## HOUSING TERMS AND CONDITIONS

Residing in the residence halls is considered part of the student's educational support program and is considered a privilege and is not a right. Therefore, such residency is only a license to occupy and use the residence space assigned to the student for limited purposes and is not a lease of University property. The purpose of this document is to establish the terms and conditions of the room and board contract with the University of Arkansas at Pine Bluff's Department of Residential Life, referred to hereafter as the "Department" and to contract with the student for housing and food services. A student cannot contract for housing without contracting for board. If there are special dietary needs, the student should contact the Department so that special arrangements can be made.

The student must indicate acceptance of this offer by the Department by completing and signing the "Campus Residential Room and Board Contract" and returning it to the Department. **The student's signature on the front of this form means that the student has read, understood, and agrees to all the terms and conditions of this contract and further agrees to abide by its provisions.**
