

# LESSON PLAN FORMAT

TEACHER:

CONTENT:

SCHOOL:

GRADE

PERIOD/TIME:

DATE:

UNIT TITLE:

Goal of Lesson:

Lesson Behavioral Objectives (observable and measurable) and Standards:

Why have you chosen these objectives:

What teaching method will you use (Direct Instruction, Guided Instruction, Experimentation, or Indirect Instruction) and why?

**Essential Vocabulary:**

**What teaching materials/resources will you use? How will you integrate the use of technology: (be specific)**

Teacher Resources:

Student Resources:

**Estimation of Time for Lesson:**

**Anticipatory Set/Hook/Focus:**

**Instructional Input/Strategies/Procedures:**

**Modeling:**

**Check for Understanding:**

**Questioning Strategies: (provide samples of questions using blooms taxonomy)**

**Guided Practice:**

**How will you bring closure to the lesson?/ Assessment of Student Understanding/Review/Summary:**

**Independent Practice:**

**What Assessment will be used (homework, formative, quizzes, tests) to determine if students met the objective(s)? Create a rubric and data to demonstrate students' success. Provide samples of students' work.**

**Connections/Interdisciplinary Items/Activities Included in Lesson**

**Teacher Reflection: (Next steps?)**

- What went well?
- Students' understandings/misconceptions
- Specific notes about student thinking
- What do I need to reteach or review tomorrow or in the future
- New ideas/changes for next time

**Differentiation Strategies: Accommodations and Modifications for Students with Special Needs/IEPs/etc.:**

What accommodations will you make for students with special needs? (Look at each step of your plan, and ask yourself what students might need to accomplish the step.) **How do these accommodations allow you to differentiate instruction?** Include as many as appropriate.

Students with Learning Disabilities

Students with Behavior Needs

Gifted and Talented

Physical Needs, etc.

**Intervention Strategies for Any Student Who Does Not Get It:**

**Enrichment Activities for Those Students Who Get It:**

**Attach handouts and other materials to lesson plan:**
