UAPB Aquaculture/Fisheries Center

Position: Assistant Professor (Water Quality)

Location: Department of Aquaculture and Fisheries, University of Arkansas at Pine Bluff, Pine Bluff, Arkansas

Appointment: Twelve month tenure track (25% teaching; 75% research)

Qualifications: Ph.D. in Aquaculture, Fisheries or closely related field. Demonstrated ability to develop a productive research program in water quality of aquaculture production and natural fisheries settings, to publish peer-reviewed publications, and to develop effective and innovative teaching techniques is required. Expertise in water chemistry is required, and a background in phycology to complement water chemistry skills is preferred. A commitment to developing a dynamic research program that has a strong impact on the state of Arkansas is required.

Duties and Responsibilities: Arkansas is a leader in commercial aquaculture production in the U. S. The Aquaculture/Fisheries Center has statewide responsibility for aquaculture and fisheries to provide research-based solutions to problems faced by fish farmers and natural fisheries stakeholder groups in Arkansas. The incumbent will develop a productive research program to improve management of water quality in aquaculture and natural fisheries systems. The incumbent will teach graduate and undergraduate courses in water quality and other aquaculture/fisheries subject areas.

Personal Characteristics: The person selected for this position must be committed to a productive research program and to contributing science-based management recommendations for Arkansas fish farmers and natural fisheries stakeholders. Must be committed to effective teaching. Must have the ability to communicate effectively with stakeholder groups. The individual must be willing and capable of developing effective working relationships across various fisheries and aquaculture disciplines within the department.

Salary: Commensurate with and depending upon qualifications and experience.

Fringe Benefits: Annual and sick leave per University policy, group health, life, disability, and retirement benefits.

To Apply: A letter of application, resume, official transcripts, and three letters of reference should be sent to:
Dr. Anita Kelly, Chair, Search Committee
