Faculty/Staff Handbook

Policy: **WORKPLACE APPROPRIATE DRESS**

Policy #: **7.9**

The supervisor will inform employees of any uniform dress code required for their position. If no dress code is required, good judgment should be used in the choice of clothing and personal grooming techniques. Employees should be mindful of the fact that they are public employees and their image reflects on the University.

Uniforms, if required, should be kept neat and clean at all times. Safety clothing (helmets, shoes, goggles, etc.) must be worn when required.
