

Whenever, in the opinion of any member of the University Community, a student’s conduct is disorderly, disruptive, or appears to violate University policies, rules and regulations, it is the responsibility of the person(s) observing the breach of conduct to report the same in writing to the Dean of Student Life or the Office of University Police.

Presumption of Non-Responsibility

Subject to all other provisions of the Student Code of Conduct or University Policy, any student charged with an infraction under this Code shall be presumed not responsible for a violation until determined to be responsible by a preponderance of evidence; for a student to be found responsible for a violation, the evidence must indicate that it is more likely than not that the violation occurred.

Complaint Processed

The Dean of Student Life shall process all complaints filed against students. When a complaint or charge has been filed with the Dean of Student Life, the following procedural guidelines shall be followed:

Preliminary Investigation

When the Dean of Students receives information that a student has allegedly violated University policies or local, state, or federal law, the Dean of Students shall investigate the alleged violation. After completing a preliminary review of the complaint, within **seven (7)** business days, or as soon as possible thereafter, the Dean of Students may dismiss the allegation or may proceed with the disciplinary process as outlined in the Student Code of Conduct policy. Proceeding with the disciplinary process may involve:

1. imposing an Interim Suspension or an Interim Action which will remain in effect pending a review by the Judicial Board or appropriate University official, or
2. making a Referral for Psychological Evaluation or
3. proceeding with the pre-hearing conference.

Requesting a Student for a Pre-hearing Conference

The Dean of Students may formally summon a student to appear for a pre-hearing conference in connection with an alleged violation by sending them a pre-hearing notification communication by email.

1. The pre-hearing notification communication shall outline the specific charges, and shall instruct the student of the date/time of a scheduled pre-hearing conference. If a student fails to attend the scheduled pre-hearing, a reminder communication will be forwarded to the student. This communication instructs the student a second scheduled appointment.
2. If an accused student fails to attend the second appointment or to reschedule their appointment, the accused student forfeits all rights as outlined below, and the administrative hearing officer or judicial committee may proceed with the disciplinary hearing in the student’s absence. The hearing in absence will not be held fewer than five (5) class days from the date of the original charge communication.

Pre-hearing Conference

During the pre-hearing conference, the Dean of Students or designee shall explain the rights, responsibilities, violation, conduct procedures to the accused student, and who is bringing the charge. Specifically, the accused student's rights are as follows:

1. To have a pre-hearing interview with the Dean of Students or designee. If the student fails to schedule or attend the pre-hearing interview, the student waives their rights to request a hearing as outlined below.
2. To have written notice of the violation(s) and an outline of rights prior to an administrative or judicial hearing to enable the student to prepare his or her defense. In the event that additional violations are brought, a further written notice must be forwarded to the student.
3. To review all available information, documents, exhibits, and a list of witnesses that may testify against them.
4. Prior to the hearing, the student may review new material in the student’s disciplinary file that is likely to be considered at the hearing.
5. The student shall be entitled to appear in person and present his or her defense to the appropriate judicial board or administrator and may call witnesses in his or her behalf.
6. The student shall be entitled to decline to answer questions.
7. The student shall be entitled to be accompanied by a representative of his or her choice. **An advisor or support person may be defined as: a friend, a family member, a member of the university community or an attorney.** It is the student's responsibility to request and obtain the services of an advisor/support person. University officials are neither required nor obligated to act as advisors/support persons and hearings will not be scheduled based on advisor availability. **The advisor or support person may not speak on**

behalf of the student throughout the disciplinary process. This includes but is not limited to: address the Hearing Panel, present evidence, make objections or statements, ask questions of any party or witnesses or otherwise participate in the hearing, beyond privately communicating with the party they are supporting. **Only as it relates to non-academic matters, if the student has received a suspension of ten (10) or more days or expulsion, the advisor or support person may fully participate during the disciplinary appeal process.** The advisor, upon request of the student, may:

