Any student who is a borrower of a federal loan(s), is required to complete exit counseling once the student graduates, drops below part-time, or stops enrollment at UAPB. Exit counseling covers all subjects that were covered in entrance counseling, with an emphasis on repayment strategies. This is a federal requirement and is mandatory. If you are a federal student loan borrower, log on to www.studentaid.gov, using your FSA ID and complete this requirement (under the Loan Repayment heading), to fulfill this step in the graduation clearance process. If applicable, this step must be completed prior to the granting of approval.
