

## Taking the Exam in the Department

### I. Create Your Evolve Account

To register for your Elsevier | HESI exam, you will need an Evolve student account. If you do not have one you can create it at:

<https://evolve.elsevier.com/cs/Satellite/StudentHome?Audience=Student>.

- a. Click on the **Register for a HESI Exam** located under Quick Links
- b. Click on the **REGISTER** button and follow the remaining steps to create your Evolve student account.

### II. Purchase the Exam

Students are required to pay \$32 for the exam online through the Elsevier website.

- a. Visit <https://shopelsevier.com> and click **Purchase Exam Access**.
- b. Enter your School Name, your Semester and the Delivery ID 209830 for purchasing access for the HP A2 V-1 072711. Students re-taking the exam would enter Delivery ID 209831 for purchasing access for the HP A2 V-2 072711. Click the arrow button to submit your choices.
- c. Select the check box next to the item you want to purchase and click **Add to Cart**.
- d. Confirm your item information and click **Proceed to Checkout** to continue your order. After you check out, you will be ready to take the exam you've purchased. If you have selected an incorrect institution or exam, click the **Remove** link in the quantity column.
- e. There are no refunds so please be sure of your purchase.
- f. You will receive a receipt by email. Print out the receipt and take it to the test administration site during your exam session.

### III. Taking the Exam

To start taking an Evolve Reach exam, go to <https://www.hesiinet.com>

- a. Under the heading **Students**, click **Take My Exam**.
- b. Enter your Evolve information in the username and password boxes and click **Log In**.
- c. Enter the access code provided to you by the exam proctor and click **Start Exam**.
- d. After the Contributors screen, click **Continue**.
- e. Read the Process Overview and Disclosure Information. Select **I Agree** and then click **Start**.
- f. Select the exam by clicking **Take Exam**.
- g. Read the on-screen instructions and click **Continue**.
