LIQUOR, DRUG AND WEAPON ARRESTS AND REFERRALS

For liquor, drug, and weapon offenses, the statistics are divided into two categories: individuals who were arrested and individuals who were referred to UAPB Police for disciplinary action as the result of a law violation.

Liquor Law Offenses: the violation of state or local laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, or use of alcoholic beverages, not including driving under the influence and drunkenness.
LIQUOR, DRUG AND WEAPON ARRESTS AND REFERRALS

Drug Abuse Offenses: The violation of state or local laws prohibiting the production, distribution, and/or use of certain controlled substances and the equipment or devices utilized in their preparation and/or use. The unlawful cultivation, manufacture, distribution, sale, purchase, use, possession, transportation, or importation of any controlled drug or narcotic substance. Arrests for violations of state and local law or ordinances, specifically those relating to the unlawful possession, sale, use, growing, manufacturing, and making of narcotic drugs.

Weapon Law Offenses: The violation of state or local laws prohibiting the manufacture, sale, purchase, transportation, possession, concealment or use of firearms, cutting instruments, explosives, incendiary devices or other deadly weapons. **On-Campus:** any building or property owned or controlled by UAPB within the same reasonably contiguous geographic area of the core campus, and used by UAPB in direct support of, or in a manner related to UAPB's educational purposes, including student housing facilities; and any building or property that is within or reasonably contiguous to the core campus that is owned by UAPB, but controlled by another person, is frequently used by students and supports institutional purposes, such as a food or other retail vendor. Additionally, locations within one mile of UAPB core campus are considered for inclusion in the on-campus group. Before these locations are included, their functions and relationship to the university are evaluated.

**On-Campus Student Housing Facilities:** a building or structure that is owned or controlled by the university and used by students as a dwelling on campus. This category includes student housing facilities and family housing located on campus.
**CLERY GEOGRAPHY CATEGORIES**

**Non-campus:** any building or property owned or controlled by UAPB that is used in direct support of, or in relation to, the university’s education purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

**Public Property:** all public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus. This property is owned by a public entity, such as a city or state government. Perimeter streets are described in the following way: “Sidewalk – Street – Sidewalk.” This means that a reportable crime occurring on the sidewalk on either side of a perimeter street is reportable, as well as incidents occurring in the street. But an incident occurring in a building (a privately owned property) on the distant side of a perimeter street would not be included.
