Recommendations for revisions will be forwarded to the Facilities Usage Committee for approval. A current list of rental rates is included as an attachment to this policy.
2. For activities requiring the services of a certified law enforcement officer, the requesting party is responsible for obtaining and paying the officer(s). In the event a UAPB police officer provides this service for outside organizations, the fee will be a fixed hourly rate with a two-hour minimum. Other service charges such as Facilities Management set-up or use of equipment will be assessed, accordingly.
3. When a fee is to be paid:

Note:

1. Reservations are not required for the use of a facility for the purpose for which it is designed or regularly scheduled.
2. If a regularly scheduled activity time or location is changed, the facility coordinator must be notified so that the University Calendar of Events can be modified.

UAPB Responsibilities

The University of Arkansas at Pine Bluff personnel will be responsible for temperature control, locking and unlocking the facility at the designated times as listed on the Special Events Request form. The operation of special equipment may necessitate the use of designated UAPB personnel, as may the special requirements of clean up in some facilities.

These guidelines are designed to insure protection of the University's investment in its equipment and facilities.

Users Responsibilities

Each user of a campus facility must have at least one legally responsible adult sponsor present during the entire time the facility is in use. Additional sponsors may be required for large group activities. If a sponsor is not present, the event will not take place.

The sponsor's duties are:

- A. To see that any special requirements for use of the facility are met.
- B. To see that no damage is done to UAPB facilities or equipment.
- C. To maintain order at the event so classes and other groups sharing the same or nearby facilities are not disturbed.
- D. To police the facility for litter and to restore furniture, etc. to its proper location after the event is over unless other arrangements have been made with the Building Manger, and
- E. To complete a Special Event invoice prior to the day of the event.

Procedures for Facility Use by Non-University Groups

Groups outside the University may use the facilities when the purpose is consistent with the mission of the University.

The University's facilities may not be used by non-University groups or individuals as listed below:

- A. To promote or carry on a commercial enterprise.
- B. To hold formal religious services or to promote religious beliefs.
- C. To promote a political party.

Non-University groups will be required to pay a fee covering the cost for use of the facility. A deposit to cover damages and clean up may be required (see Rental Rates and Other Charges).

Non-University groups must adhere to all policies and procedures as stated according to University Policy.

UAPB is committed to servicing community needs, however, we must first meet the needs of the University sponsored and University affiliated activities. This will sometimes restrict the availability of campus facilities for non-University activities.
