

SAFHS Student Portfolio Release Form

The SAFHS Dean's Office will collect exemplary Student Portfolios to demonstrate the composition of the Portfolio and to illustrate the quality of student work that is to be included in the Portfolio. Exemplary materials will be available for other students to use as models as they prepare their Portfolios.

I hereby authorize the University of Arkansas at Pine Bluff/School of Agriculture, Fisheries and Human Sciences to duplicate this Portfolio to be viewed by SAFHS faculty and students.

Agreed: _____
(signature of student)

Refused: _____
(signature of student)

STUDENT ASSESSMENT OF THE SAFHS PORTFOLIO

The School of Agriculture, Fisheries and Human Sciences values your opinion about the completion of the Portfolio project during your senior year. Please respond to the following questions concerning your experience with the Portfolio.

- Portfolio projects assigned in your major courses and your professional and personal experiences all contribute to your academic development. Evaluate your skill and competency development as demonstrated by the 10 SAFHS academic goals.

	No Experience	Had Some Experience	Competent	Very Skilled
An understanding of agriculture, human and life sciences systems				
An understanding of science and the scientific method				
An awareness of international issues				
Intercultural and interpersonal communication and understanding				
An ability to use technology in education and research				
An understanding of numeric data				
An understanding of citizenship and public service				
Broad-based understanding of various systems for archiving and retrieving the world store of knowledge				
Appreciation for the world's natural resource base and the global environment				
Technical skills and competencies within their chosen discipline				

2. How do you feel about developing and compiling your Portfolio?

- ☐ Helped me reflect on my undergraduate experience
 - ☐ Well worth my time
 - ☐ It was a waste of my time
 - ☐ Other (please comment)
-
-
-

3. Each student is required to submit four course-based projects from among their major courses. How did you choose the projects that you included in the Portfolio?

- ☐ They were my best work
- ☐ They were all I could find
- ☐ I submitted anything in order to complete the requirement
- ☐ I wasn't aware of the requirement for course-based projects

4. How did the process of compiling the four sections of the Portfolio help you reflect on your undergraduate experience?

- ☐ My documents revealed experiences I had forgotten about
- ☐ My documents represented my experience well
- ☐ They didn't represent my experience well
- ☐ I didn't reflect on my experience

5. How do you anticipate using your Portfolio in the future?

- ☐ To prepare for an interview
- ☐ To show an employer
- ☐ To use in graduate/professional school
- ☐ I do not expect to use my Portfolio in the future
