CURRENT STUDENT LOGIN INFORMATION

Student network accounts are automatically generated when the student is admitted to the University of Arkansas at Pine Bluff. All online systems are tied to this account including student email, Blackboard Online Learning System, myUAPB portal, WebAdvisor and wireless access. Accounts cannot be changed unless the student legally changes their name and it has been updated in the Student Information System by the Registrar’s office. The student will then be required to get a new UAPB ID reflecting their name.
