The Late Cornell Scott

Torii & Katrina Hunter

Lawrence A Davis, Jr,  
CHANCELLOR

Dear Alumni and Friends:

Thank you for your continued support of the mission, goals and objectives of the University of Arkansas at Pine Bluff (UAPB).

It is comforting for me to know that you have positively contributed to the long-term success of others; so, please know that you are among the reasons that we are able to graduate students who are some of the nation's most outstanding professionals. You have assisted in making this happen with your personal encouragement and financial support.

You made possible scholarships to hundreds of students; the history making event of our band playing in the inaugural parade of President Obama; our cheerleaders appearing on MTV; our sports teams experience numerous victories and making significant final placement/ranking in SWAC; and our graduates acquiring key positions in industry upon graduation from UAPB. A visit to our campus is testament to our physical growth and the number of students on campus is evident of enrollment growth—record setting since the 60s and early 70s. Again, you are among the reasons that UAPB has made such strides.

Your confidence in UAPB is evidenced by your support, and we do not take your support lightly. We are always very appreciative of the many forms of assistance that you give to our students.

Sincerely,

Lawrence A. Davis, Jr.  
CHANCELLOR

Margaret Martin-Hall  
DIRECTOR  
University Relations and Development

October 22, 2009

Dear Donors,

You have remained steadfast in your support of UAPB's students during very severe economic times. Probably you are aware that during tough economic times, individuals in need have even greater needs.

As alumni and friends of UAPB, you have kept the needs of our students at the forefront of your minds and in the depth of your hearts. Your generosity made it possible for students to receive financial support who otherwise may not have had the resources needed to attend college. You gave them positive options and the opportunity to build a future that will benefit themselves, their families, and contribute to the common good of society.

Thank you for unwaveringly supporting our students.

Sincerely,

A handwritten signature in cursive script that reads "M. Martin-Hall". The signature is written in black ink and is positioned above the printed name.

Margaret Martin-Hall, Ed.D.  
Director

Larry Cooper  
CHAIRMAN  
UAPB Foundation Fund Board

Dear Alumni, Friends, and Supporters:

I am sure I express the sentiments of the UAPB Foundation Fund Board members when I say to you that we are extremely grateful for the financial support you gave to enrich educational opportunities for students attend UAPB.

As you are well aware, this past year experienced a difficult economy; yet, you answered the call for support and listed among your priorities helping our students. Make no mistake, we are extremely supportive of your continued support.

Members of the UAPB Foundation Fund Board will be working creative projects that will expand our base of support. This is the only way we are going to be able to meet the increasing demand to grow our investment in our most precious asset, the students.

Again, I want to sincerely thank you for your support of this great institution, UAPB. YOU truly make a difference.

Sincerely,

A handwritten signature in cursive script that reads "Larry Cooper".

## foreword

Fundraising initiatives at the University of Arkansas Pine Bluff address institutional funding needs with an emphasis on three major areas (unrestricted funds, scholarship, and athletics) that significantly impact the ability of UAPB to deliver educational excellence.

The results of our fundraising efforts are reported herein.

# annual giving drive

Annual contributions for the period July 1, 2008– June 30, 2009, totaled \$1,702,295.

Some of our donors designated their gifts consistent with their interests; others chose to make unrestricted gifts so that unanticipated student needs could be met. As a result, the Annual Giving Drive consisted of several successful initiatives. Though all specific initiatives that gave an impetus to our fundraising efforts are too numerous to mention here, special note is made of a few that are far-reaching and long term:

## *Torii Hunter Baseball Complex*

After several years of effort, plans for the baseball facility are well underway with a \$500,000 pledge from baseball great Torii Hunter. During the 2008 – 2009 fundraising year, \$157,788 was contributed from private sources. Groundbreaking for the complex is anticipated fall 2009.

## *Dorothy Magett Fiddmont New Millennium Leaders*

The Fiddmont Leaders initiative remains a strong impetus for scholarship support of our students. The Class of 1948, with a donation of nearly \$40,000, became a Silver Level Fiddmont Leader group in 2008 – 2009.

All donations to the fund from October 1, 2007 – September 30, 2012, can be matched dollar-for-dollar by the U.S. Department of Education's Office of Postsecondary Education/HBCU Title III Initiatives. (Please note that, donors do not qualify for higher giving level because of the match made by the Title III funds and their employers' matching gifts.)

The following are levels of commitment individuals and groups may choose to support:

	<u>Individual</u>	<u>Classes &amp; Alumni Chapters</u>
Entry Level	\$2,000	\$10,000
Bronze Support Level	\$3,000	\$20,000
Silver Support Level	\$4,000	\$30,000
Gold Support Level	\$5,000	\$40,000
Platinum Support Level	\$6,000	\$50,000

## *Phonathon 2009*

The 8th Annual Phonathon in June - August 2009, resulted in over \$80,000 in gifts/pledges as of June 30th. Telephone calls were made to approximately 12,000 alumni and friends. Highlights of the phonathon as of June 30, 2009 were:

- 1,204 individuals made specific pledges (nearly 65% above last year pledge level);
- 653 individuals made a pledge but did not commit to a specific amount, (nearly 60% above last year's amount); and
- As of June 30th, with two months remaining for the Phonathon, \$80,000 had been received in pledges, and a fourth of that amount had been paid.

## *Creative Giving*

In 2006, Dr. Herbert Carter and his wife Virginia Carter expanded their various forms of financial support to include a charitable remainder trust (CRT). Such giving, though common at many institutions of higher learning, are rare at UAPB. The CRT, established by the Carters was the first of which UAPB has been informed in recent times.

