

Dear UAPB Faculty, Staff and Students

On Sunday, August 25, 2019, the FBI notified school districts in Arkansas about an unsubstantiated report of a shooting somewhere in the state of Arkansas or Kentucky. Although the bureau did not contact the UAPB campus officials, we would like to take this opportunity to remind our community that if you “see something, say something.” The UAPB Campus Police will continue to monitor the situation, along with Federal, state and local law enforcement.
