

## **Scott Jones**

Scott is a Small Impoundment Extension Specialist and Instructor at the University of Arkansas at Pine Bluff Aquaculture and Fisheries Department. His duties include training and assisting county Extension Agents and land owners on proper assessment, stocking, treatment and management of private ponds and lakes in Arkansas. Scott currently teaches undergraduate courses in the Aquaculture and Fisheries Department, as well as a Recreational Fishing course in the Health and Physical Education Department. His other primary area of work is in youth fishing outreach which includes advising UAPB's competitive bass fishing team, administering a collegiate bass fishing tournament circuit, the Arkansas Collegiate Series, volunteering at youth fishing derbies throughout the state and assisting high school fishing teams.