In 2008 – 2009 two other individuals chose similar forms of support to UAPB.

Mrs. Gladys Turner Finney established a Charitable Gift Annuity and Mr. John E. Smith set-up a Charitable Remainder Uni-trust. Both Finney and Smith have something else in common with the Carters: They are strong supporters of UAPB and give strongly to multiple causes.

## *Special Initiatives*

The desire to help students at UAPB in various ways resulted in the development and implementation of new strategies:

- *Neal Blakely Writing Initiative* is an effort to increase writing proficiency of our students by expanding the assistance offered to

students in the The Viralene J. Coleman Computerized Writing Center. Through a bequest of over \$210,000 from the late Cornell Scott in memory of Neal Blakely, the Center will be able to expand its hours and the services offered to students.

- *Scholarships of Hope* (renamed the *Lifeline Scholarship*) is a fund developed to provide students in dire need of financial assistance, the opportunity to attend college at UAPB. The Lifeline Initiative was developed through the efforts of Dr. Dorothy Magett Fiddmont, (Chairperson, Special Projects Committee of the UAPB Foundation Fund Board), with input from Galon Johnson (2008 – 2009 UAPB SGA President), and support from Larry Cooper (Chairman, UAPB Foundation Fund Board) and Sam Staples (President, UAPB/AM&N National Alumni Association). The goal is to raise \$500,000 that will be matched dollar-for-dollar with Title III federal funds. The \$500,000 is projected to come from the following sources: Alumni - \$400,000, UAPB employees - \$75,000, and students - \$25,000. As of June 30, 2009, the following accomplishments has been achieved with collective efforts:
  - Chancellor Davis agreed to allow federal grant funds to be used to match dollar-for-dollar all funds raised for this initiative.
  - Fifteen (15) alumni chapters have made firm commitments to participate - North Carolina, Eudora, Camden, Washington D.C., Gateway, Houston, Pine Bluff/Jefferson County, Dallas/Ft. Worth, Austin, St. Francis County, Atlanta, Pulaski County, Greater Kansas City, Detroit, and Southern California.
  - Dr. Dorothy Magett Fiddmont and Mr. Nathan & Mrs. Wanda Garrett have committed to become supporters at the \$10,000 Ambassador Level.
  - Through the efforts of Larry Cooper (Chairperson of the UAPB Foundation Fund Board) the UAPB Foundation Fund Board has adopted the Lifeline Scholarships as a top priority for fundraising; VeLois Bowers, Chair of the Scholarship Committee is developing strategies to implement at Homecoming 2009.
  - The Class of 1969 (through the effort of Larry Cooper and other key individuals) is making a significant commitment that will be announced at the Homecoming 2009 assembly.
  - A group of students known as the PRIDE, have monthly fundraising projects, all proceeds of which are credited to Lifeline Scholarships.
- *M4 President Barak Obama Inaugural Parade Performance* was made possible by the generous donations of over 2000 individuals— alumni, friends, businesses/corporations, foundations, and one time donors who wanted to help M4. The number of donations received in a two week period equaled the number of transactions the Office of University Relations and Development normally processes in one year.

Through your contribution, you joined in becoming an agent for continued progress at UAPB. Whether you chose to give to a particular cause, program, or activity or designated your gift as unrestricted, you made a positive difference in the future of our students.

you've made your mark

## your generosity in action

In 2008 - 2009 your gifts accomplished much at UAPB.

Your donations were used for our students directly and indirectly:

- Over \$600,000 was made available to students in the form of loans, awards, and scholarships as a result of donations from you;
- Hundreds of students were able to participate in extracurricular activities and attend career development activities on and off campus;
- Our debate team was revived and made a significant showing in competitions;
- Our cheerleaders participated in a competition on MTV, made an outstanding showing and ranked high in the finish;
- Our M4 Band gave a marvelous performance in President Barak Obama's Inaugural Parade;
- Our faculty members were able to purchase instructional materials and take part in professional development activities that broaden the learning experiences of our students in a very positive way;
- More students than ever before (in the past two decades) were recruited—had the largest freshman enrollment (by percentage) in Arkansas in fall 2008, and we anticipate an even larger enrollment for fall 2009;
- We were able to continue our upgrade of dormitories to accommodate the increase in enrollment; and
- Overall, UAPB's physical plant continues to experience unprecedented growth—it has never looked so good!

You contributed to our successes and for this we are grateful!

# priority giving

All donors are important to the advancement of the University of Arkansas at Pine Bluff (UAPB). Donors who give to one of the three top priority areas (unrestricted, general scholarships, and band) and greater strength to their gift. Of the priority areas noted unrestricted dollars give the university the greatest flexibility to address important areas of need – those that directly impact the students we educate.

On the following pages are the names of individuals who have supported the plea for donation to the areas of unrestricted, general scholarships, and band.

Gifts were received between July 1, 2008 – June 30, 2009.

# corporate and foundation matching gift program

The University continues to be grateful for the support of its corporate partners. The companies and corporate foundations listed on this page are those that have provided contributions to the University and its Foundation through their matching gift program. The University urges its alumni and friends to investigate the matching gift program that may be offered through their companies. Some companies offer programs, which will match one-for-one, two-for-one, or three-for-one. The program may even extend to the employee's spouse.

This is an excellent way to multiply gift dollars and have a greater impact on academic programs. To take advantage of a company's matching gift policy, an employee may obtain a form from their company's corporate giving office and send it in along with their gift.
