What is WebAdvisor? WebAdvisor is UAPB’s online inquiry and registration system that interacts with the university's database system. You will be able to view grades and unofficial transcripts, check your financial aid status, view your class schedule, pay online and much more.

On the UAPB Home page (www.uapb.edu) click WebAdvisor on the top right corner and Log In Tab

or select the “Current Student” on the left side of the page and select “Login to WebAdvisor”

New to WebAdvisor:
Follow the information below for first time users.
✓ Log in with UAPB user ID and standard password (example: Th010101)
✓ Reset your password (this information will be sent to your email address)
✓ Check your e-mail to receive your password
✓ Log into the system

Did you forget your password? What about your user name? Maybe you forgot both of them. Well now you can look up your user name and reset your own password: WebAdvisor has a self serve section with options available for you to retrieve this information.

To find your WebAdvisor USER ID:
✓ “Click here to discover your UAPB WebAdvisor User Id”
✓ The What's My User ID? Screen will open
✓ Type your last name and your SSN or UAPB ID Number
✓ SUBMIT

To Reset PASSWORD if you don’t know your WebAdvisor Password:
✓ “Click here if you don’t know your WebAdvisor Password”
✓ The Reset My Password? Screen will open
✓ Type your last name and your SSN or UAPB ID Number
✓ SUBMIT
✓ The next screen:Select an e-mail address” will appear
✓ Click on down Arrow Key in box to show your UAPB Email Address
✓ SUBMIT

The system will generate the following message:
“Your temporary password will be sent to this e-mail address immediately: (your email address)”
The password MUST be changed immediately upon logging into WebAdvisor.

*New Password must be a combination of at least 6 – 9 letters and numbers and one capital letter*  
Your password is also case sensitive…. abc123 and ABC123 are not the same
