

**VITA**  
**JOHN H. HOUSE**

**Work Address:**

Arkansas Archeological Survey  
P.O. Box 4814 UAPB  
1200 N. University  
Pine Bluff, AR 71601  
(870) 535-4509  
email: jhhouse@uark.edu

**Present Position:** Station Archeologist, Arkansas Archeological Survey, University of Arkansas at Pine Bluff Research Station (also: Associate Professor, Department of Anthropology, University of Arkansas, Fayetteville; Instructor, Department of Social and Behavioral Sciences, University of Arkansas at Pine Bluff)

**Personal Data:**

Born: September 21, 1948, Anchorage, Alaska

**Education:**

Graduate: Mountain Home High School, Mountain Home, Arkansas, 1966.

Graduate: University of Arkansas, Fayetteville, 1973, Degree: B.A., Major: Anthropology.

Ph. D.: Southern Illinois University, Carbondale, 1991, Department of Anthropology, Dissertation Title: "Monitoring Mississippian Dynamics: Time, Settlement and Ceramic Variation in the Kent Phase, Eastern Arkansas." Doctoral dissertation chairman: Dr. Jon Muller.

**Academic Honors:** National Science Foundation Graduate Fellow, 1985-1988.

Graduate Essay Award, Department of Anthropology, Southern Illinois University, 1987.

Clarence B. Moore Award for Excellence in Archaeology by a Young Scholar in Southeastern Studies 1993.

**Research Interests:** Eastern North American prehistory, Native American history, cultural ecology, material culture.

**Research Grants:** National Science Foundation Doctoral Dissertation Improvement Grant, "Monitoring Mississippian Dynamics: Time Settlement and Ceramic Variation in the Kent phase, eastern Arkansas" (with dissertation chairman Dr. Jon Muller) (NSF Grant No. BNS 8719279).

National Science Foundation, "Kuykendall Brake: Biocultural Continuity and the End of Prehistory in Central Arkansas" (NSF Grant No. SBR-9514381).

American Museum of Natural History, "James A. Ford's Archaeological Field Records and Collections from Arkansas" (Collection Study Grant: Visit dates 9-12 April 1997).

**Foreign Languages:**

German: basic speaking and reading capability

Spanish: good speaking and reading capability

Russian: basic speaking and reading capability

Portuguese: minimal speaking and reading capability

**Courses taught in Department of Social and Behavioral Sciences, University of Arkansas at Pine Bluff**

Introduction to Social Science SOCI 1320 (Honors)

Introduction to Anthropology SOCI 2330

North American Indians SOCI 3380

Peoples and Cultures of Africa South of the Sahara SOCI 3360

**Service on Masters and Doctoral Committees**

- 1995-1998 Judy Hennessee Cooper, MA thesis, Anthropology, University of Arkansas, Fayetteville, Chair Thomas J. Green. MA awarded 1998.
- 1997-1999 Carl Phillip Lipo, Ph.D dissertation, Anthropology, University of Washington, Seattle, Chair, Robert Dunnell. Ph.D awarded 2000 (Note: This was an interim appointment)
- 2001-2003 Susan Wilkerson, MA internship, Anthropology, University of Arkansas, Fayetteville, Chair, John H. House. MA awarded 2003.
- 2009-present Robert Scott, Ph. D dissertation, Anthropology, Southern Illinois University, Carbondale, Chair, Paul Welch.

**Professional Work Record:**

- 1966: July-August. Roland Mound Salvage, Arkansas County, Arkansas (employed by University of Arkansas Museum). Laborer. Supervisor, James A. Scholtz.
- 1967: April. Preliminary excavations at the Dumond site, Arkansas County, Arkansas (employed by University of Arkansas Museum). Laborer. Supervisor, James A. Scholtz.
- 1969: July-August. Highway salvage, Hazel site, Poinsett County, Arkansas (employed by University of Arkansas Museum). Supervisor, Albert C. Goodyear.
- 1970: July-August. Brand site excavation, Poinsett County, Arkansas (employed by Arkansas Archeological Survey). Supervisors, Dan F. Morse and Albert C. Goodyear.
- 1971: February-August. Field Archaeologist employed by Georgia Historical Commission (Interstate highways surveys, testing at prehistoric and historic sites, excavations at Fort Morris, Liberty County, Georgia). Supervisor, Gordon M. Midgette.
- 1972: May-June. Reconnaissance in Fourche Creek basin, Pulaski and Saline Counties, Arkansas. Research Assistant with Arkansas Archeological Survey. Supervisor, Hester A. Davis.
- 1972: June-August, October-December. Survey and excavation in the basin of Lake Rodemacher, Rapides Parish Louisiana (employed by Gulf South Research Institute, Baton Rouge, Louisiana). Project Director.
- 1972: August-September. Reconnaissance in Mulberry Creek basin, west-central Arkansas. Research Assistant with Arkansas Archeological Survey. Supervisor, Hester A. Davis.
- 1973: January-May. Miscellaneous environmental impact assessments in northeast Arkansas. Research Assistant with Arkansas Archeological Survey. Supervisors: Hester A. Davis and Dan F. Morse.
- 1973-1974: June-August 1973, November 1973-November 1974. Cache River Archeological Project. Research Assistant with Arkansas Archeological Survey. Supervisor, Michael B. Schiffer.

