On a separate sheet of paper, and in whatever format that will work for you, please provide specific narratives on how the Title III sponsored travel has or will assist you in performing your professional duties. Give examples and provide quantitative data, such as how many students and or professional colleagues will benefit from training. Please share with us how this has helped you in preparing lectures, classroom assignments and/or performing administrative duties. How have our students benefited? Also, please include specific information you have been able to share with your colleagues at UAPB through forums, presentations, seminars, or workshops. Be sure to give the number of colleagues that have benefited from the training you received.
