1.1 EMPLOYMENT APPLICATION PROCESSING:

Applicants for full-time or part-time classified and auxiliary positions must apply in the office of Personnel from Monday through Friday between the hours of 9:00 a.m. and 4:30 p.m..

Applications are only accepted when a vacant position has been announced.

Job announcements are posted via e-mail to notify the campus of the intent to fill a position internally. The position may also be advertised via the internet or through a statewide or national newspaper publication.

All applications showing minimum qualifications are copied and sent through the campus mail to departments where a vacancy exists. A data entry test will be administered if applicable.

1.2 CLASSIFICATION AND COMPENSATION:

Classification and compensation for classified employees is determined by grades and steps as set by the Office of Personnel Management (OPM). Classified employees must begin at the entry level of the pay grade. The Personnel Office responds to concerns related to salary administration and other related classification and compensation issues.

1.3 BENEFITS ADMINISTRATION:

All regular employees, who at the time of appointment, are to be working one-half time or greater for six months or more, are eligible for most benefits through the University. The **Employment Tuition Benefit** is limited to full time (100%) appointed employees (**see Tuition Remission Policy**). Temporary employees and extra help employees are not eligible for benefits (**see Payroll Services Types of Employees**). Most of the benefits require that the employee enroll within 30 days of their initial appointment date. The employee is also given a copy of the Faculty Staff Handbook when they are enrolled in benefits.

The following benefits are available to eligible employees: major medical insurance; basic and optional dependent life insurance; long term disability insurance; long term disability insurance; optional long term disability insurance; TIAA/CREF Retirement ; Section 125 Cafeteria Plan; Vacation (nine month employees are not eligible) sick leave; holiday pay; jury duty; military leave; funeral leave; tuition benefit; workers compensation; unemployment insurance; credit union; library privileges; HYPER facility membership and reduced prices in the bookstore.

updating coverage; adding coverage; updating claims per employee request; employee making changes on the W- 4 form, etc.

The Personnel Office conducts its annual Benefits Fairs in conjunction with the Fall Faculty Staff Seminar. The Fair includes health care providers; dental providers; credit union representatives; life insurance providers; and TIAA/CREF representatives. In addition, other benefit providers are invited to come and display their products, along with donating door prizes that can be drawn by the faculty and staff. This is a very festive and informative time for all participants.

Workers' Compensation is available for full-time, part-time, temporary and extra help employees injured on the job. Information for filing a claim is distributed through the Personnel Office (See the attachment).

1.4 ORIENTATION:

The Personnel Office conducts an orientation program designed to provide a smooth transition to the university for new staff, administrators, and faculty. The orientation program which includes a history of the university – its mission, philosophy, and governance; a review of the university's fringe benefit package; an opportunity to complete federal and state tax forms; personal data forms; insurance and retirement applications; drug free work place acknowledgement and the required I-9 forms, is structured so that all new employees will attend the session they commence work.

During the program, the new employee is given a review of basic rules and regulations of the university. In addition, the employee is properly enrolled for payroll and benefits.

The orientation program also covers the three months probationary period for staff employees. While the employee is involved in the orientation program, the supervisor remains in the office to continue the daily operations.

The Personnel Office presents an orientation session for 1st year faculty during the annual Fall Faculty Staff Seminar Program. The Vice Chancellor for Academic Affairs provides a list of new faculty to the Personnel Office. All new faculty are encouraged to attend the orientation session to ensure a smooth and orderly entrance into the UAPB workplace and to obtain vital benefits information.

The Human Resources Department keeps the faculty, staff and students abreast of the latest development in the office through the **Human Resources Newsletter** which is published quarterly. Some of the information that is contained in the newsletter is “notification of the annual payroll audit,” “deadline for performance evaluations,” “dental insurance rate increases.” etc.

SERVICES PROVIDED BY PERSONNEL/PAYROLL

In addition to the newsletter, Human Resources communicates new information via e-mail to the campus community. This includes notification of various inter-agency training programs and dates, among which are: customer service; workplace aggression; workplace diversity; and interpersonal communication.

1.5 PAYROLL PROCESSING:

For payroll purposes, there are three types of employees: appointed, extra help, hourly, regular and semi-monthly.

Employees are paid twice a month, on a semi-monthly basis. Pay dates are on the 15th and 31st of the month. (Note: if the pay date falls on Saturday or Sunday, the payroll will be paid the preceding Friday.) For extra help hourly employees, the first pay date will be for earnings from the second half of the preceding month. The second pay date will be for earnings from the first half of that month.

In order for hourly employees to be paid, a time sheet must be submitted to the Personnel/Payroll Office prior to the cut off date for the particular hourly pay period. If the time sheet is received by the Payroll Office after the cut off date, the employee will be paid on the Overtime/Supplement Payroll.

Regular hourly employees are NOT eligible for benefits. Non-student regular hourly employees are, however, eligible for pay for university holidays, equivalent to the number of hours per day they usually work, providing they work the day before and the day after a university holiday and they work more than 20 hours per week.

All new employees must complete a W-4 from in order to be paid. In addition, the "Personnel Action Form," "An Extra Help Appointment form," "A Personnel Data Form," and "I-9 form," and the "Drug Free Workplace Certification form" must be completed by the department and the employee in order for a new employee to be placed on payroll.

The required paperwork must be received prior to the payroll cut off date for that particular month in order for the new employee to be paid on the end of the month's payroll. Those PAFs received after the payroll cut off date will be processed for the Overtime/Supplement payroll, if they are received by the 30th of the month. If an action is not received in time to process on the Overtime/Supplement payroll, it will be processed on the following pay cycle.

The second day after each pay period is the payroll office deadline. There are no provisions for paying employees outside of these pay cycles. It is the department's responsibility to insure that all appropriate paperwork is processed prior to the cut off dates in order for the employee to be paid.

SERVICES PROVIDED BY PERSONNEL/PAYROLL

Current State of Arkansas law limits the total number of hours a person in a “extra help” capacity can work in one year to 1,500 hours. It is the department’s responsibility to ensure that this provision is strictly enforced. The Personnel/Payroll Office will provide periodic notification to departments for individuals who have worked 1000 + hours, but this assistance does not eliminate the ultimate responsibility to remove people from the payroll prior to the 1,500 hours limit.

The W-4 must be completed by each employee. The W-4 designates federal and state taxing information for the employee, provides the employee’s social security number, and the address to which the employee’s W-2 will be sent if he/she leaves the services of the university. The permanent address should be used when possible. No campus residence halls may be used for the address. The information must be printed so that it can be accurately entered into the computer.

Employees should be prepared to show their social security cards in order to verify their social security numbers. The social security number will become the key to the majority of all pay and personnel actions. It is critical that this number be correct. Should a potential employee not have a social security number, provisions may be made in order to pay those employees for a short period while the social security card is being obtained.

Any time an employee has a name change, address change, or a change in federal or state taxing status, a new W-4 must be completed and filed with the Payroll Office. The employee must indicate on the W-4 if he/she wished State taxing to change. Those wishing to change address only must indicate this on the W-4. Those claiming exemption from federal tax must file a new W-4 annually.

1.6 RECORDS MANAGEMENT:

The following records are maintained and updated by the Personnel Office:

- Employee Medical and Dental Premiums/claims**
- Personnel Action and Extra Help reports**
- TIAA/CREF retirement reports**
- Flexible Spending accounts**
- Retirement loans**
- Early Retirement Agreements**