- 1974-1975: December 1974-January 1975. Miscellaneous environmental impact assessments. Research Assistant with Arkansas Archeological Survey. Supervisor, Martha A. Rolingson.
- 1975: February-March. Archeological survey in Little Black River, Watershed, Arkansas and Missouri. Research Assistant with Arkansas Archeological Survey, temporarily assigned to Division of American Archaeology, University of Missouri at Columbia. Supervisor, James E. Price.
- 1975: April-June. Research Assistant with Arkansas Archeological Survey. Supervisors, Hester A. Davis, Phyllis Morse.
- 1975-1977: July 1975-September 1977. Highway environmental impact assessments and mitigation research. Assistant Highway Archeologist, Institute of Archeology and Anthropology, University of South Carolina, Columbia. Supervisor, Albert C. Goodyear.
- 1978-1980: March 1978-August 1980. Research Assistant, University of Arkansas at Pine Bluff station, Arkansas Archeological Survey. Supervisor, Leslie C. Stewart-Abernathy.
- 1981-82: March 1981-June 1982. Miscellaneous environmental impact assessments and mitigation excavations. Research Assistant, Arkansas Archeological Survey. Supervisors, Frank Rackerby and W. Fredrick Limp.
- 1982-1983: July 1982-June 1983. Miscellaneous environmental impact assessments and mitigation projects. Research Assistant, Arkansas Archeological Survey. Supervisor, W. Fredrick Limp.
- 1983-1985: Station Archeologist, Arkansas Archeological Survey, University of Arkansas at Monticello. Supervisor, Hester A. Davis.
- 1988: September-December. Station Archeologist, Arkansas Archeological Survey, University of Arkansas at Monticello. Supervisor, Hester A. Davis.
- 1989-present: Station Archeologist, Arkansas Archeological Survey, University of Arkansas at Pine Bluff, Supervisor, George Sabo III.

## PUBLICATIONS

### Articles in peer-reviewed journals:

- Michael B. Schiffer and John H. House  
1977 Cultural resource management and archeological research: the Cache Project. *Current Anthropology* 18: 43-68.
- 1993 Dating the Kent Phase. *Southeastern Archaeology* 12: 21-32.
- 2002 Wallace Bottom: A Colonial-Era Archaeological Site in the Menard Locality, Eastern Arkansas. *Southeastern Archaeology* 21: 257-268.
- 2013 Native American Material Culture at the Wallace Bottom Site Southeastern Arkansas. *Southeastern Archaeology* 35:54-69.

### Book

- 2003 *Gifts of the Great River: Arkansas Effigy Pottery from the Edwin Curtiss Collection, 1879-1880*. Collections Series, Peabody Museum of Archaeology and Ethnology, Harvard University, Cambridge, MA.

### Chapters in books:

- 1977 Survey data and regional models in historical archaeology. In *Research Strategies in Historical Archaeology*, edited by Stanley South, pp.241-260. Academic Press, New York.
- 1977 Prehistoric lithic resource utilization in the Cache basin: a preliminary analysis of aboriginal procurement and utilization of Pitkin chert. In *Conservation Archaeology: A Guide For Cultural Resource Management*, edited by Michael B. Schiffer and George J. Gumerman, pp. 369-378. Academic Press, New York.
- Michael B. Schiffer and John H. House  
1977 An approach to assessing scientific significance. In *Conservation Archaeology: A Guide For Cultural Resource Management*, edited by Michael B. Schiffer and George J. Gumerman, pp. 369-378. Academic Press, New York.
- Michael B. Schiffer and John H. House  
1977 The Cache Project survey design. In *Conservation archaeology: a guide for cultural resource management*, edited by Michael B. Schiffer and George J. Gumerman, pp. 191-200. Academic Press, New York.

