UAPB offers two (2) program tracks leading to the **B.S. in Nursing (Non- Teaching)**

The Baccalaureate Degree in Nursing (BSN) Program at The University of Arkansas at Pine Bluff is accredited by the Commission on Collegiate Nursing Education, 655 K Street NW, Suite 750, Washington, DC 20001, (202) 887-6791.

***Pre-licensure (Generic) Program Track**

The Generic program is open to students who have completed

the prescribed core of basic science and liberal arts courses required to establish the foundational knowledge for upper division nursing courses. *See the 8 semester (Curriculum) plan.

Students applying for admission to upper division must meet basic functional ability and skill requirements for professional nurses. Functional abilities are those physical and mental activities and attributes needed by a nurse to practice essential functions safely, with or without accommodations. Students must also meet the following admission requirements:

- Gain admission to the University.
- Declare nursing as an intended major.
- File an application with the Department of Nursing no later than March 15 for the fall semester of the year in which the student plans to seek admission.
- Students admitted to the program must have completed program prerequisite courses and maintained a cumulative GPA of 2.5 or better on a 4.0 scale and a grade of 'C' or

better in all prerequisite courses. Admission GPA is calculated using only prerequisite courses. Elective course hours are excluded from calculation of the GPA.

- Successfully complete the required Departmental Admission Exam with a score of 65 or higher. (The Department reserves the right to determine the vendor for the Admission Exam.)
- Submit official copies of transcripts from all schools attended.
- Obtain an ACT of 19 or above or comparable Compass test scores. Evidence of successful completion of required remedial courses may be accepted.
- Students who speak English as a second language shall meet the same admission requirements. In addition, international students must follow the admission procedures for the University which are found in the [UAPB](#)

[Catalog](#), and shall pass an English proficiency examination.

- Upon Admission to the program students must present evidence of clinical requirements:
 - TB Skin Test
 - Hepatitis Series
 - Varicella Vaccines (or Titer)**
 - Tetanus (within past 10 yrs)**
 - MMR
 - Flu Vaccine**
 - Current CPR Certification
 - *Criminal Background checks (CBC)
 - Urine Drug Screens

** Required for specific clinical agencies.

The cost of these screenings is at the expense of the individual student. State law requires that students applying for acceptance into a medical education program submit to State and Federal Criminal Background Check*(CBC) prior to admission. The admission CBC is in addition to the Arkansas State Board of Nursing (ASBN) CBC that is required prior to sitting for the NCLEX-RN.

The Department uses

[CastleBranch](#) for student admission CBC's. Students must log on to this site, set up an account and request the CBC. Results are posted on the CastleBranch portal in a secure tamper-proof location. This allows only the student and the Nursing Department

administrators to view the results.

The urine drug screen is coordinated by the Department. Students will receive instructions on obtaining drug screens on the first day of class.

Students who have been convicted of **certain crimes

may not be allowed to do

clinical in certain clinical

agencies and may be declared

ineligible by the [Arkansas State](#)

[Board of Nursing](#) to test for

licensure (NCLEX-RN),

despite successful completion

of the program. Students who

have a conviction must make

this fact known at time of

application. All applicants

accepted into the nursing

program are required to have

background checks and will be

required to pay all associated

fees.