1. Advise the student concerning the preparation and presentation of his/her case. The advisor may not speak for the student.
 2. Accompany the student to all disciplinary proceedings. The student is limited to the presence of one advisor, who shall not speak for the student.
 3. In cases involving sexual or violent offenses, the alleged victim may have a support person present during the hearing. The support person is in attendance to provide emotional support to the alleged victim. The support person may not participate in the hearing.
8. Unless the student waives all or part of the notice, the formal hearing will not be held fewer than five (5) class days from the date of the original charge communication
 9. If found responsible for a violation of a policy, the student shall be notified of his or her right to appeal the decision of the judicial board or administrator. The sanction shall be held in suspense until acted upon by the higher judicial body. Since an appeal must follow certain guidelines, the appeal will be in accordance with the Appeal Procedure.
 10. If a student fails to attend his or her scheduled hearing, he or she will be tried in absentia.
 11. During the pre-hearing the student shall be informed that they may elect one of the following course of action:
 - a. The student may admit the alleged violation and request in writing that the appropriate administrative office take whatever action he or she deems appropriate. Should the student elect to have the appropriate administrator handle the matter, he or she shall be notified that the decision of the administrator maybe appealed to the Vice Chancellor for Student Affairs.
 - b. The student may admit the alleged violation, and request a hearing for penalty before the judicial board having jurisdiction over his or her case. The appropriate judicial board shall be notified by the Dean of Student Life.
 - c. The student may deny the alleged violation, in which case the Dean of Student Life shall refer the case to the appropriate judicial board.
 - d. The student may deny the alleged violation but desire that his or her case be heard by the appropriate administrator rather than a judicial board.
 12. Within forty-eight (48) hours (weekend excluded) after receipt of the letter from the Dean of Student Life, the student shall, in writing, notify the Dean of Student Life of his/her decision.
 13. Within seventy-two (72) hours after receipt of the student’s decision, the date, time, and place may be set for the hearing.
 14. At least for-eight (48) hours prior to the hearing by the appropriate judicial board or administrator, the student shall be entitled to the following:
 - Written or verbal notification of the time, place and date of the hearing.
 15. All Disciplinary correspondence will generally be sent to the student’s University email account or the most current address listed with the University Registrar’s Office. However, the University reserves the right to

use other reasonable means to notify students. Students involved with a University disciplinary matter are responsible for checking their university email accounts on a regular basis. Students are to check their UAPB email address for correspondence coming from the Office of Dean of Student Life.

4.23 PROCEDURES FOR FORMAL DISCIPLINARY HEARINGS

1. Present at the hearing normally will be the following: the Accused, the Accuser (where applicable) or the University representative, witnesses (outside the room), and representative for the accused, the Chairperson, and judicial members, when applicable. In the event the hearing is closed, no other person shall attend unless authorized by the Dean of Student Life.
2. The hearing begins when all are seated and ready to commence. The Chairperson will call the meeting to order and declare the session ready to begin. Since a written summary of every hearing must be prepared, a tape recorder should be available.
3. The Chairperson will ask the representative for the Accused if he or she is ready. If representative for the Accused wishes to challenge a member of the judicial board, it may be done at this time.
4. The Chairperson will stress the confidential nature of the proceedings and remind those present that they are obliged to speak the truth whenever they are speaking during the hearing.
5. The Chairperson will call the meeting to order once again and read the charge(s) which have been provide
6. The Chairperson will ask for the plea of the accused.
7. If the Accused pleads “responsible”, the judicial board will dismiss all from the room in order to deliberate upon the appropriate penalty. After deciding the appropriate penalty, the audience will be recalled into the room. The chairperson will call the hearing to order and read the results to the accused.
8. If the Accused pleads “not responsible”, the following will be the procedures:
 - The Chairperson will present the opening remarks, state the nature of the accusations, and in a brief statement will outline the major elements of the case.
 - The Accuser makes a statement or, in cases where the University is bringing the action, a University representative will present the University’s case. The opening statement by the Accuser may be read aloud or be submitted in writing for the Chairperson to read.
 - Witnesses for the Accuser or University will be called in to testify one at a time. After each witness has testified, the Accused may then cross-examine, if he or she wishes to do so. The members of the judicial board may question each witness if any member has any questions. After the witnesses for the Accuser have all been called, the case for the Accuser is closed.
 - The Accused now follows the same procedures as above: opening remarks, calling of witnesses, direct examination, cross-examination by the Accuser, and questions from the judicial board members, if any. After all witnesses have been called, the case for the Accused is closed.
 - The Accuser or, in cases where the University is bringing the action, a University representative will present closing remarks (summarizing the prior testimonies and how they may relate to the case).
 - The Accused present closing remarks in a like manner.

- The judicial board will then close to allow for its deliberation. The verdict and penalty, if applicable, will be read by the Chairperson. In order to decide that a student is guilty, at least a majority of the votes must
 - Support the charge(s). Each judicial board member has one vote.
9. Any Accused judged not guilty shall be acquitted.
 10. All hearing records will be maintained until a final report has been filed with the Dean of Student Life.
 11. The hearing records will be maintained by the Dean of Student Life.
 12. The failure of the appropriate disciplinary agency to follow the precise procedures outlined above does not necessarily negate its deliberations and findings. Formal rules of process, procedure, and/or technical rules of evidence, such as are applied in criminal or civil court, are not used in Student Code proceedings.