Michael B. Schiffer and John H. House

- 1977        Assessing impacts: examples from the Cache Project. In *Conservation Archaeology: A Guide For Cultural Resource Management*, edited by Michael B. Schiffer and George J. Gumerman, pp. 309-320. Academic Press, New York.
- 1990        Powell Canal: Baytown period adaptation on Bayou Macon in southeast Arkansas. In *The Mississippian Emergence*, edited by Bruce D. Smith, pp. 9-26. Smithsonian Institution Press, Washington.
- 1996        East-Central Arkansas. In *Prehistory of the Central Mississippi Valley*, edited by Charles H. McNutt, pp. 137-154. University of Alabama Press, Tuscaloosa.
- 2007        Powell Canal: Baytown Period Adaptation on Bayou Macon in Southeast Arkansas. In *The Mississippian Emergence*, pp. 9-26. Smithsonian Institution Press, Washington. (Reprint of 1990 edition, with new forward by editor).
- 2007        Wallace Bottom: A Colonial Era Archaeological Context on the Lower Arkansas River. In *French Colonial Pottery, an International Conference*, edited by George Avery, pp. 361-372. Northwestern State University Press, Natchitoches, Louisiana.

**Reviews:**

- 1987      Review of: *Excavations at the Lake George Site, Yazoo County, Mississippi, 1958-1960*, by Stephen Williams and Jeffrey P. Brain. Papers of the Peabody Museum of Archaeology and Ethnology 74 (accepted for publication by *North American Archaeologist*).
- 1988      Review of: *The Wilsford site (22-Co-516), Coahoma County, Mississippi: a late Mississippi period settlement in the northern Yazoo Basin of Mississippi*, Mississippi Department of Archives and History, Archaeological Report 14. *Southeastern Archaeology* 7:132-138.
- 1993      Review of: *Rivers of Change: Essays on Early Agriculture in Eastern North America*, by (Bruce D. Smith (with contributions by C. Wesley Cowan and Michael P. Hoffman). *Mississippi Archaeology* 28(2):88.
- 1994      Review of: *Archaeology of Eastern North America: Papers in Honor of Stephen Williams*, edited by James B. Stoltman. Mississippi Department of Archives and History Archaeological Report 25. *Southeastern Archaeology* 14:91-92.
- 1996      Review of: *Paradigms of the Past: The Story of Missouri Archaeology*, by Michael J. O'Brien, University of Missouri Press, 1995. *Journal of Anthropological Research* 52:501-544.
- 1999      Review of: *Changing Perspectives on the Archaeology of the Central Mississippi Valley*, edited by Michael J. O'Brien and Robert C. Dunnell. *American Antiquity* 64:379-200.
- 1999      Review of *James A. Ford and the Growth of Americanist Archaeology*, by Michael J. O'Brien and R. Lee Lyman, University of Missouri Press 1998, *Journal of the Iowa Archeological Society*, 46:64-65.

**Technical reports and manuscripts:**

- 1972      Preliminary archeological reconnaissance of the Fourche Creek basin in Pulaski and Saline counties, Arkansas. Manuscript on deposit at Arkansas Archeological Survey, Fayetteville.
- 1972      Preliminary archeological reconnaissance of the Mulberry Creek basin, Arkansas. Manuscript on deposit at Arkansas Archeological Survey, Fayetteville.
- 1973      Archeological resources, in Draft environmental impact statement, Cache River Basin Project, Arkansas. United States Army Corps of Engineers, Memphis

District.

Michael B. Schiffer and John H. House, assemblers

1974 The Cache River Archeological Project: an experiment in contract archeology. Preliminary draft submitted to Corps of Engineers, Memphis District, by Arkansas Archeological Survey.

1975 Archeological salvage in the basin of Lake Rodemacher, Rapides Parish, Louisiana. Report available from Gulf South Research Institute, Baton Rouge.

Price, James E., Cynthia R. Price, John Cottier, Suzanne Harris and John H. House

1975 An assessment of the cultural resources of the Little Black River Watershed. Report prepared for the Soil Conservation Service by Division of American Archaeology, University of Missouri, Columbia.

1975 A preliminary archeological field study of twelve structure areas in the Soil Conservation Service Poinsett Watershed Project. Manuscript on deposit at the Arkansas Archeological Survey, Fayetteville.

John H. House and Albert C. Goodyear III

1975 An archeological survey of a portion of the Charleston Innerbelt Freeway, Charleston County, South Carolina. Institute of Archeology and Anthropology, University of South Carolina. Research Manuscript Series 83.

1975 Regional data in historical archeology: examples from environmental impact surveys. Institute of Archeology and Anthropology, University of South Carolina, Research Manuscript Series 85.

