

LEAVE POLICIES FOR ACADEMIC AND OTHER NON-CLASSIFIED PERSONNEL

I. Sick Leave Policy: **This section replaced 1/31/2019 by Board Policy 420.3, Sick Leave.**

~~All full-time appointed employees earn sick leave credit at the rate of eight hours per month with a maximum of 960 hours accrual. Sick leave accrues only when an employee is in a paid status and does not accrue while an employee is on leave without pay. Paid sick leave is not granted as vacation but is permissible only when illness or injury to the employee causes absence from his/her work or if conditions require appointment with a physician, dentist, optometrist, chiropractor, or osteopath. Sick leave may also be granted to employees due to the death or serious illness of a member of the employee's immediate family. Immediate family shall mean the father, mother, sister, brother, husband, wife, child, grandparents, in-laws, or any individual acting as a parent or guardian of an employee.~~

~~Sick leave applies only to a period when the employee is in an appointed status. If sick leave begins during the Spring Semester it shall not be extended into the Summer Session, but, if necessary, sick leave may be extended into or begun in the Fall Semester if the individual has received a personnel action form for the Fall Semester, even though the illness may begin in the summer when the individual is not in appointed status for the summer.~~

~~Absence due to illness or disability, except in case of maternity leave, is charged in the following order:~~

- ~~1. Earned sick leave~~
- ~~2. Earned annual leave~~
- ~~3. Leave without pay~~

~~Employees may continue to work during pregnancy provided they are able to do their normal jobs. Since pregnancy is considered as any temporary illness, an employee who is not able to work because of pregnancy may elect to take leave of absence without pay without exhausting accumulated annual and sick leave. Upon return from pregnancy leave the employee will be given the same or comparable position to the one she occupied prior to the leave. The employee is expected to give her supervisor as much notice as possible prior to beginning maternity leave and at least two weeks notice prior to returning to work. Both notices should be in writing.~~

II. Annual Leave:

Employees whose titles are listed in the appropriation acts as twelve month non-classified positions will receive 22.5 days of paid vacation from the on-set of employment, earned at a rate of 15 hours per month. While administrative duties cannot be limited to a five-day, forty-hour week, for purposes of annual leave the normal work week shall be considered Monday through Friday.

Vacation shall not be taken before it is earned, but must be taken within twelve months after the close of the calendar year in which it is earned. An exception may be made when a vacation is postponed for the convenience of the University.

Vacation benefits are granted to all non-classified and non-student employees on twelve-month appointments of one-half time or more, with the part-time employees earning leave in proportion to the time worked.

An employee whose period of employment is scheduled to be changed from a twelve-month basis to a nine-month basis must take all accrued, unused vacation before the end of the twelve-month period. An employment period shall not be extended for the purpose of paying an employee for unused vacation, and neither shall lump-sum terminal payment be made unless an employee terminates employment with the University.

Annual leave is cumulative; however, no employee may have in excess of 30 days on December 31 of each year. During the calendar year accrued leave may exceed 30 days, but those days in excess of 30 will be lost if they are not used before December 31 of each year. Accrued annual leave may be requested by an employee at any time. The appropriate supervisor will grant the request when it will least interfere with the efficient operation of the department.

Annual leave may not be accumulated while an employee is on leave without pay.

Upon termination, resignation, retirement, death, or other action by which a person ceases to be an active employee of the University, the amount due the employee or his/her estate from accrued annual leave or holiday leave, not to exceed 30 working days inclusive of holidays, shall be included in the final pay to the employee. No employee receiving such additional compensation shall return to University employment until the number of days for which he/she received additional compensation has expired.

III. Military Leave:

Twelve-month employees who are members of the National Guard or any of the Reserve branches of the Armed Forces of the United States shall be granted a maximum of two weeks leave annually plus necessary travel time for annual training requirements. Such leave shall be granted without loss of pay and in addition to regular vacation time. Nine-month academic and administrative employees are expected to take any two weeks military leave during the three months they are not under contract to the University. Each employee who requests military leave shall furnish a copy of his/her orders to the appropriate vice president or vice chancellor. An employee who is drafted or called to active duty in the Armed Forces of the United States or who volunteers for military service shall be placed on extended military leave without pay and upon application within 90 days after the effective date of his/her release from active duty shall be reinstated to the position vacated or to an equivalent position at no loss of seniority or any of the other benefits and privileges of employment. An employee who enlists or re-enlists for a second consecutive tour of military duty shall forfeit his/her re-employment rights.

Military personnel called to duty in emergencies by the Governor or by the President of the United States shall be granted leave with pay not to exceed 30 working days after which leave without pay will be granted. This leave shall be granted in addition to regular time.

IV. Court and Jury Leave:

Any employee serving as a witness, juror, or party litigant shall be entitled to regular University compensation in addition to any fees paid by the Court for such services and such absences shall not be counted as annual leave.

In cases where service as a witness can be handled by having the involved attorney take a deposition or statement, it is preferred. Depositions or statements which involve the University may be taken during duty hours. All others should be handled as off-duty time.

Employees who are accepted by the court as expert witnesses and paid a fee in excess of the normal witness fee shall take annual leave for the time required for such testimony.

Where service on a jury would substantially interfere with the execution of the University work schedule, the chief administrative officer of the campus may petition the judge in writing for exemption from service. However, if exemption is denied or if no response is received prior to the date jury duty is to begin, the individual must report for jury duty.

An employee who is summoned to serve on jury duty shall not be subject to discharge from employment, loss of sick leave or vacation time, or any other form of penalty as a result of

his/her absence from employment due to such jury duty, upon giving reasonable notice to his/her employer of such summons.

V. Leave-of-Absence Without Pay:

The President of the University is authorized to grant leaves-of-absence without pay for a period not to exceed one year.

VI. Vacation Leave for Graduate Study:

Vacation leave for graduate study may be granted to otherwise eligible employees under the following terms:

1. Accrued vacation with pay may, if used for graduate study, be accumulated for two calendar years preceding the date of the leave if it is used by January 1 of the third year.
2. Permission to carry over such credit must be requested in writing by the employee and approved by the President in advance of the commencement of vacation accrual.

The President may approve a modified application of the regulation where circumstances warrant not to exceed the earned vacation allowance for two years.