4.24 APPEAL PROCEDURE

Right to Appeal: The Accused may request an appeal.

4.24.1 Grounds for an Appeal: A decision of a UAPB Judicial Board or administrator may be appealed upon one or more of the following grounds:

1. Prejudicial error committed during the hearing whereby a fair hearing was not given.
2. Non-cumulative material and relevant evidence, new or newly discovered.

The decision or judgment is not supported nor justified by the evidence. Specific indications will be made citing the rationale.

3. Sanctions were not appropriate.

4.24.2 Granting or Denial of Appeals: A written request for an appeal must be submitted by the student to the Chairperson of the next highest judicial board, if the board decides that an appeal is not warranted based on the merit of the appeal petition. Appeals that have been denied by one judicial board cannot be taken to another board. Each appeal board will meet to determine the merits of the appeal and decide if it should be accepted or denied: the decision will be made within forty-eight (48) hours of receiving the appeal letter.

4.24.3 Contents of Appeal Letter. Letters of appeal shall contain a statement of sufficiency in order to allow the chairperson and the members of the next highest judicial board to make a reasonable judgment on whether to grant the appeal. If an appeal is denied, appropriate written response will be made to the person who requested the appeal and a copy will be forwarded to the Vice Chancellor for Student Affairs.

4.24.4 Appeal Process: Once an appeal letter has been accepted for review, the higher judicial board or Vice Chancellor for Student Affairs will review the case and evidence. Once reviewed, the judicial board or Administrative may do one of two things:

1. Accept the appeal for hearing.
2. Deny the appeal.

If an appeal is accepted, the judicial board will set a time, place, and date to hear the case and basis for appeal. Once heard, the higher judicial board may do one of three things:

1. Sustain the findings and penalty.

2. Sustain the findings and alter the penalty downward.
3. Reverse the findings.

Appeals that have been denied by one judicial board cannot be taken to another board. Each appeal board will meet to determine the merits of the appeal and decide if it should be accepted or denied: the decision will be made within forty-eight (48) hours of receiving the appeal letter.

4.24.5 Contents of Appeal Letter.

Letters of appeal shall contain a statement of sufficiency in order to allow the chairperson and the members of the next highest judicial board to make a reasonable judgment on whether to grant the appeal. If an appeal is denied, appropriate written response will be made to the person who requested the appeal and a copy will be forwarded to the Vice Chancellor for Student Affairs.

4.25 EFFECTIVE DATE OF SANCTIONS

4.25.1 Sanctions other than Expulsions and Suspension: In cases where the decision of the committee or board is one other than to expel or suspend the student, the sanction shall take effect only after:

1. The student has been informed.
2. The deadline for appeal has expired.

4.25.2 Sanctions of Expulsion and Suspension: In cases where the decision of the committee or board is to expel or suspend the student, the sanction shall take effect only after:

1. The student has been informed;
2. The Vice Chancellor for Student Affairs is notified in writing of the decision and findings; reasons for the decision, sanction imposed, and notification of the right to petition for appeal; and
3. The deadline for appeal has expired.

The presence of suspended or expelled students on campus is prohibited unless authorized by the Vice Chancellor for Student Affairs or his/her designee. Upon the suspension or expulsion from the University of Arkansas at Pine Bluff, the student shall arrange to vacate the campus within forty-eight (48) hours after he/she has been notified of his/her disciplinary sanction.

4.26 ADMINISTRATION OF DISCIPLINARY RECORDS AND DISCIPLINARY INFORMATION

A transcript contains only academic information and disciplinary actions which denies the privilege of the student to continue in or return to the University. Then notation of suspension or expulsion is removed from the official transcript by the Office of Student Life and Enrollment Management when the term of the sanction has expired or when the student has been re-admitted.

Academic and disciplinary records are kept separate to minimize the risk of improper disclosure. The disciplinary records shall be treated as confidential. The contents of the student’s disciplinary record may be made available for use within the University only upon the written request of the student or upon direction of the Dean of Student Life. Records will be given to persons outside the University only upon written request of the student or in response to a court order.

The University shall maintain for every student who has been suspended or expelled a permanent written disciplinary record of the charge, the sanction assessed, and any other pertinent information. However, for every student who has received a disciplinary sanction less than suspension or expulsion, the University shall provide for the periodic destruction of the disciplinary record after two years from the last date of attendance or when the student graduates.