John H. House and David L. Ballenger

1976 An archeological survey of the Interstate 77 route in the South Carolina Piedmont. Institute of Archeology and Anthropology, University of South Carolina, Research Manuscript Series 106.

Ronald W. Wogaman, John H. House, and Albert C. Goodyear

1976 An archeological reconnaissance of the four Twelfth Street Extension routes, Lexington County, South Carolina, Institute of Archeology and Anthropology, University of South Carolina, Research Manuscript Series 106.

1978 Exploring prehistoric utilization of the inter-riverine Piedmont in South Carolina: the excavations at Windy Ridge. Ms. in possession of the author.

- 1981 Floodplain adaptation: some comparative data from Rio Ucayali, Peruvian Amazonia. Ms. in possession of author and on deposit at Centro Amazonio para Antropologia y Aplicacion Practica, Lima, Peru.
- Sabo, George III, David B. Waddell, and John H. House  
1982 A cultural resources overview of the Ozark-St. Francis National Forest, Arkansas. Report submitted to United State Department of Agriculture--United States Forest Service, Ozark-St. Francis National Forest, Russellville, Arkansas by Arkansas Archeological Survey, Fayetteville.
- 1983 Archeological overview of the Felsenthal region (with W. Frederick Limp). In A preliminary report on the Bangs Slough (3CA3) data recovery excavations, Calhoun County, Arkansas, by Frank Schambach. Arkansas Archeological Survey Project Number 567. Report submitted to U.S. Army Corps of Engineers, Vicksburg District.
- Robert H. Lafferty and John H. House, editors  
1986 *Model validation in Sparta*. Arkansas Archeological Survey Research Series 25.
- 1986 Strangers, captives and slaves: interethnic relations in the Lower Mississippi Valley, 1673-1700. Ms. in possession of author.
- 1986 The Mississippian sequence in the Menard locality, eastern Arkansas. Ms. in possession of the author.
- David B. Waddell, John H. House, Frances B. King, Mona L. Colburn and Murry K. Marks  
1987 Results of final testing for significance at the Ink Bayou site (3PU252), Pulaski County, Arkansas. Report submitted to Arkansas Highway and Transportation Department by Sponsored Research Program, Arkansas Archeological Survey, Fayetteville.
- 2001 Preliminary Report On Artifacts And Material Culture Samples From Colonial-Era Indian Graves At The Lake Dumond Site, Arkansas County, Arkansas. Report to Quapaw Tribe of Oklahoma by Arkansas Archeological Survey.
- House, John H. and Mary V. Farmer and Peggy S. Lloyd  
2001 Phase II Testing of Seven Archeological Sites on the Pine Bluff Arsenal, Jefferson County, Arkansas. Report submitted to United States Department of the Army, Pine Bluff Arsenal by Department Of Social and Behavioral Sciences, University of Arkansas at Pine Bluff.

- 2001           Archeological Investigations At The Wallace Bottom Site, White River National Wildlife Refuge, Arkansas, 2000-2001. Report submitted to United States Fish and Wildlife Service, Regional Archeologist's Office, Savannah, Georgia by Arkansas Archeological Survey.
- 2002           Archeological Investigations at the Wallace Bottom Site, White River National Wildlife Refuge, Arkansas: 2002 Season, Report submitted to United States Fish and Wildlife Service, Regional Archaeologist's Office, Savannah, Georgia by Arkansas Archeological Survey.
- House, John H. and Jami J. Lockhart  
2004           “Cooperation Then and Now,” Archeological Investigations at the Wallace Bottom Site, White River National Wildlife Refuge, Arkansas: 2003 Season. Report submitted to Quapaw Tribe of Oklahoma and United States Fish and Wildlife Service, Regional Archaeologist’s Office, Savannah, Georgia by Arkansas Archeological Survey.
- Lockhart, Jami J. and John H. House  
2004           Archaeogeophysical Mapping of a Proposed Visitor Contact Facility at Arkansas Post National Memorial, Osotouy Unit. Report submitted to United States National Park Service, Arkansas Post National Memorial, by Arkansas Archeological Survey Sponsored Research Program.
- 2004           Item on Edwin Curtiss for Encyclopedia of Arkansas History and Culture.  
<http://www.encyclopediaofarkansas.net/encyclopedia/entry-detail.aspx?entryID=1109>
- 2006           Observations at Two Archeological Sites in the Proposed Port of Pine Bluff Expansion Project, Jefferson County, Arkansas. Report Submitted to Arkansas Historic Preservation Program and The Alliance for Economic Development for Jefferson County by Arkansas Archeological Survey, University of Arkansas at Pine Bluff Station.
- 2007           Oral History and Subsurface Archeological Investigation at the Sturgen Church Site 3JE180 in the Proposed Port of Pine Bluff Expansion Project, Jefferson County, Arkansas. Report Submitted to Arkansas Historic Preservation Program and The Alliance for Economic Development for Jefferson County by Arkansas Archeological Survey, University of Arkansas at Pine Bluff Station.
- 2008           Preliminary Archeological Investigation at the McKimney Site 3PU103, Little Rock Port Industrial Park Vicinity, Pulaski County, Arkansas. Report Submitted to Arkansas Historic Preservation Program by Arkansas Archeological Survey.

