

University of Arkansas at Pine Bluff

Faculty/Staff Handbook

Policy: **HEALTH AND SAFETY**

Policy #: **6.10**

The University's efforts to maintain a safe and healthy campus environment involve the efforts of a number of departments and units, including:

Facilities Management or respective building manager for maintenance of buildings and grounds, safety assistance, and compliance with safety laws and regulations;

The UAPB Campus Police department for response to automobile accidents, serious injuries and medical emergencies, violent assaults, crime response and prevention, crowd control for University sponsored events, escort services, and property protection; and Human Resources for work-related injuries or illnesses that may involve a Workers' Compensation claim.

If you become aware of any injuries, potentially unsafe or hazardous conditions, or criminal activities, please report them immediately to the appropriate department or unit or to your supervisor.