- 2009 Cultural Resources Survey of the Welspun Pipe Mill Barge Dock, Pulaski County, Arkansas. Report Submitted to US Army Corps of Engineers, Little Rock District and Arkansas Historic Preservation Program, Little Rock, by Arkansas Archeological Survey.
- 2011 Cultural Resources Survey of a Proposed Microwave Tower, Arkansas Post National Memorial, Arkansas County, Arkansas. Report submitted to US National Park Service, Arkansas Post National Memorial, by Arkansas Archeological Survey.
- 2012 Cultural Resources Survey of the Projected Lake Saracen Splash Park, Pine Bluff, Arkansas. Report submitted to City of Pine Bluff, Parks and Recreation Commission and Arkansas Historic Preservation Program, Little Rock by the Arkansas Archeological Survey, University of Pine Bluff Research Station.
- 2013 Cultural Resources Survey of a 160-acre Tract Purchased by the Quapaw Tribe of Oklahoma, Pulaski County, Arkansas. Report submitted to the Quapaw Tribe of Oklahoma, Quapaw, Oklahoma by Arkansas Archeological Survey Sponsored Research Program.

**Papers presented at meetings:**

National and International Meetings:

- 1975 The Cache River Archeological Project: substantive results. Society for American Archeology, Dallas, TX, May 8, 1975.
- 1980 Evolution of complex societies in east-central Arkansas: an overview of environments and regional data bases. Society for American Archaeology, Philadelphia, May 3 1980.
- 1975 Regional data in historical archeology: examples from environmental impact surveys. Conference on Historical Site Archeology, Gainesville, FL, November 6, 1975.
- 1991 Mississippian settlement and Mississippian dynamics in the Lower St. Francis Basin, eastern Arkansas. Society for American Archaeology, New Orleans, 26 April 1991.

Stewart-Abernathy, Leslie C. and John H. House

- 2000 Looking for Arkansas Post at Lake Dumond in the Menard-Hodges Locality, Arkansas County, Arkansas. Society for Historical Archaeology, Quebec City,

Vita: John H. House, page 17

Quebec, Canada, 6 January 2000.

- 2001 Time Exposure: Explaining Mississippian Settlement Variation in the Lower St. Francis Basin, eastern Arkansas Society for American Archaeology, New Orleans, Louisiana, April 19, 2001.
- 2002 Wallace Bottom: A Colonial-Era Archaeological Context on the Lower Arkansas River. French Colonial Ceramics Conference, Marksville, Louisiana, September 7, 2002.
- Feathers, James, Robert Dunnell, John House and Carl Lipo
- 2004 Luminescence Dating of Ceramics in the Lower Mississippi Valley. Poster presentation at Society for American Archaeology Annual Meeting, Montreal, Québec Canada, March 31 - April 4, 2004.
- 2012 Regional Variation in Mississippian Effigies in Eastern Arkansas, Paper presented in the symposium, "Precolumbian Ceramic Art in Arkansas and Missouri," at the Society for American Archaeology, 77<sup>th</sup> Annual Meeting, Memphis, TN, April 18-22, 2012.

#### Local and Regional Meetings

- 1973 Late Archaic settlement patterns in the eastern Arkansas Ozarks: new data and some hypotheses. Paper presented to the Anthropology section, Arkansas Academy of Science, Arkansas State University, Jonesboro.
- 1974 The Cache River Archeological Project: survey methods and contract archeology. Paper presented at Southeastern Archeological Conference, Atlanta, Georgia.
- 1976 Investigating Piedmont prehistory: survey methods and settlement models. Paper presented at the Second Annual Conference on South Carolina Archeology, Columbia, SC, May 22, 1976.
- 1976 Exploring prehistoric utilization of the inter-riverine Piedmont: the Interstate 77 survey. Paper presented at the Southeastern Archaeological Conference, Tuscaloosa, AL, November 5, 1976.
- 1978 Exploring prehistoric utilization of the inter-riverine Piedmont: the excavations at Windy Ridge. Paper presented at the Southeastern Archaeological Conference, Knoxville, TN, November 9, 1978.
